

Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family's assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the PHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that the PHA will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA will use when deciding what action to take, and the steps the PHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner's right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the PHA to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits the PHA to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the PHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family's income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by the PHA is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

PHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE

The family may request that the PHA terminate housing assistance payments on behalf of the family at any time.

PHA Policy

The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires the PHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

PHA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the PHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the PHA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.

Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, the PHA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

PHA Policy

The PHA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

Lifetime Registered Sex Offenders [Notice PIH 2012-28]

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the PHA must immediately terminate assistance for the household member.

In this situation, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must terminate assistance for the household.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]

The PHA must immediately terminate program assistance for deceased single member households.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

Use of Illegal Drugs and Alcohol Abuse

PHA Policy

The PHA will terminate a family's assistance if the PHA determines that any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The PHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Currently engaged in is defined as any use of illegal drugs or alcohol during the previous three months.

A pattern of illegal drug or alcohol abuse use means more than one incident of any use of illegal drugs during the previous six months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs or abuse of alcohol.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

PHA Policy

The PHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The PHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Other Authorized Reasons for Termination of Assistance [24 CFR 982.552(c), 24 CFR 5.2005(c)]

HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act of 2013 explicitly prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault, or stalking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per the alternative requirements listed in the *Federal Register* notice dated December 29, 2014, PHAs are no longer permitted to terminate assistance to a family due to the family's failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation [FR Notice 12/29/14].

PHA Policy

The PHA **will** terminate a family's assistance if:

The family has failed to comply with any family obligations under the program.
See Exhibit 12-1 for a listing of family obligations and related PHA policies.

Any family member has been evicted from federally-assisted housing in the last five years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with the PHA.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

PHA Policy

Families must notify the PHA in writing prior to being absent from the unit for more than thirty (30) consecutive days.

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.F.

Insufficient Funding [24 CFR 982.454]

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

PHA Policy

The PHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the PHA determines there is a shortage of funding, prior to terminating any HAP contracts, the PHA will determine if any other actions can be taken to reduce program costs.

In the event that the PHA decides to stop issuing vouchers as a result of a funding shortfall, and the PHA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when the PHA resumes issuing vouchers, the PHA will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the PHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, the PHA will inform the local HUD field office. The PHA will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA's annual budget authority.

If the PHA must terminate HAP contracts due to insufficient funding, the PHA will do so in accordance with the following criteria and instructions:

The Brainerd HRA will notify the local field office. We will terminate the minimum number needed in order to reduce HAP costs to a level within Brainerd HRA's annual budget authority.

- Non-elderly, non-disabled single member families will be terminated first.
- Non-elderly, non-disabled families with no children under the age of 18 will be terminated second.
- Non-elderly, non-disabled families with children under the age of 18 will be terminated third.
- Elderly and disabled families will be terminated fourth.

PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

The PHA is required by regulation to terminate a family's assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give the PHA the authority to either terminate the family's assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion, and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the PHA's intent to terminate assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

PHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon PHA request.

Repayment of Family Debts

PHA Policy

If a family owes amounts to the PHA, as a condition of continued assistance, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

PHA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Use of Criminal Conviction Records after Admission [24 CFR 5.903]

The regulation at 24 CFR 5.903 governs a PHA's access to and use of criminal conviction records obtained from a "law enforcement agency" such as the National Crime Information Center (NCIC), police departments, and other law enforcement agencies that hold criminal conviction records. While the regulatory listing of permitted uses for these records includes PHA screening of applicants for admission to the HCV program, it specifically excludes the use of records for lease enforcement and eviction of HCV participants and excludes by omission a PHA's use of records to terminate assistance for participants. While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose. The limitations, however, do not apply to criminal conviction information searches from non-federal sources (i.e., sources other than the "law enforcement agencies" defined in 24 CFR 5.902(b)). There is no prohibition that bars a PHA from using non-federal sources to conduct criminal background checks of program participants.

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

PHA Policy

The PHA will consider the following facts and circumstances when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or

(as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record or records of arrest will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

- Any statements made by witnesses or the participant not included in the police report

- Whether criminal charges were filed

- Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

- Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

PHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family's request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

This section describes the protections against termination of assistance that the Violence against Women Act of 2013 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat" [24 CFR 5.2005(d)(3)].

PHA Policy

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within an immediate time frame

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA's determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

Documentation of Abuse [24 CFR 5.2007]

PHA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual's file.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

If the perpetrator remains in the unit, the PHA continues to pay the owner until the PHA terminates the perpetrator from the program. The PHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The PHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the PHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.

PHA Policy

The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and section 16-IX.D. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

12-II.F. TERMINATION NOTICE

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family's HAP contract and lease will also terminate when the family's assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

PHA Policy

Whenever a family's assistance will be terminated, the PHA will send a written notice of termination to the family and to the owner. The PHA will also send a form HUD-5382 and form HUD-5380 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other PHA policies, or the circumstances surrounding the termination require.

When the PHA notifies an owner that a family's assistance will be terminated, the PHA will, if appropriate, advise the owner of his/her right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. VAWA 2013 expands notification requirements to require PHAs to provide notice of VAWA rights and the HUD 5382 form when a PHA terminates a household's housing benefits.

PHA Policy

Whenever the PHA decides to terminate a family's assistance because of the family's action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382 and form HUD-5380. The PHA will request in writing that a family member wishing to claim protection under VAWA notify the PHA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family's termination, the PHA must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].
- If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking and the victim is protected from eviction by the Violence against Women Act of 2013 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises
- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

Other Good Cause

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision
- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

If a property is subject to foreclosure, during the term of the lease, the new owner of the property does not have good cause to terminate the tenant’s lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. See Section 13-II.G for a discussion of PHA policies relating to units in foreclosure

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

PHA Policy

If the eviction action is finalized in court, the owner must provide the PHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence against Women Act of 2013 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

PHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

PHA Policy

The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

PHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the PHA at the same time the owner is notified.

- The family must give the PHA a copy of any owner eviction notice within ten (10) days of receipt of the notice.

- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

PHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must notify the PHA in writing within thirty (30) days if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

PHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

PHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.

- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

Chapter 13

OWNERS

INTRODUCTION

Owners play a major role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the PHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]

HCV Landlord Strategy Guidebook for PHAs]

Recruitment

PHAs are responsible for ensuring that very low-income families have access to all types and ranges of affordable housing in the PHA's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA's jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

If the PHA will be conducting outreach events, the PHA must ensure that notices and communications during outreach events are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities. PHAs must also take reasonable steps to ensure meaningful access to programs to persons with limited English proficiency.

PHA Policy

The PHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. The PHA will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies will include:

- Distributing printed material about the program to property owners and managers
- Contacting property owners and managers by phone or in-person
- Holding owner recruitment/information meetings at least once a year
- Participating in community based organizations comprised of private property and apartment owners and managers
- Developing working relationships with owners, apartment associations, industry investor groups, and real estate brokers associations
- To the extent practical, partnering with and attending events hosted by other area agencies to deliver information about the HCV program

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

Retention

In addition to recruiting owners to participate in the HCV program, the PHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

PHA Policy

All PHA activities that may affect an owner's ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

The PHA will provide owners with a handbook that explains the program, including HUD and PHA policies and procedures, in easy-to-understand language.

The PHA will give special attention to helping new owners succeed through activities such as:

- Providing the owner with a designated PHA contact person.

- Coordinating inspection and leasing activities between the PHA, the owner, and the family.

- Initiating telephone contact with the owner to explain the inspection process, and providing an inspection booklet and other resource materials about HUD housing quality standards.

- Providing other written information about how the program operates, including answers to frequently asked questions.

Additional services may be undertaken on an as-needed basis, and as resources permit.

13-I.B. BASIC HCV PROGRAM REQUIREMENTS

HUD requires the PHA to assist families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

PHA Policy

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family or to help the HCV family find a unit must notify the PHA. The PHA will maintain a listing of such owners and provide this listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential unassisted tenant. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to the PHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate requirements for the approval of an assisted tenancy.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. The PHA will inspect the owner's dwelling unit at least annually to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards and policies for HQS inspections at initial lease-up and throughout the family's tenancy.

The PHA must determine that the proposed rent for the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, if the gross rent exceeds the applicable payment standard, the PHA must ensure that the family share does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. The HUD Tenancy Addendum includes the HUD requirements governing the tenancy and must be added word-for-word to the owner's lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

The PHA and the owner must execute a Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HUD requirements for execution of the HAP contract.

13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner's obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting the security deposit, the tenant rent, and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services that are not the responsibility of the family as specified in the lease
- Allowing reasonable modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence against Women Reauthorization Act of 2013 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))

13-I.D. OWNER QUALIFICATIONS

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

The PHA must not approve the assisted tenancy if the PHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the PHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]

The PHA must not approve a tenancy if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The PHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]

The PHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner)
- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The PHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by the PHA must include the following [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, the PHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the PHA or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the PHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the PHA has requested a conflict of interest waiver, the PHA may not execute the HAP contract until HUD has made a decision on the waiver request.

PHA Policy

In considering whether to request a conflict of interest waiver from HUD, the PHA will consider certain factors such as consistency of the waiver with state and local laws, the existence of alternative housing available to families, the individual circumstances of a particular family, the specific duties of individuals whose positions present a possible conflict of interest, the nature of any financial investment in the property and plans for disclosure/divestiture, and the possible appearance of impropriety.

Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]

HUD regulations permit the PHA to disapprove a request for tenancy for various actions and inactions of the owner.

If the PHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

PHA Policy

The PHA will refuse to approve a request for tenancy if the PHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);

- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

- The owner has engaged in any drug-related criminal activity or any violent criminal activity;

- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;

- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing; (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;

- The owner has a history or practice of renting units that fail to meet state or local housing codes; or

- The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the PHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, the PHA may, on a case-by-case basis, choose to approve an owner.

Legal Ownership of Unit

The following represents PHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

PHA Policy

The PHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year).

13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the PHA.

The owner must cooperate with the PHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the PHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

PART II. HAP CONTRACTS

13-II.A. OVERVIEW

The HAP contract represents a written agreement between the PHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as the PHA's obligations. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family approved by the PHA to occupy the unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and use their assistance to lease the space for the manufactured home. See chapter 15 for a discussion of any special housing types included in the PHA's HCV program.

When the PHA has determined that the unit meets program requirements and the tenancy is approvable, the PHA and owner must execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

13-II.B. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information: the names of the tenant and all household members, the address of the contract unit, start and end dates of initial lease term, the amount of initial monthly rent to owner, the amount of initial housing assistance payment, the utilities and appliances to be supplied by owner and tenant, and the signatures of the PHA representative and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. PHA policy on the amount of security deposit an owner may collect is found in Chapter 9.

PHAs also have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

PHA Policy

The PHA has not adopted a policy that defines when the housing assistance payment by the PHA is deemed received by the owner. Therefore, no modifications to the HAP contract will be necessary.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest

- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

13-II.C. HAP CONTRACT PAYMENTS

General

During the term of the HAP contract, and subject to the provisions of the HAP contract, the PHA must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. The PHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the PHA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant and the HAP payment is equal to the rent to owner as specified in the lease.

