

Crosby HRA
Supplemental Questions
Maintenance Engineer

** You MUST complete and return this form to be considered **

Name _____

Each applicant must complete this supplemental questionnaire as a part of the application screening and selection process. The information you provide will be reviewed to determine your eligibility to move forward in the selection process. Incomplete responses, false statements, omissions, or partial information may result in disqualification from the selection process. Feel free to add additional pages if needed to complete your responses.

1) Do you have a combination of two years of education and/or experience in a position with similar regular job duties or a combination of relevant education, training and experience that meets the requirements to successfully accomplish the duties and responsibilities for the position?

YES NO

2) How many years have you been working in the construction trade or maintenance? What positions did you hold?

3) Do you have experience performing maintenance on larger buildings with one central heating plant and domestic hot water plant? Give examples of what you have repaired or maintained.

4) Describe your experience diagnosing a problem, soliciting three bids and then hiring the contractor?

I hereby certify that my answers to the questions on this application are complete and true to the best of my knowledge.