The family is not responsible for payment of the HAP payment, and the PHA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the rent to owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the PHA, the excess amount must be returned immediately. If the PHA determines that the owner is not entitled to all or a portion of the HAP, the PHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

Owner Certification of Compliance

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By endorsing the monthly check from the PHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

Late HAP Payments [24 CFR 982.451(a)(5)]

The PHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for late penalties if the PHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

The PHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the PHA's control. In addition, late payment penalties are not required if the PHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

Termination of HAP Payments [24 CFR 982.311(b)]

The PHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

PHA Policy

The owner must inform the PHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform the PHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant and provide the PHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the PHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the PHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulation for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the PHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The PHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination of the HAP contract. The PHA may also obtain additional relief by judicial order or action.

The PHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. The PHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

PHA Policy

Before the PHA invokes a remedy against an owner, the PHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the PHA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the PHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

13-II.E. HAP CONTRACT TERM AND TERMINATIONS

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The PHA terminates the HAP contract;
- The PHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the PHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the PHA;
- The Annual Contributions Contract (ACC) between the PHA and HUD expires
- The PHA elects to terminate the HAP contract.

PHA Policy

The PHA may elect to terminate the HAP contract in each of the following situations:

Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];

The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;

The unit does not meet HQS [24 CFR 982.404] – see chapter 8;

The family breaks up [HUD Form 52641] – see chapter 3;

The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If the PHA terminates the HAP contract, the PHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

PHA Policy

In all cases, the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives written notice to the owner. The owner is not entitled to any housing assistance payment after this period, and must return to the PHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of the PHA.

An owner under a HAP contract must notify the PHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the PHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the PHA finds acceptable. The new owner must provide the PHA with a copy of the executed agreement.

PHA Policy

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The PHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner's request, the PHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to the PHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;

- A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;

- The effective date of the HAP contract assignment;

- A written agreement to comply with the terms of the HAP contract; and

- A certification that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the PHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the PHA will process the leasing in accordance with the policies in Chapter 9.

13-II.G. FORECLOSURE [Notice PIH 2010-49]

Families receiving HCV assistance are entitled to certain protections set forth under the Protecting Tenants at Foreclosure Act (PTFA). During the term of the lease, the new owner of the property does not have good cause to terminate the tenant's lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. Further, the new owner assumes interest in the lease between the prior owner and the tenant and to the HAP contract.

Any state or local law that provides longer time periods or other additional protections for tenants also applies.

PHA Policy

If a property is in foreclosure, the PHA will make all reasonable efforts to determine the status of the foreclosure and ownership of the property and will continue to make payments to the original owner until ownership legally transfers in accordance with the HAP contract.

The PHA will attempt to obtain a written acknowledgement of the assignment of the HAP contract from the successor in interest. This will include a request for owner information, including a tax identification number and payment instructions from the new owner. Even if the new owner does not acknowledge the assignment of the HAP contract in writing, the assignment is still effective by operation of law.

The PHA will inform the tenant that they must continue to pay rent in accordance with the lease, and if the new owner refuses to accept payment or cannot be identified, the tenant should pay rent into escrow. Failure to pay rent may constitute an independent ground for eviction.

In the event that the PHA is unable to make HAP payments to the new owner due to an action or inaction by the new owner that prevents such payments (e.g., rejection of payments or failure to maintain the property according to HQS), or due to an inability to identify the new owner, the PHA will either use the funds to pay:

The utilities that are the owner's responsibility after taking reasonable steps to notify the owner; except that if the unit has been or will be rendered uninhabitable due to termination or threat of termination of service, prior notice is not required. In the latter case, the PHA shall notify the owner within a reasonable time after making the utility payment; or

For the family's reasonable moving costs, including security deposit costs.

The PHA will also refer the tenant, as needed, to the local legal aid office in order to ensure adequate protection of the tenant's rights and enforcement of the successor in interest's performance under the HAP contract.

See Section 12-III.B for a discussion of foreclosure as it pertains to owner termination of tenancy.

Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

PHA Policy

To ensure that the PHA’s HCV program is administered according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The PHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

The PHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

The PHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family or owner.

PHA staff will be required to review and explain the contents of all HUD- and PHA-required forms prior to requesting family member signatures.

At every regular reexamination, PHA staff will explain any changes in HUD regulations or PHA policy that affect program participants.

The PHA will require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.

The PHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.

The PHA will provide each PHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

14-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

Quality Control and Analysis of Data

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

PHA Policy

In addition to the SEMAP quality control requirements, the PHA will employ a variety of methods to detect errors and program abuse.

The PHA routinely will use HUD and other non-HUD sources of up-front income verification. This includes The Work Number and any other private or public databases available to the PHA.

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

The PHA will compare family-reported income and expenditures to detect possible unreported income.

Independent Audits and HUD Monitoring

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

PHA Policy

The PHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the PHA's error detection and abuse prevention efforts.

Individual Reporting of Possible Errors and Program Abuse

PHA Policy

The PHA will encourage staff, program participants, and the public to report possible program abuse.

14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the PHA Will Investigate

PHA Policy

The PHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the PHA to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The PHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

Consent to Release of Information [24 CFR 982.516]

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require HCV families to sign consent forms for the release of additional information.

Analysis and Findings

PHA Policy

The PHA will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation the PHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the PHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

PHA Policy

In the case of family-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

PHA Policy

The PHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the PHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

PHA Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

Reimbursement

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]

PHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

PHA Reimbursement to Family [HCV GB p. 22-12]

PHA Policy

The PHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

Prohibited Actions

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

PHA Policy

Any of the following will be considered evidence of family program abuse:

Payment to the owner in excess of amounts authorized by the PHA for rent, security deposit, and additional services

Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives

Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the PHA on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g. income, family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to the PHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

PHA Policy

In cases where the owner has received excess subsidy, the PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

Prohibited Owner Actions

An owner participating in the HCV program must not:

- Make any false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

PHA Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above or below the amount specified by the PHA
- Charging a security deposit other than that specified in the family's lease
- Charging the family for services that are provided to unassisted tenants at no extra charge
- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives
- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the PHA
- Residing in the unit with an assisted family
- Committing sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2
- Retaliating against any applicant or participant reporting/alleging sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2

Remedies and Penalties

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

14-II.D. PHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

Repayment to the PHA

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by PHA staff [HCV GB. 22-12].

PHA Reimbursement to Family or Owner

The PHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the PHA's administrative fee reserves [HCV GB p. 22-12].

Prohibited Activities

PHA Policy

Any of the following will be considered evidence of program abuse by PHA staff:

- Failing to comply with any HCV program requirements for personal gain

- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner

- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the PHA

- Disclosing confidential or proprietary information to outside parties

- Gaining profit as a result of insider knowledge of PHA activities, policies, or practices

- Misappropriating or misusing HCV funds

- Destroying, concealing, removing, or inappropriately using any records related to the HCV program

- Committing any other corrupt or criminal act in connection with any federal housing program

14-II.E. CRIMINAL PROSECUTION

PHA Policy

When the PHA determines that program abuse by an owner, family, or PHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.

Chapter 15

SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

INTRODUCTION

The PHA may permit a family to use any of the special housing types discussed in this chapter. However, the PHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The PHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

PHA Policy

Families will be permitted to use the homeownership option.

Families will not be permitted to use any special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Shared Housing

Part V: Cooperative Housing

Part VI: Manufactured Homes (including manufactured home space rental)

Part VII: Homeownership

PART I: SINGLE ROOM OCCUPANCY

[24 CFR 982.602 through 982.605]

15-I.A. OVERVIEW

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for SRO housing is 75 percent of the zero-bedroom payment standard amount on the PHA's payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero-bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. HOUSING QUALITY STANDARDS (HQS)

HQS requirements described in Chapter 8 apply to SRO housing except as modified below.

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards the requirements discussed below apply [24 CFR 982.605].

- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway, and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.
- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

PART II: CONGREGATE HOUSING

[24 CFR 982.606 through 982.609]

15-II.A. OVERVIEW

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a zero-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the one-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

15-II.C. HOUSING QUALITY STANDARDS

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The housing quality standards applicable to lead-based paint do not apply.

PART III: GROUP HOME

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

15-III.A. OVERVIEW

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be zero- or one-bedroom, depending on the PHA's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the group home size. The prorata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the prorata portion of the reasonable rent for the group home. In determining reasonable rent, the PHA should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

15-III.C. HOUSING QUALITY STANDARDS

HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
 - Dangerous walks or steps
 - Instability
 - Flooding, poor drainage
 - Septic tank back-ups
 - Sewage hazards
 - Mud slides
 - Abnormal air pollution
 - Smoke or dust
 - Excessive noise
 - Vibrations or vehicular traffic
 - Excessive accumulations of trash
 - Vermin or rodent infestation, and
 - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.

PART IV: SHARED HOUSING

[24 CFR 982.615 through 982.618]

15-IV.A. OVERVIEW

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the PHA, a live-in aide may reside with the family to care for a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the lower of the utility allowance for the family unit size (voucher size) or the prorata share of the utility allowance for the shared housing unit.

Example: A family holds a 2-bedroom voucher. The family decides to occupy 3 out of 4 bedrooms available in the unit.

The utility allowance for a 4-bedroom unit equals \$200

The utility allowance for a 2-bedroom unit equals \$100

The prorata share of the utility allowance is \$150 ($\frac{3}{4}$ of \$200)

The PHA will use the 2-bedroom utility allowance of \$100.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, the PHA should consider whether sanitary and food preparation areas are private or shared.

15-IV.C. HOUSING QUALITY STANDARDS

The PHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family:* Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.
- *Space and Security:* The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A zero-bedroom or one-bedroom unit may not be used for shared housing.

PART V: COOPERATIVE HOUSING

[24 CFR 982.619]

15-V.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-V.C. HOUSING QUALITY STANDARDS

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements.

PART VI: MANUFACTURED HOMES

[24 CFR 982.620 through 982.624; FR Notice 1/18/17]

15-VI.A. OVERVIEW

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space as well as certain other housing expenses. PHAs may, but are not required to, provide assistance for such families.

15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

15-VLC. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION [FR Notice 1/18/17]

Payment Standards

The PHA payment standard for manufactured homes is determined in accordance with 24 CFR 982.505 and is the payment standard used for the PHA's HCV program. It is based on the applicable FMR for the area in which the manufactured home space is located.

The payment standard for the family is the lower of the family unit size (voucher size) or the payment standard for the number of bedrooms in the manufactured home.

Utility Allowance

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

If the amount of the monthly assistance payment for a family exceeds the monthly rent for the manufactured home space (including the owner's monthly management and maintenance charges), the PHA may pay the remainder to the family, lender, or utility company.

Space Rent

The rent for the manufactured home space (including other eligible housing expenses) is the total of:

- The rent charged for the manufactured home space;
- Owner maintenance and management charges for the space;
- The monthly payments made by the family to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes; and
- The applicable allowance for tenant-paid utilities.

Amortization Costs

The monthly payment made by the family to amortize the cost of purchasing the manufactured home is the debt service established at the time of application to a lender for financing the purchase of the manufactured home if monthly payments are still being made. Any increase in debt service due to refinancing after purchase of the home may not be included in the amortization cost. Debt service for set-up charges incurred by a family may be included in the monthly amortization payments made by the family. In addition, set-up charges incurred before the family became an assisted family may be included in the amortization cost if monthly payments are still being made to amortize the charges.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the manufactured home space rent (including other eligible housing expenses) minus the TTP.

Rent Reasonableness

Initially, and annually thereafter the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

15-VI.D. HOUSING QUALITY STANDARDS

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

Manufactured Home Tie-Down

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

PART VII: HOMEOWNERSHIP

[24 CFR 982.625 through 982.643]

15-VII.A. OVERVIEW [24 CFR 982.625]

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. The PHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

PHA Policy

Requires that financing for purchase of a home under its HCV homeownership program complies with secondary mortgage market underwriting requirements; or complies with generally accepted private sector underwriting standards.

There are two forms of homeownership assistance described in the regulations: monthly homeownership assistance payments and single down payment assistance grants. However, PHAs may not offer down payment assistance until and unless funding is allocated by Congress. Since this has not yet happened, only monthly homeownership assistance may be offered.

PHA Policy

The PHA will offer the monthly homeownership assistance payments to qualified families.

The PHA must offer homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

15-VII.B. FAMILY ELIGIBILITY [24 CFR 982.627]

The family must meet all of the requirements listed below before the commencement of homeownership assistance. The PHA may also establish additional initial requirements as long as they are described in the PHA administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. The PHA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not the PHA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.

PHA Policy

The PHA will not establish a higher minimum income standard for families.

- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family.

PHA Policy

Families will be considered “continuously employed” if the break in employment does not exceed 2 months.

The PHA will count self-employment in a business when determining whether the family meets the employment requirement.

- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, the PHA must grant an exemption from the employment requirement if the PHA determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option.
- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership

interest in a residence at the commencement of homeownership assistance for the purchase of any home.

- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).

PHA Policy

The PHA will impose additional eligibility requirements. To be eligible to participate in the homeownership option, families must meet the following criteria:

The family has had no family-caused violations of HUDs Housing Quality Standards within the past year.

The family is compliant with current lease agreement. Participant must terminate their current lease in compliance with the lease agreement prior to commencement of homeownership assistance.

The family does not owe money to the Brainerd HRA or any other housing authority.

The family has not committed any serious or repeated violations of the PHA assisted lease within the past year.

15-VII.C. SELECTION OF FAMILIES [24 CFR 982.626]

Unless otherwise provided (under the homeownership option), the PHA may limit homeownership assistance to families or purposes defined by the PHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the PHA administrative plan.

If the PHA limits the number of families that may participate in the homeownership option, the PHA must establish a system by which to select families to participate.

PHA Policy

The Brainerd HRA will administer up to five (5) new homeownership units per year. The Brainerd HRA may exceed that number of units planned per year if it is necessary as a reasonable accommodation for a person with a disability. If this occurs, the PHA may reduce the number of homeownership units offered in subsequent years.

All families must meet the eligibility requirements as defined in Section 15-VII.B. of this plan.

Families will be selected according to the date and time of their application for participation in the homeownership program was submitted to the PHA.

15-VII.D. ELIGIBLE UNITS [24 CFR 982.628]

In order for a unit to be eligible, the PHA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD's "eligible housing" requirements. The unit may not be any of the following:
 - A public housing or Indian housing unit;
 - A unit receiving Section 8 project-based assistance;
 - A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
 - A college or other school dormitory;
 - On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be under construction or already exist at the time the family enters into the contract of sale.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by the PHA and by an independent inspector designated by the family.
- The unit must meet Housing Quality Standards (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.

The PHA must not approve the unit if the PHA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

15-VII.E. ADDITIONAL PHA REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]

It is the family's responsibility to find a home that meets the criteria for voucher homeownership assistance. The PHA may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by the PHA, the PHA may issue the family a voucher to lease a unit or place the family's name on the waiting list for a voucher.

PHA Policy

The family will be allowed 120 days to identify a unit and submit a sales contract to the PHA for review. The family will be allowed an additional 120 days to close on the home. PHAs may grant extensions to either of these periods for good cause. The length of the extension(s) will be determined on a case-by-case, but in no case will an extension exceed a total of 125 days. The maximum amount of time a family will be given to locate and complete the purchase of a home under the homeownership option is 365 days.

During these periods, the family will continue to receive HCV rental assistance in accordance with any active lease and HAP contract until the family vacates the rental unit for its purchased home.

All requests for extensions must be submitted in writing to the PHA prior to the expiration of the period for which the extension is being requested. The PHA will approve or disapprove the extension request within 10 business days. The family will be notified of the PHA's decision in writing.

The family will be required to report their progress on locating and purchasing a home to the PHA every 30 days until the home is purchased.

If the family cannot complete the purchase of a unit within the maximum required time frame, and is not receiving rental assistance under a HAP contract at the time the search and purchase time period expires, the family will be issued a voucher to lease a unit.

15-VII.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by the PHA. HUD suggests the following topics for the PHA-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The PHA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

The PHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the PHA offers a program of ongoing counseling for participants in the homeownership option, the PHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

If the PHA does not use a HUD-approved housing counseling agency to provide the counseling, the PHA should ensure that its counseling program is consistent with the counseling provided under HUD's Housing Counseling program.

PHA Policy

Participation in the homeownership program is contingent upon the family attending and successfully completing a homeownership education course provided by or approved by the Brainerd HRA, up to two years prior to commencement of the homeownership assistance. Verification of that successful completion of the course must be provided to the Brainerd HRA before closing on the property. Participants shall also receive appropriate credit counseling by an approved credit counseling agency in the event that the participant has credit issues that require further corrective action.

15-VII.G. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]

Home Inspections

The PHA may not commence monthly homeownership assistance payments for a family until the PHA has inspected the unit and has determined that the unit passes HQS.

PHA Policy

When the family locates a home they wish to purchase and submits a copy of their purchase offer/contract, the Brainerd HRA representative must complete a housing quality standards (HQS) inspection within 10 business days. Any items found not to meet HQS must be repaired before the unit can be determined eligible for the homeownership program. Any items found that do not comply with HQS standards must be repaired prior to commencement of homeownership assistance. Repair of such items are the seller's responsibility.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

The PHA may not require the family to use an independent inspector selected by the PHA. The independent inspector may not be a PHA employee or contractor, or other person under control of the PHA. However, the PHA may establish standards for qualification of inspectors selected by families under the homeownership option.

PHA Policy

The family must hire an independent professional inspector, whose report must be submitted to the Brainerd HRA for review. This inspector must be a member of the American Society of Home Inspectors (ASHI) or other recognized professional society, or a licensed engineer. The inspector may not be a PHA employee. The independent inspection must also be done to cover major building systems and home quality. The independent inspector is chosen and paid for by the participant.

The PHA may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with HQS.

PHA Policy

The PHA will review the professional report in a timely fashion and, based on the presence of major physical problems, may disapprove the purchase of the home.

If the PHA disapproves the purchase of a home, the family will be notified in writing of the reasons for the disapproval.

The PHA will approve the purchase of the home if the seller agrees to, and makes, the repairs within ten (10) days of closing.

Contract of Sale

Before commencement of monthly homeownership assistance payments, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

Disapproval of a Seller

In its administrative discretion, the PHA may deny approval of a seller for the same reasons a PHA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].

15-VII.H. FINANCING [24 CFR 982.632]

The PHA may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. The PHA must establish policies describing these requirements in the administrative plan.

A PHA may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

PHA Policy

Each participant is responsible for securing their own financing. As a check against predatory lending, the PHA will review the financing of each purchase transaction, including estimated closing costs. The PHA will review the loans for features, such as balloon payments, adjustable rate mortgages, and unusually high interest rates, all of which are prohibited. The PHA also will not approve "seller financing" or "owner-held" mortgages. Beyond these basic criteria, the PHA will rely on the lenders to determine that the loan will be affordable to program participants.

The mortgage the family applies for must require a minimum down payment of at least 3% of the sales price with 1% of the down payment coming from the purchaser's personal funds. The PHA will not require that the family have any more than the minimum of 1% of their own money in the transaction. However, in cases where a lender is requiring a larger amount, the family may be held to the underwriting guidelines set by their lending institution.

The PHA will approve a family's request to utilize its Family Self-Sufficiency escrow account for down payment and/or closing costs when purchasing a unit under the HCV homeownership option.

15-VII.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the PHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).

- The family must supply information to the PHA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by the PHA or HUD concerning mortgage financing or refinancing, sale or transfer of any interest in the home, or homeownership expenses.
- The family must notify the PHA before moving out of the home.
- The family must notify the PHA if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).

PHA Policy

The family must comply with the Brainerd HRA Statement of Responsibilities and Program Information.

PHA Policy

Any inspection the PHA conducts after the initial inspection will be done on an advisory basis. The family will be encouraged to make the repairs, but will not be required to do so as a condition of ongoing assistance.

15-VII.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.

15-VII.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the PHA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described elsewhere in this plan for the Housing Choice Voucher program. The payment standard for a family is the greater of (i) The payment standard as determined at the commencement of homeownership assistance for occupancy of the home, or (ii) The payment standard at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

The PHA may pay the homeownership assistance payments directly to the family, or at the PHA's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family.

PHA Policy

The Brainerd HRA's housing assistance payment will be paid directly to the family. It will be the family's responsibility to make the entire payment to the lender. The Brainerd HRA may make an exception if the family requests the payment to go directly to the lender, and this arrangement is acceptable to the mortgage company. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

PHA Policy

In order for the PHA to consider granting relief from the requirement to automatically terminate homeownership assistance 180 days following the PHA's last housing assistance payment on behalf of the family, the family must submit a request to the PHA at least 30 days prior to the date of automatic termination. The request must include an explanation of the circumstances that will cause an extreme hardship for the family (e.g., the imminent loss of income or employment) as well as documentation supporting the request. The PHA will determine on a case-by-case basis whether to grant relief from the requirement and for what period of time. In no case will the PHA postpone termination beyond an additional 90 days.

The PHA must adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief

from this requirement in those cases where automatic termination would result in extreme hardship for the family.

The PHA must adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by the PHA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

Homeownership expenses for a cooperative member may only include amounts allowed by the PHA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership

expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

PHA Policy

The PHA will allow the following homeownership expenses:

Monthly homeownership payment. This includes principal and interest on initial mortgage debt, taxes and insurance, and any mortgage insurance premium, if applicable.

Utility allowance. The PHA's utility allowance for the unit, based on the current HCV utility allowance schedule.

Monthly maintenance allowance. A monthly maintenance allowance of \$25.00.

Monthly major repair/replacement allowance. The monthly major repair/replacement allowance of \$25.00.

Monthly principal and interest on refinancing. Principal and interest on refinancing mortgages, if applicable.

15-VII.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]

Subject to the restrictions on portability included in HUD regulations and PHA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

15-VII.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

The PHA may deny permission to move to a new unit with continued voucher assistance:

- If the PHA has insufficient funding to provide continued assistance.
- In accordance with 24 CFR 982.638, regarding denial or termination of assistance. In this case, the PHA must provide written notification to the local HUD Office within 10 business days of determining it is necessary to deny moves based on insufficient funding.
- In accordance with the PHA's policy regarding number of moves within a 12-month period.

The PHA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD's designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

PHA Policy

For families participating in the homeownership option, requests to move will be approved and/or denied in accordance with PHA policies in Chapter 10.

The PHA will not require additional counseling of any families who move with continued assistance.

15-VII.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]

At any time, the PHA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

The PHA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy.

The PHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

PHA Policy

The PHA will terminate a family's homeownership assistance if the family violates any of the homeowner obligations listed in Section 1, as well as for any of the reasons listed in Section 2 of form HUD-52649, Statement of Homeowner Obligations Housing Choice Homeownership Voucher Program. The PHA will also terminate the family's homeownership assistance if the family violates any of the Brainerd HRA Statement of Family Obligations for the Housing Choice Voucher Program.

In making its decision to terminate homeownership assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Section 12-II.D. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Termination notices will be sent in accordance with the requirements and policies set forth in Section 12-II.F.

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the PHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the PHA. This part describes policies for recovery of monies that the PHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the PHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes the PHA's responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the PHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, and stalking; and maintaining the confidentiality of information obtained from victims.

PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The PHA will maintain administrative fee reserves, or unrestricted net position (UNP) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for “other housing purposes permitted by state and local law,” in accordance with 24 CFR 982.155(b)(1).

If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct the PHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires the PHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

PHA Policy

The HCV Program regulations at 24 CFR 982.152 provide that PHA administrative fees may only be used to cover costs incurred to perform PHA administrative responsibilities for the program in accordance with HUD regulations and requirements. Expenditures will not exceed the Simplified Acquisition Threshold as set by the lesser of state or federal law, per occurrence without the prior approval of the PHA’s Board of Commissioners.

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow the PHA to adapt the program to local conditions. This part discusses how the PHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

PHA Policy

Copies of the payment standard and utility allowance schedules are available for review in the PHA's offices during normal business hours.

The PHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

Establishing and updating the PHA passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]

The payment standard sets the maximum subsidy payment a family can receive from the PHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The PHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the PHA's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the PHA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

Updating Payment Standards

When HUD updates its FMRs, the PHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the PHA to make further adjustments if it determines that rent burdens for assisted families in the PHA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

PHA Policy

The PHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range" the PHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

Funding Availability: The PHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The PHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

Rent Burden of Participating Families: Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the PHA will consider increasing the payment standard. In evaluating rent burdens, the PHA will not include families renting a larger unit than their family unit size.

Quality of Units Selected: The PHA will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

Changes in Rent to Owner: The PHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

Unit Availability: The PHA will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

Lease-up Time and Success Rate: The PHA will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Effective dates of changes to payment standard amounts will be determined at time of update. The PHA will always ensure the payment standards will be within the basic range.

Exception Payment Standards [982.503(c)]

A non-SAFMR PHA may establish an exception payment standard for a zip code area of up to and including 110 percent of the SAFMR determined by HUD for that zip code area. Regardless of the level of the exception payment standard compared to the metropolitan area FMRs (MAFMRs), the PHA must send an email to SAFMRs@hud.gov to notify HUD that it has adopted an exception payment standard based on the SAFMR. A PHA that adopts an exception payment standard pursuant to this authority must apply it to the entire ZIP code area, for both its HCV, and if applicable, its PBV program. For the PBV program, this means that the rent to owner may not exceed the new exception payment standard amount, provided the rent is still reasonable. A PHA that adopts an exception payment standard area must revise its briefing materials to make families aware of the exception payment standard and the area that it covers..

Voluntary Use of Small Area FMRs [24 CFR 982.503, Notice PIH 2018-01]

PHAs that administer vouchers in a metropolitan area where the adoption of SAFMRs (SAFMRs) is not required may request approval from HUD to voluntarily adopt SAFMRs. SAFMRs may be voluntarily adopted for one or more zip code areas.

PHA Policy

The PHA will not voluntarily adopt the use of SAFMRs except to establish exception payment standards in certain zip code areas.

Unit-by-Unit Exceptions [24 CFR 982.503(b), 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to the PHA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA's payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size [24 CFR 982.503(b)]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR.

PHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the PHA must determine that:

There is a shortage of affordable units that would be appropriate for the family;

The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and

The rent for the unit is reasonable.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, the PHA may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the PHA to set its payment standards at 90-110 percent of a higher FMR (the 50th, rather than the 40th percentile FMR). To support the request, the PHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- The PHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The PHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the PHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the PHA's jurisdiction within the FMR area.

Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]

The PHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

Air Conditioning

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

PHA Policy

The PHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before the PHA will apply this allowance to a family's rent and subsidy calculations.

Reasonable Accommodation

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed (See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

Utility Allowance Revisions

The PHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

The PHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

Both applicants and participants have the right to disagree with, and appeal, certain decisions of the PHA that may adversely affect them. PHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of PHA decisions is called the “informal review.” For participants (or applicants denied admission because of citizenship issues), the appeal process is called an “informal hearing.” PHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [*Federal Register* 60, no. 127 (3 July 1995): 34690].

Decisions Subject to Informal Review [24 CFR 982.554(a) and (c)]

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- A determination of the family unit size under the PHA subsidy standards
- A PHA determination not to approve an extension of a voucher term
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with the HQS due to family size or composition

PHA Policy

The PHA will only offer participants the opportunity for an informal hearing when required to by regulation.

Notice to the Applicant [24 CFR 982.554(a)]

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

PHA Policy

A request for an informal review must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA's denial of assistance.

The PHA must schedule and send written notice of the informal review within 10 business days of the family's request.

If the informal review will be conducted remotely, at the time the PHA notifies the family of the informal review, the family will be informed:

Regarding the processes to conduct a remote informal review;

That, if needed, the PHA will provide technical assistance prior to and during the informal review; and

That if the family or any individual witness has any technological, resource, or accessibility barriers preventing them from fully accessing the remote informal review, the family may inform the PHA and the PHA will assist the family in either resolving the issues or allow the family to participate in an in-person informal review, as appropriate.

Informal Review Procedures [24 CFR 982.554(b)]

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

Remote Informal Reviews [Notice PIH 2020-32]

There is no requirement that informal reviews be conducted in-person and, as such, HUD allows PHAs to conduct all or a portion of their informal review remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal reviews, applicants may still request an in-person informal review, as applicable.

PHA Policy

The PHA has the sole discretion to require that informal reviews be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the PHA will conduct an informal review remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have child care or transportation that would enable them to attend the informal review, or if the applicant believes an in-person informal review would create an undue health risk. The PHA will consider other reasonable requests for a remote informal review on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal reviews, the platform for conducting remote informal reviews must be accessible to persons with disabilities and the informal review must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal review process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal review is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual his or her inability to participate in the remote informal review, and the PHA should consider whether postponing the remote informal review to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal reviews, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal reviews.

Conducting Remote Informal Reviews

The PHA must ensure that the lack of technology or inability to use technology for remote informal reviews does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal review and, if the family does not have the proper technology to fully participate, either postpone the informal review or provide an alternative means of access.

As with in-person informal reviews, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal review. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA must ensure that the applicant has the right to hear and be heard. All PHA policies and processes for remote informal reviews must be conducted in accordance with due process requirements and be in compliance with HUD regulations at 24 CFR 982.554 and guidance specified in Notice PIH 2020-32.

PHA Policy

The PHA will conduct remote informal reviews via a video conferencing platform, when available. If, after attempting to resolve any barriers, applicants are unable to adequately access the video conferencing platform at any point, or upon applicant request, the informal review will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal review will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote review, the PHA will provide the family with login information and/or conferencing call-in information and an electronic and/or physical copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify the PHA of any known barriers. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

If the informal review is to be conducted remotely, the PHA will require the family to provide any documents directly relevant to the informal review at least 24 hours before the scheduled review through the mail, via email, or text. The PHA will scan and email copies of these documents to the PHA representative the same day.

Documents will be shared electronically whenever possible.

The PHA will follow up the email with a phone call and/or email to the applicant at least one business day prior to the remote informal review to ensure that the applicant received all information and is comfortable accessing the video conferencing or call-in platform.

The PHA will ensure that all electronic information stored or transmitted with respect to the informal review is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Review Decision [24 CFR 982.554(b)]

The PHA must notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

PHA Policy

In rendering a decision, the PHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice to the family.

The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed.

Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- Establishment of the PHA schedule of utility allowances for families in the program
- A PHA determination not to approve an extension or suspension of a voucher term
- A PHA determination not to approve a unit or tenancy
- A PHA determination that a unit selected by the applicant is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with HQS because of family size
- A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

PHA Policy

The PHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

Remote Informal Hearings

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

PHA Policy

The PHA has the sole discretion to require that informal hearings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

In addition, the PHA will conduct an informal hearing remotely upon request as a reasonable accommodation for a person with a disability, if a participant does not have child care or transportation that would enable them to attend the informal hearing, or if the participant believes an in-person hearing would create an undue health risk. The PHA will consider other reasonable requests for a remote informal hearing on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal hearing process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal hearings is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual his or her inability to participate in the remote informal hearing, and the PHA should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.

Conducting Informal Hearings Remotely

The PHA must ensure that the lack of technology or inability to use technology for remote informal hearings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA should determine through a survey or other means if these barriers exist prior to conducting the remote informal hearing and, if the family does not have the proper technology to fully participate, either postpone the informal hearing or provide an alternative means of access.

As with in-person informal hearings, the PHA must provide all materials presented, whether paper or electronic, to the family prior to the remote informal hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

The PHA's essential responsibility is to ensure informal hearings meet the requirements of due process and comply with HUD regulations. Therefore, all PHA policies and processes for remote informal hearings will be conducted in accordance with due process requirements, and will be in compliance with HUD regulations at 24 CFR 982.555 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

PHA Policy

The PHA will conduct remote informal hearings via a video conferencing platform, when available. If, after attempting to resolve any barriers, participants are unable to adequately access the video conferencing platform at any point, or upon request, the informal hearing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote informal hearing will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote hearing, the PHA will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify the PHA of any known barriers. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

The PHA will follow up with a phone call and/or email to the family at least one business day prior to the remote informal hearing to ensure that the family received all information and is comfortable accessing the video conferencing or call-in platform.

The PHA will ensure that all electronic information stored or transmitted with respect to the informal hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

Informal Hearing Procedures

Notice to the Family [24 CFR 982.555(c)]

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the PHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

PHA Policy

In cases where the PHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the PHA.

- A brief statement of the reasons for the decision, including the regulatory reference.

- The date the proposed action will take place.

- A statement of the family's right to an explanation of the basis for the PHA's decision.

- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

- A deadline for the family to request the informal hearing.

- To whom the hearing request should be addressed.

- A copy of the PHA's hearing procedures.

- That the family may request a remote informal hearing

If the PHA will require that the hearing be conducted remotely, at the time the notice is sent to the family informing them of the right to request an informal hearing, the family will be notified that the informal hearing will be conducted remotely. The family will be informed of the processes involved in a remote informal hearing and that the PHA will provide technical assistance, if needed, before the informal hearing.

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

PHA Policy

A request for an informal hearing must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA's decision or notice to terminate assistance.

The PHA must schedule and send written notice of the informal hearing to the family within 10 business days of the family's request.

If the PHA hearing will be conducted remotely, at the time the notice is sent to the family, the family will be notified:

Regarding the processes involved in a remote informal hearing;

That the PHA will provide technical assistance prior to and during the informal hearing, if needed; and

That if the family or any individual witness has any technological, resource, or accessibility barriers, the family may inform the PHA and the PHA will assist the family in either resolving the issue or allow the family to participate in an in-person hearing, as appropriate.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the PHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear within 20 minutes of the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities. If the family cannot show good cause for the failure to appear, or a rescheduling is not needed as a reasonable accommodation, the PHA's decision will stand.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

PHA Policy

The family will be allowed to copy any documents related to the hearing at no cost to the family. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date.

If the hearing will be conducted remotely, the PHA will compile a hearing packet, consisting of all documents the PHA intends to produce at the informal hearing. The PHA will mail copies of the hearing packet to the family, the family's representatives, if any, and the hearing officer at least three days before the scheduled remote informal hearing. The original hearing packet will be in the possession of the PHA representative and retained by the PHA.

Documents will be shared electronically whenever possible.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

PHA Policy

For in-person hearings, the PHA will not require pre-hearing discovery by the PHA of family documents directly relevant to the hearing.

If the informal hearing is to be conducted remotely, the PHA will require the family to provide any documents directly relevant to the informal hearing at least 24 hours before the scheduled hearing through the mail, via email, or text. The PHA will scan and email copies of these documents to the hearing officer and the PHA representative the same day.

Documents will be shared electronically whenever possible.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

Recording of the Hearing

PHA Policy

The PHA does not allow recording the informal hearing.

Attendance at the Informal Hearing

PHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

A PHA representative(s) and any witnesses for the PHA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by the PHA as a reasonable accommodation for a person with a disability

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA's hearing procedures [24 CFR 982.555(4)(ii)].

PHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

PHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

Real evidence: A tangible item relating directly to the case.

Hearsay Evidence is evidence based not on a witness' personal knowledge. In and of itself, hearsay evidence carries no weight when making a finding of fact. The hearing officer may include hearsay evidence when considering their decision if it is corroborated by other evidence. Even though hearsay evidence is generally admissible in a hearing, the hearing officer will not base a hearing decision on hearsay alone unless there is clear probative value and credibility of the evidence, and the party seeking the change has met the burden of proof.

If either the PHA (or the family, if required in a remote hearing) fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Procedures for Rehearing or Further Hearing

PHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

PHA Policy

In rendering a decision, the hearing officer will consider the following matters:

PHA Notice to the Family: The hearing officer will determine if the reasons for the PHA's decision are factually stated in the Notice.

Discovery: The hearing officer will determine if the PHA and the family were given the opportunity to examine any relevant documents in accordance with PHA policy.

PHA Evidence to Support the PHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA's conclusion.

Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 10 business days after the hearing. The report will contain the following information:

Hearing information:

- Name of the participant;
- Date, time and place of the hearing;
- Name of the hearing officer;
- Name of the PHA representative; and
- Name of family representative (if any).

Background: A brief, impartial statement of the reason for the hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA's decision.

Order: The hearing report will include a statement of whether the PHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct the PHA to restore the participant's program status.

Issuance of Decision [24 CFR 982.555(e)(6)]

A copy of the hearing must be furnished promptly to the family.

PHA Policy

The hearing officer will mail a "Notice of Hearing Decision" to the PHA and to the participant on the same day. This notice will be sent by first-class mail. The participant will be mailed the original "Notice of Hearing Decision" and a copy of the proof of mailing. A copy of the "Notice of Hearing Decision" will be maintained in the PHA's file.

Effect of Final Decision [24 CFR 982.555(f)]

The PHA is not bound by the decision of the hearing officer for matters in which the PHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If the PHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the PHA must promptly notify the family of the determination and the reason for the determination.

PHA Policy

The Executive Director has the authority to determine that the PHA is not bound by the decision of the hearing officer because the PHA was not required to provide a hearing, the decision exceeded the authority of the hearing officer, the decision conflicted with or contradicted HUD regulations, requirements, or the decision was otherwise contrary to federal, state, or local laws.

In such a case, the PHA will mail a "Notice of Final Decision" to the PHA and the participant on the same day. The "Notice of Final Decision" will be sent by first-class mail. A copy of this notice will be maintained in the PHA's file.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

PHA Policy

The PHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

PHA Policy

The PHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

PHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. Upon request, the PHA will provide competent interpretation services, free of charge.

Recording of the Hearing

PHA Policy

The PHA does not allow recording the informal hearing.

Hearing Decision

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

PART IV: OWNER OR FAMILY DEBTS TO THE PHA

16-IV.A. OVERVIEW

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. This part describes the PHA's policies for recovery of monies owed to the PHA by families or owners.

PHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the PHA holds the owner or participant liable to return any overpayments to the PHA.

The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to the PHA, the PHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

16-IV.B. REPAYMENT POLICY

Owner Debts to the PHA

PHA Policy

Any amount due to the PHA by an owner must be repaid by the owner within 30 days of the PHA determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the PHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments the PHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the PHA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will ban the owner from future participation in the program and pursue other modes of collection.

Family Debts to the PHA

PHA Policy

Any amount owed to the PHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the PHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.

Repayment Agreement [24 CFR 792.103]

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

General Repayment Agreement Guidelines for Families

Down Payment Requirement

PHA Policy

Before executing a repayment agreement with a family, the PHA will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to the PHA that a down payment of 10 percent would impose an undue hardship, the PHA may, in its sole discretion, require a lesser percentage or waive the requirement.

Payment Thresholds

Notice PIH 2017-12 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 per cent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2017-12 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

PHA Policy

The PHA has established the following thresholds for repayment of debts:

Amounts between \$3,000 and the federal or state threshold for criminal prosecution must be repaid within 36 months.

Amounts between \$2,000 and \$2,999 must be repaid within 30 months.

Amounts between \$1,000 and \$1,999 must be repaid within 24 months.

Amounts under \$1,000 must be repaid within 12 months.

If a family can provide evidence satisfactory to the PHA that the threshold applicable to the family’s debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

The amount owed by the family to the PHA

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control

The family’s current and potential income and expenses

The family’s current family share, as calculated under 24 CFR 982.515

The family’s history of meeting its financial responsibilities

Execution of the Agreement

PHA Policy

Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/cohead (if applicable).

Due Dates

PHA Policy

All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.

Late or Missed Payments

PHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family 10 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate assistance in accordance with the policies in Chapter 12.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and the PHA will terminate assistance in accordance with the policies in Chapter 12.

No Offer of Repayment Agreement

PHA Policy

The PHA generally will not enter into a repayment agreement with a family under the following conditions:

The family is already under an existing repayment agreement with the PHA.

The PHA determines that the family's debt is a result of program abuse or fraud (as defined in Chapter 14 of this plan).

If the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

Repayment Agreements Involving Improper Payments

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA executive director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA’s SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of the PHA’s SEMAP certification, HUD will rate the PHA’s performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The PHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the PHA's certification on the indicator due to the PHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized.

- Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
- Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158]

During the term of each assisted lease, and for at least three years thereafter, the PHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the PHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

The PHA must keep confidential records of all emergency transfer requested by victims of domestic violence, dating violence, sexual assault, and stalking under the PHA's Emergency Transfer Plan, as well as the outcomes of such requests, and retain the records for a period of three years [24 CFR 5.2002(e)(12)].

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

- **16-VI.C. RECORDS MANAGEMENT**

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

PHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.

PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

PHA Policy

Prior to utilizing HUD's EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, or stalking, see section 16-IX.E.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

The PHA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the PHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]

The owner must report the name and address of a child identified as having an elevated blood lead level to the public health department within five business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days. The PHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner's behalf.

PHA Policy

Upon notification by the owner, the PHA will provide the public health department written notice of the name and address of any child identified as having an elevated blood lead level within five business days.

Upon notification by the owner, the PHA will notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the PHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an elevated blood lead level.

If the PHA obtains names and addresses of elevated blood lead level children from the public health department(s), the PHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the PHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the PHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

PHA Policy

The public health department(s) has stated they **do not** wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, the PHA is not providing such a report.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the PHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact the PHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology the PHA will use to determine whether or not the PHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

PHA Policy

The PHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the PHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the PHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if the PHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the PHA will be considered to have insufficient funding.

PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. OVERVIEW

The Violence against Women Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-II.E, “Terminations Related to Domestic Violence, Dating Violence, or Stalking”; and 12-II.F, “Termination Notice.”

16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]

As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

- The term *affiliated individual* means, with respect to a person:
 - A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
 - Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.
- The term *sexual assault* means:
 - Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent
- The term *stalking* means:
 - To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

PHA Policy

The PHA will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

A notice of occupancy rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)

A copy of the PHA's emergency transfer plan (Exhibit 16-3)

A copy of HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

PHA Policy

The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance, as part of the written briefing packet, and at the time the family is admitted to the program. The PHA will also include information about VAWA in all notices of denial of assistance (see section 3-III.G).

The PHA will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination. The PHA will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

PHA Policy

Whenever the PHA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the PHA may decide not to send mail regarding VAWA protections to the victim's unit if the PHA believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, the PHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

Notification to Owners and Managers

While PHAs are no longer required by regulation to notify owners and managers participating in the HCV program of their rights and obligations under VAWA, the PHA may still choose to inform them.

PHA Policy

The PHA will provide owners and managers with information about their rights and obligations under VAWA when they begin their participation in the program and at least annually thereafter.

The VAWA information provided to owners will consist of the notice in Exhibit 16-5 and a copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, and Stalking and Alternate Documentation.

16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [VAWA final rule].

PHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the PHA will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by the PHA will be in writing.

Once the victim provides documentation, the PHA will acknowledge receipt of the documentation within 10 business days.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the PHA. Individuals have 30 calendar days to return third-party verification to the PHA. If the PHA does not receive third-party documentation, and the PHA will deny or terminate assistance as a result, the PHA must hold separate hearings for the tenants [Notice PIH 2017-08].

The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

PHA Policy

If presented with conflicting certification documents from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, the PHA will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If the PHA does not receive third-party documentation within the required timeframe (and any extensions) the PHA will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, the PHA will hold separate hearings for the applicants or tenants.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The PHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

PHA Policy

If the PHA accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault or stalking, the PHA will document acceptance of the statement or evidence in the individual's file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the PHA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

PHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

EXHIBIT 16-1: SAMPLE NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380
--

[Insert Name of Housing Provider]

Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.² The U.S. Department of Housing and Urban Development (HUD) is the federal agency that oversees that the housing choice voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

Protections for Applicants

If you otherwise qualify for assistance under the housing choice voucher program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the housing choice voucher program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the housing choice voucher program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Removing the Abuser or Perpetrator from the Household

The PHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the PHA chooses to remove the abuser or perpetrator, the PHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the PHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the PHA must follow federal, state, and local eviction procedures. In order to divide a lease, the PHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the PHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the PHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- 1. You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

- 2. You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

- 3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

The PHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The PHA's emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

The PHA can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the PHA must be in writing, and the PHA must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The PHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the PHA as documentation. It is your choice which of the following to submit if the PHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the PHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that the PHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the PHA does not have to provide you with the protections contained in this notice.

If the PHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the PHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the PHA does not have to provide you with the protections contained in this notice.

Confidentiality

The PHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The PHA must not allow any individual administering assistance or other services on behalf of the PHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The PHA must not enter your information into any shared database or disclose your information to any other entity or individual. The PHA, however, may disclose the information provided if:

- You give written permission to the PHA to release the information on a time limited basis.
- The PHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the PHA or your landlord to release the information.

VAWA does not limit the PHA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the PHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the PHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the PHA can demonstrate the above, the PHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking
Housing Choice Voucher Program**

Emergency Transfers

The PHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),³ the PHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.⁴ The ability of the PHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **public housing and housing choice voucher (HCV) programs** are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

³Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

⁴Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the PHA's management office and submit a written request for a transfer to **any PHA office**. The PHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

The PHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the PHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA
- **[Insert other programs the PHA provides, such as LIHTC or HOME]**

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at: <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at: <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

SEXUAL ASSAULT, OR STALKING**

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

Submission of Documentation: If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

MODEL OWNER NOTIFICATION OF RIGHTS AND OBLIGATIONS

[Insert Name of Housing Provider]

NOTIFICATION OF YOUR RIGHTS AND OBLIGATIONS

UNDER THE VIOLENCE AGAINST WOMEN ACT (VAWA)

VAWA provides protections for Section 8 Housing Choice Voucher (HCV) and PBV applicants, tenants, and participants from being denied assistance on the basis or as a direct result of being a victim of domestic violence, dating violence, sexual assault and stalking.

Purpose

Many of VAWA's protections to victims of domestic violence, dating violence, sexual assault and stalking involve action by the public housing agency (PHA), but some situations involve action by owners of assisted housing. The purpose of this notice (herein called "Notice") is to explain your rights and obligations under VAWA, as an owner of housing assisted through [insert name of housing provider] HCV program. Each component of this Notice also provides citations to HUD's applicable regulations.

Denial of Tenancy

Protections for applicants: Owners cannot deny tenancy based on the applicant having been or currently being a victim of domestic violence, dating violence, sexual assault, or stalking. However, the applicant must be otherwise eligible for tenancy. (See 24 Code of Federal Regulations (CFR) 982.452(b)(1).)

Eviction

Protections for HCV participants: Incidents or threats of domestic violence, dating violence, sexual assault, or stalking will not be considered a serious or repeated lease violation by the victim, or good cause to terminate the tenancy of the victim (24 CFR 5.2005(c)). Protection also applies to criminal activity related directly to domestic violence, dating violence, sexual assault, or stalking, conducted by a member of a tenant's household or any guest or other person under the tenant's control, if the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, or stalking (24 CFR 5.2005(b)(2)).

Limitations of VAWA protections:

a. Nothing in the VAWA Final Rule limits the authority of an owner, when notified of a court order, to comply with a court order with respect to (24 CFR 5.2005(d)(1)):

- 1) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or
- 2) The distribution or possession of property among members of a household in a case.

b. Nothing in the VAWA Final Rule limits an owner from evicting a victim of domestic violence, dating violence, sexual assault, or stalking for a lease violation that is not premised on an act of domestic violence, dating violence, sexual assault, or stalking, as long as the owner does not subject the victim to more demanding standards than other tenants when deciding whether to evict. (See 24 CFR 5.2005(d)(2).)

c. Nothing in the VAWA Final Rule limits an owner from evicting a tenant (including the victim of domestic violence, dating violence, sexual assault, or stalking) if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to the HCV property would be present if the tenant or lawful occupant is not evicted. (See 24 CFR 5.2005(d)(3).)

- i. In this context, words, gestures, actions, or other indicators will be considered an “actual and imminent threat” if they meet the following standards: An actual and imminent threat consists of a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. (See 24 CFR 5.2003.)
- ii. Any eviction due to “actual and imminent threat” should be utilized by an owner only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. (See 24 CFR 5.2005(d)(4).)

Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

If an applicant or tenant requests VAWA protection based on status as a victim of domestic violence, dating violence, sexual assault, or stalking, the owner has the option to request that the victim document or provide written evidence to demonstrate that the violence occurred. However, nothing in HUD’s regulation requires a covered housing provider to request this documentation. (See 24 CFR 5.2007(b)(3).)

If the owner chooses to request this documentation, the owner must make such request in writing. The individual may satisfy this request by providing any one document type listed under 24 CFR 5.2007(b)(1):

- a. Form HUD-55383 (Self-Certification Form); or
- b. A document: 1) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, “professional”) from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse:
 - 2) Signed by the applicant or tenant; and
 - 3) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under 24 CFR part 5, subpart L, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under 24 CFR 5.2003; or
- c. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- d. At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

The owner must accept any of the above items (a – c). The owner has discretion to accept a statement or other evidence (d).

The owner is prohibited from requiring third-party documentation of the domestic violence, dating violence, sexual assault, or stalking, unless the submitted documentation contains conflicting information.

If the owner makes a written request for documentation, the owner may require submission of that documentation within 14 business days after the date that the individual received the written request for documentation. (24 CFR 5.2007(a)(2)). The owner may extend this time period at its discretion. During the 14 business day period and any granted extensions of that time, no adverse actions, such as evictions or terminations, can be taken against the individual requesting VAWA protection.

Once a victim provides documentation of domestic violence, dating violence, sexual assault, or stalking, the owner is encouraged to acknowledge receipt of the documentation in a timely manner.

If the applicant or tenant fails to provide documentation that meets the criteria in 24 CFR 5.2007 within 14 business days after receiving the written request for that documentation or within the designated extension period, nothing in VAWA Final Rule may be construed to limit the authority of the covered housing provider to:

- a. Deny admission by the applicant or tenant to the housing or program;
- b. Deny assistance under the covered housing program to the applicant or tenant;
- c. Terminate the participation of the tenant in the covered housing program; or
- d. Evict the tenant, or a lawful occupant that commits a violation of a lease.

An individual's failure to timely provide documentation of domestic violence, dating violence, sexual assault, or stalking does not result in a waiver of the individual's right to challenge the denial of assistance or termination, nor does it preclude the individual's ability to raise an incident of domestic violence, dating violence, sexual assault, or stalking at eviction or termination proceedings.

Moves

A victim of domestic violence, dating violence, sexual assault, or stalking may move in violation of their lease if the move is required to protect their safety. If a move results in the termination of the Housing Assistance Payment Contract, the lease is automatically terminated.

Lease Bifurcation

Owners may choose to bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual. (See 24 CFR 5.2009(a).) If an owner chooses to bifurcate the lease, the owner must comply with the reasonable time to establish eligibility under the covered housing program or find alternative housing following lease bifurcation provision in 24 CFR 5.2009(b). VAWA protections, including bifurcation, do not apply to guests or unreported members of a household or anyone else residing in a household who is not a tenant.

Eviction, removal, termination of occupancy rights, or termination of assistance must be effected in accordance with the procedures prescribed by federal, state, or local law for termination of leases.

To avoid unnecessary delay in the bifurcation process, HUD recommends that owners seek court-ordered eviction of the perpetrator pursuant to applicable laws. This process results in the underlying lease becoming null and void once the owner regains possession of the unit. The owner would then execute a new lease with the victim.

Evictions Due to “Actual and Imminent Threat” or Violations Not Premised on Abuse

The VAWA Final Rule generally prohibits eviction on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for assistance, participation or occupancy. (See 24 CFR 5.2005.)

However, the VAWA Final Rule does not prohibit an owner from evicting a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. Nor does the VAWA Final Rule prohibit an owner from evicting a tenant if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to property of the owner would be present if that tenant or lawful occupant is not evicted or terminated from assistance. (See 5.2005(d)(2) and (3).)

In order to demonstrate an actual and imminent threat to other tenants or employees at the property, the covered housing provider must have objective evidence of words, gestures, actions, or other indicators that meet the standards in the following definition:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk;
- The nature and severity of the potential harm;
- The likelihood that the potential harm will occur; and
- The length of time before the potential harm would occur.

(See 24 CFR 5.2003 and 5.2005(d)(2).)

Confidentiality

Any information submitted to a covered housing provider under 24 CFR 5.2007, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, must be maintained in strict confidence by the covered housing provider. (See 24 CFR 5.2007(c).)

Employees of the owner (or those within their employ, e.g., contractors) must not have access to the information unless explicitly authorized by the owner for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law (e.g., the information is needed by an employee to provide the VAWA protections to the victim).

The owner must not enter this information into any shared database, or disclose this information to any other entity or individual, except to the extent that disclosure is:

- a. Requested or consented to in writing by the individual (victim) in a time-limited release;
- b. Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or
- c. Otherwise required by applicable law.

When communicating with the victim, owners must take precautions to ensure compliance with these confidentiality requirements.

Definitions

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means:

- (1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
- (2) Any individual, tenant, or lawful occupant living in the household of that individual.

Bifurcate means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Dating violence means violence committed by a person:

- (1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - (i) The length of the relationship;
 - (ii) The type of relationship; and
 - (iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. The term "spouse or intimate partner of the victim" includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- (1) Fear for the person's individual safety or the safety of others; or
- (2) Suffer substantial emotional distress.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e et seq.).

SPECIAL PURPOSE VOUCHERS

INTRODUCTION

Special purpose vouchers are specifically funded by Congress in separate appropriations from regular HCV program funding in order to target specific populations. Special purpose vouchers include vouchers for the following programs:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)

PHA Policy

- The PHA will administer the following types of special purpose vouchers: **Foster Youth to Independence (FYI) program**

This chapter describes HUD regulations and PHA policies for administering special purpose vouchers. The policies outlined in this chapter are organized into five sections, as follows:

Part I: Family Unification Program (FUP)

Part II: Foster Youth to Independence (FYI) program

Part III: Veterans Affairs Supportive Housing (VASH)

Part IV: Mainstream voucher program

Part V: Non-Elderly Disabled (NED) vouchers

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to special purpose vouchers.

PART I: FAMILY UNIFICATION PROGRAM (FUP)

19-I.A. PROGRAM OVERVIEW [Fact Sheet, Housing Choice Voucher Program Family Unification Program (FUP)]

Overview

The Family Unification Program (FUP) was authorized by Congress in 1990 to help preserve and reunify families. PHAs that administer the program provide vouchers to two different populations—FUP families and FUP youth.

Families eligible for FUP are families for whom the lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care; or
- The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers, and the family retains their voucher as long as they are HCV-eligible. There is no requirement for the provision of supportive services for FUP family vouchers.

Youth eligible for FUP are those who:

- Are at least 18 years old and not more than 24 years of age;
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 and older; and
- Are homeless or at risk of becoming homeless.

FUP youth vouchers are limited by statute to a period between 36 and 60 months of housing assistance. Supportive services must also be provided to FUP-eligible youth by the Public Child Welfare Agency (PCWA) or by another agency or organization under contract with the PCWA for the period of time defined in the notice or Notice of Funding Availability/Opportunity (NOFA/O) for which funding was made available.

PHAs that wish to administer FUP vouchers must apply to HUD by submitting an application under an active Notice of Funding Opportunity (NOFO). While the FUP program is administered in accordance with HCV regulations, the FUP NOFOs issued by HUD provide specific program information and requirements.

In order to administer the program, the PHA must also form a partnership with a local PCWA who is responsible for determining the family or youth meets FUP eligibility requirements and referring them to the PHA. Once the referral is received, the PHA is responsible for placing the FUP family or youth on the PHA's waiting list and determining whether they are eligible to receive assistance under the PHA's HCV program.

Assigning Vouchers [FUP FAQs]

The PHA may, but is not required to, assign a specific number or percentage of FUP vouchers for FUP youths and FUP families. Unless the PHA assigns a specific number or percentage of FUP vouchers to a designated FUP population, the PHA must serve any referrals (youths or families) that meet all program eligibility requirements up to the PHA's designated FUP program size.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

19-I.B. PUBLIC CHILD WELFARE AGENCY (PCWA)

Families and youth do not apply directly to the PHA for FUP vouchers. They are instead referred by a PCWA with whom the PHA has entered into a Memorandum of Understanding (MOU). The partnering PCWA initially determines whether the family or youth meets the FUP program eligibility requirements listed in 19-I.C. and 19-I.D. and then refers those families or youths to the PHA.

HUD strongly encourages PHAs and PCWAs to make decisions collaboratively on the administration of the program and to maintain open and continuous communication. The PCWA must have a system for identifying FUP-eligible youth within the agency's caseload and for reviewing referrals from a Continuum of Care (COC) if applicable.

PHA Policy

The PHA has entered into an MOU with the following partnering organizations ***[insert names of public child welfare agency (PCWA), continuum of care, and any other partnering organizations]***.

Supportive Services

The PCWA must provide supportive services for the period of time defined in the notice or NOFA/O for which the funding was made available to all FUP-eligible youth regardless of their age. The MOU between the PHA and the PCWA should identify the period of time in which supportive services will be provided.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

Supportive services may be provided to FUP-eligible youth by the PCWA or by another agency or organization under agreement or contract with the PCWA, including the PHA. The organization providing the services and resources must be identified in the MOU. The following services must be offered:

- Basic life skills information or counseling on money management, use of credit, housekeeping, proper nutrition or meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance or referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FUP voucher;
- Job preparation and attainment counseling (where to look and how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED), or attendance or financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

A FUP-eligible youth cannot be required to participate in these services as condition of receipt of the FUP voucher.

19-I.C. FUP FAMILY VOUCHER ELIGIBILITY CRITERIA

FUP family assistance is reserved for eligible families that the PCWA has certified are a family for whom a lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care, or
- The delay in the discharge of the child or children to the family from out-of-home care.

Lack of adequate housing means the family meets any one of the following conditions:

- Living in substandard housing, which refers to a unit that meets any one of the following conditions:
 - Does not have operable indoor plumbing
 - Does not have a usable flush toilet inside the unit for the exclusive use of a family or youth
 - Does not have a usable bathtub or shower inside the unit for the exclusive use of a family or youth
 - Does not have electricity, or has inadequate or unsafe electrical service
 - Does not have a safe or adequate source of heat
 - Should, but does not, have a kitchen
 - Has been declared unfit for habitation by an agency or unit of government, or in its present condition otherwise endangers the health, safety, or well-being of the family or youth
 - Has one or more critical defects, or a combination of intermediate defects in sufficient number or to the extent that it requires considerable repair or rebuilding. The defects may result from original construction, from continued neglect or lack of repair, or from serious damage to the structure
- Being homeless as defined in 24 CFR 578.3
- Living in a unit where the presence of a household member with certain characteristics (i.e., conviction for certain criminal activities) would result in the imminent placement of the family's child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care
- Living in housing not accessible to the family's disabled child or children due to the nature of the disability

- Living in an overcrowded unit, which is defined as living in a unit where one of the following conditions has been met:
 - The family is separated from its child or children and the parents are living in an otherwise standard housing unit, but, after the family is reunited, the parents' housing unit would be overcrowded for the entire family and would be considered substandard; or
 - The family is living with its child or children in a unit that is overcrowded for the entire family and this overcrowded condition may result, in addition to other factors, in the imminent placement of its child or children in out-of-home care.
 - For purposes of this definition, the determination as to whether the unit is overcrowded is made in accordance with the PHA subsidy standards in Chapter 5, Part III of this policy.

Since HUD does not define *imminent placement*, the partnering PCWA may use its discretion to determine whether the potential out of home placement of the family's child or children is imminent [FUP FAQs].

19-I.D. FUP YOUTH VOUCHER ELIGIBILITY CRITERIA

While FUP family vouchers operate as regular HCVs after the family is referred from the PCWA, there are several aspects of the FUP youth vouchers that make them distinct from the FUP family vouchers and from regular HCVs.

Eligibility Criteria

A FUP-eligible youth is a youth the PCWA has certified:

- Is at least 18 years old and not more than 24 years of age (has not yet reached their 25th birthday);
 - The FUP youth must be no more than 24 years old at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Has left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
 - Foster care placement can include, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576.
- Is homeless or at risk of becoming homeless at age 16 or older;
 - *At risk of being homeless* is fully defined at 24 CFR 576.2.
 - o This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution).
 - o Therefore, youth being discharged from an institution may be eligible for a FUP voucher [FUP FAQs].
- Has an annual income at or below 30 percent of area median income; and
- Does not have sufficient resources or support networks (e.g., family, friends, faith-based or other social networks) immediately available to prevent them from moving to a supervised publicly or privately operated shelter designed to provide temporary living arrangements.

19-I.E. ASSISTANCE PERIOD [FR Notice 1/24/22]

Maximum Assistance Period

Although there is no time limit on FUP family vouchers, FUP youth vouchers are limited by statute. Unless the FUP youth meets an exception outlined below, after 36 months of assistance, the FUP youth voucher must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the 36-month limitation.

If the FUP youth does meet the requirements outlined below, the statutory limit on FUP assistance is a total of 60 months of FUP voucher assistance [FR Notice 1/24/22].

Extension of Assistance

FUP youth who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FUP youth cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FUP youth must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

A FUP youth will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the PHA's FSS program if they certify that they meet one of the exceptions below:

- The FUP youth is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

- The FUP youth is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

- The FUP youth is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

A FUP youth that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FUP youth. A FUP youth may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FUP youth an FSS slot during their first 36 months of receiving FUP youth assistance, the youth is considered to have been “unable to enroll” in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The youth was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

- The youth was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

PHA Policy

- The PHA does not administer any FUP special purpose vouchers.
- The youth was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102). The term *career pathway* means a combination of rigorous and high-quality education, training, and other services that:
 - Aligns with the skill needs of industries in the economy of the state or regional economy involved;
 - Prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the “National Apprenticeship Act”; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an *apprenticeship*, except in section 3226 of this title);
 - Includes counseling to support an individual in achieving the individual’s education and career goals;
 - Includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster;
 - Organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;
 - Enables an individual to attain a secondary school diploma or its recognized equivalent, and at least one recognized postsecondary credential; and
 - Helps an individual enter or advance within a specific occupation or occupational cluster.
- The youth was employed.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

FSS Enrollment at 24 Months

If the FUP youth has not been provided an opportunity to enroll in the FSS program during the first 24 months of FUP assistance, HUD encourages the PHA to remind the youth at the 24-month reexamination of the education, workforce development, and employment requirements described above so that the youth has enough time to meet these requirements prior to the expiration of the 36-month time period for FUP assistance.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to a FUP youth who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the youth previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the youth to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the youth is engaged in and any statutory exceptions that apply to the youth, as well as the remaining time on their voucher.
- If the FUP youth accepts the FSS slot, the PHA must work with the youth to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FUP youth is offered an FSS slot prior to the 36-month mark, the youth:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).
- Will not be considered to have been “unable to enroll” in the FSS program as described above, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required to, offer a FUP youth an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the youth will have already received their second and final extension.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FUP youth assistance if the youth is participating in and in compliance with the FSS program as long as the youth is still eligible for the HCV program.

In any case, the FUP youth cannot receive more than a total of 60 months of FUP youth voucher assistance, even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FUP youth has been unable to enroll in the program during the first 36 months of receiving FUP assistance, the FUP youth is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the youth engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the youth may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FUP youth written notification informing them that they may receive an extension of their FUP assistance and providing instructions on how the youth may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FUP youth to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FUP assistance.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

The PHA will use the following verification methods to verify a FUP youth's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the PHA will examine its records to confirm, or obtain confirmation from the PHA's FSS program staff, that the FUP youth participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the PHA will verify that the FUP youth was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of 36-month or 48-month time period, as applicable.

Due to the timing of when the PHA verifies compliance and conducts the annual reexamination, the FUP youth may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FUP/FYI youth will still be considered to have met the requirements.

In order for the FUP youth to meet one of the statutory exceptions described above, the youth must submit a certification to the PHA that they meet one of these exceptions. This certification is the only documentation that the FUP youth must submit in order to demonstrate that they meet one of the statutory exceptions.

A FUP youth who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FUP youth may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the youth meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the youth is still eligible for the HCV program, the PHA must provide the FUP youth the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FUP youth to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FUP assistance prior to the annual reexam.

If the FUP youth does not meet any of the conditions described in in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FUP youth voucher must be terminated once the youth reaches this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the youth entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the youth, not the number of months that the youth is in the FUP youth program. Prior to termination, the PHA must offer the FUP youth the opportunity to request an informal hearing, in accordance with Chapter 16.

19-I.F. REFERRALS AND WAITING LIST MANAGEMENT

Referrals

The PCWA must establish and implement a system to identify FUP-eligible families and youths within the agency's caseload and make referrals to the PHA. The PCWA must certify that the FUP applicants they refer to the PHA meet FUP eligibility requirements. The PHA is not required to maintain full documentation that demonstrates the family's or youth's FUP eligibility as determined by the PCWA but should keep the referral or certification from the PCWA.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

A PHA must serve any referrals (youths or families) that meet all program eligibility requirements. If a PHA determines that it has received a sufficient number of referrals from the PCWA so that the PHA will be able to lease all FUP vouchers awarded, the PHA may request that the PCWA suspend transmission of referrals. If the PHA determines that additional referrals will be needed after it has made such a request, the PHA may request that the PCWA resume transmission of referrals [Notice PIH 2011-52].

Waiting List Placement

A family that is already participating in the regular HCV program cannot be transferred to a FUP voucher.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new FUP applicants. If necessary, the PHA may open its waiting list solely for FUP applicants, but this information must be included in the PHA's notice of opening its waiting list (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

Waiting List Selection

The PHA selects FUP-eligible families or youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

19-I.G. PHA HCV ELIGIBILITY DETERMINATION

Once a FUP-eligible family or youth is selected from the HCV waiting list, the PHA must determine whether the family or youth meets HCV program eligibility requirements. Applicants must be eligible under both FUP family or youth eligibility requirements, as applicable, and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the family's criminal history.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

Additional FUP Eligibility Factors [FUP FAQs]

For FUP family vouchers, the family must remain FUP-eligible through lease-up.

- If, after a family is referred by the PCWA but prior to issuing a family FUP voucher, the PHA discovers that the lack of adequate housing is no longer a primary factor for the family not reunifying, the FUP voucher may not be issued to the family.
- Similarly, if the FUP voucher has already been issued before the PHA discovers that the reunification will not happen, but the family has not yet leased up under the voucher, the PHA must not execute the HAP contract, as the family is no longer FUP-eligible.

FUP-eligible youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a FUP youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FUP youth voucher.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

19.I.H. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the family or youth will be issued a FUP voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FUP youth of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- Supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FUP youth assistance.

PHA Policy

Eligible applicants will be notified by the PHA in writing following policies in Section 3-III.F. of this administrative plan. FUP families will attend a standard HCV briefing in accordance with PHA policies in Part I of Chapter 5 of this administrative plan. FUP youth will be briefed individually. The PHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5 but will also provide an explanation of the required items listed above, as well as discussing supportive services offered by the PCWA.

For both FUP youth and FUP families, vouchers will be issued in accordance with PHA policies in Chapter 5 Part II, except that the PHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the family or youth locate a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA's policies (including, but not limited to: HQS inspection, determination of rent reasonableness, etc.).

19-I.I. TERMINATION OF ASSISTANCE

General Requirements

With the exception of terminations of assistance for FUP youth after the statutorily required time period, terminations of FUP assistance are handled in the same way as the regular HCV program. Termination of a FUP voucher must be consistent with regulations for termination in 24 CFR Part 982, Subpart L and be in compliance with PHA policies (Chapter 12).

If the person who qualifies for the FUP voucher passes away, the family retains the FUP voucher. In the case of a FUP-youth voucher, assistance will terminate after the statutorily required time period, even if the FUP-eligible youth is no longer included in the household.

If the person who qualifies for the FUP voucher moves, the remaining family members may keep the FUP voucher based on PHA policy (see administrative plan, Section 3-I.C., Family Breakup and Remaining Member of Tenant Family).

FUP Family Vouchers

If parents lose their parental rights or are separated from their children after voucher lease-up (or their children reach adulthood), the family is still eligible to keep their FUP assistance, as the regulations do not permit HCV termination for a family losing parental rights or the children reaching adulthood. However, the PHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

FUP Youth Vouchers

A PHA cannot terminate a FUP youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FUP youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of a FUP youth voucher holder to regular HCV assistance upon the expiration of the statutorily required time period. However, the PHA may issue a regular HCV to FUP youth if they were selected from the waiting list in accordance with PHA policies and may also adopt a preference for FUP youth voucher holders who are being terminated for this reason.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

Upon the expiration of the statutorily required time period, a FUP youth voucher holder who has children and who lacks adequate housing may qualify for a FUP family voucher provided they are referred by the PCWA as an eligible family and meet the eligibility requirements for the PHA's HCV program.

9-I.J. FUP PORTABILITY

Portability for a FUP family or youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for a FUP family or youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

A FUP family or youth does not have to port to a jurisdiction that administers FUP.

If the receiving PHA administers the FUP voucher on behalf of the initial PHA, the voucher is still considered a FUP voucher regardless of whether the receiving PHA has a FUP program.

If the receiving PHA absorbs the voucher, the receiving PHA may absorb the incoming port into its FUP program (if it has one) or into its regular HCV program (if the receiving PHA has vouchers available to do so) and the family or youth become regular HCV participants. In either case, when the receiving PHA absorbs the voucher, a FUP voucher becomes available to the initial PHA.

Considerations for FUP Youth Vouchers

If the voucher is a FUP youth voucher and remains such upon lease-up in the receiving PHA's jurisdiction, termination of assistance must still take place once the youth has received assistance for the statutorily required time period. If the receiving PHA is administering the FUP youth voucher on behalf of the initial PHA, the two PHAs must work together to initiate termination upon expiration of the statutorily required time period.

19-I.K. PROJECT-BASING FUP VOUCHERS [Notice PIH 2017-21; FR Notice 1/24/22]

The PHA may project-base FUP vouchers without HUD approval in accordance with Notice PIH 2017-21, FR Notice 1/24/22, and all statutory and regulatory requirements for the PBV program. Project-based FUP vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

The PHA may limit PBVs to one category of FUP-eligible participants (families or youth) or a combination of the two.

While FUP vouchers can be used for either families or youth, a PBV unit may only be counted towards the PHA's 10 percent exception authority under the program cap and the project's income-mixing requirement if the FUP PBV assistance is provided on behalf of an eligible youth. The PHA must amend its administrative plan to include the limitation of these FUP PBV units to eligible youth.

PHA Policy

The PHA does not administer any FUP special purpose vouchers.

PART II: FOSTER YOUTH TO INDEPENDENCE INITIATIVE

19-II.A. PROGRAM OVERVIEW [Notice PIH 2020-28; Notice PIH 2021-26; FR Notice 1/24/22]

The Foster Youth to Independence (FYI) initiative was announced in 2019. The FYI initiative allows PHAs who partner with a Public Child Welfare Agency (PCWA) to request targeted HCVs to serve eligible youth with a history of child welfare involvement that are homeless or at risk of being homeless. Rental assistance and supportive services are provided to qualified youth for a period of between 36 and 60 months.

Funding is available either competitively through an FYI NOFA or noncompetitively on a rolling basis in accordance with the application requirements outlined in Notice PIH 2020-28 or Notice PIH 2021-26, as applicable. Under the noncompetitive process, PHAs are limited to 25 vouchers in a fiscal year with the ability to request additional vouchers for those PHAs with 90 percent or greater utilization or utilization of its FUP and/or FYI vouchers, as applicable. For competitive awards, the number of vouchers is dependent on PHA program size and need.

19-II.B. PARTNERING AGENCIES [Notice PIH 2021-26; FYI Updates and Partnering Opportunities Webinar]

Public Child Welfare Agency (PCWA)

The PHA must enter into a partnership agreement with a PCWA in the PHA's jurisdiction in the form of a Memorandum of Understanding (MOU) or letter of intent. The PCWA is responsible for identifying and referring eligible youth to the PHA and providing or securing a commitment for the provision of supportive services once youth are admitted to the program.

PHA Policy

The PHA will implement a Foster Youth to Independence (FYI) program in partnership with Lutheran Social Service and Crow Wing County.

The PCWA is responsible for:

- Identifying FYI-eligible youth;
- Developing a system of prioritization based on the level of need of the youth and the appropriateness of intervention;
- Providing a written certification to the PHA that the youth is eligible; and
- Providing or securing supportive services for 36 months.

Continuum of Care (CoC) and Other Partners

HUD strongly encourages PHAs to add other partners into the partnership agreement with the PCWA such as state, local, philanthropic, faith-based organizations, and the CoC, or a CoC recipient it designates.

PHA Policy

In addition to the PCWA, the PHA will implement the FYI program in partnership with the Continuum of Care.

19-II.C. YOUTH ELIGIBILITY CRITERIA [Notice PIH 2021-26; FYI Q&As; FYI FAQs]

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. As determined by the PCWA, eligible youth:

- Are at least 18 years of age and not more than 24 years of age (have not yet reached their 25th birthday);
 - Youth must be no more than 24 years of age at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act;
 - Placements can include, but are not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576;
- Are homeless or at risk of becoming homeless at age 16 and older;
 - *At risk of being homeless* is fully defined at 24 CFR 576.2.
 - o This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution). Therefore, youth being discharged from an institution may be eligible for an FYI voucher [FYI FAQs].

Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance assuming they otherwise meet eligibility requirements.

19-II.D. SUPPORTIVE SERVICES [Notice PIH 2021-26; FYI Updates and Partnering Opportunities Webinar; FYI Q&As]

Supportive services may be provided by the PHA, PCWA or a third party. The PCWA must provide or secure a commitment to provide supportive services for participating youth for the period of time defined in the NOFA/O for which the funding was made available. At a minimum, the following supportive services must be offered:

- Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits;
- Providing such assurances to owners of rental property as are reasonable and necessary to assist eligible youth to rent a unit with a voucher;
- Job preparation and attainment counseling (where to look/how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED) or attendance/financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

PHA Policy

Additional supportive services will not be offered.

Since participation in supportive services is optional, but strongly encouraged, an FYI participant may decline supportive service.

19-II.E. REFERRALS AND WAITING LIST MANAGEMENT [Notice PIH 2021-26; FYI Updates and Partnering Opportunities Webinar FYI FAQs]

Referrals

The PCWA is responsible for certifying that the youth has prior qualifying foster care involvement. Once the PCWA sends the PHA the referral certifying the youth is program-eligible, the PHA determines HCV eligibility.

The PCWA must have a system for identifying eligible youth within the agency's caseload and reviewing referrals from other partners, as applicable. The PCWA must also have a system for prioritization of referrals to ensure that youth are prioritized for an FYI voucher based upon their level of need and appropriateness of the intervention.

Referrals may come from other organizations in the community who work with the population, but the PCWA must certify that the youth meets eligibility requirements, unless the PCWA has vested another organization with this authority.

The PHA is not required to maintain full documentation that demonstrates the youth's eligibility as determined by the PCWA but should keep the referral or certification from the PCWA. The PCWA is not required to provide the PHA with HCV eligibility documents.

PHA Policy

The PHA and PCWA have identified staff positions to serve as lead FYI liaisons. These positions will be responsible for transmission and acceptance of referrals. The PCWA must commit sufficient staff and resources to ensure eligible youths are identified, prioritized, and determined eligible in a timely manner.

When vouchers are available, the PHA liaison responsible for acceptance of referrals will contact the PCWA liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison must provide the PHA with a list of eligible referrals, a completed release form, and a written certification for each referral indicating the referral is eligible. The list will include the name, address, and contact phone number for each adult individual who is being referred.

The PHA will maintain a copy of each certification from the PCWA in the participant's file along with other eligibility paperwork.

Waiting List Placement [Notice PIH 2021-26 and FYI FAQs]

The PHA must use the HCV waiting list for the FYI program. Youth already on the HCV program may not be transferred to an FYI voucher since they are not homeless or at-risk of homelessness.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new referrals. The PHA may reopen the waiting list to accept an FYI eligible youth without opening the waiting list for other applicants; however, the requirements at 24 CFR 982.206 for giving public notice when opening and closing the waiting list apply (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

PHA Policy

Within 10 business days of receiving the referral from the PCWA, the PHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the applicant is FYI-eligible.

For those referrals not already on the waiting list, the PHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the PHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FYI-eligible.

Waiting List Selection

The PHA selects eligible youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

19-II.F. PHA HCV ELIGIBILITY DETERMINATION [FYI FAQs]

Once an eligible youth is selected from the HCV waiting list, the PHA must determine whether the youth meets HCV program eligibility requirements. Applicants must be eligible under both FYI eligibility requirements and HCV eligibility requirements as outlined in Chapter 3 of this policy.

The PCWA may, but is not obligated to, provide information to the PHA on the youth's criminal history.

PHA Policy

Subject to privacy laws, the PCWA will provide any available information regarding the applicant's criminal history to the PHA.

The PHA will consider the information in making its eligibility determination in accordance with the PHA's policies in Chapter 3, Part III.

Additional Eligibility Factors

Youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FYI voucher.

PHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the PHA in writing following policies in Section 3-III.F, including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

19-II.G. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the youth will be issued an FYI voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FYI voucher holder of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- The supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FYI assistance.

PHA Policy

Eligible applicants will be notified by the PHA in writing following policies in Section 3-III.F. of this policy. FYI youth will be briefed individually. The PHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5.

Vouchers will be issued in accordance with PHA policies in Chapter 5, Part II, except that the PHA will consider one additional 30-day extension beyond the first automatic extension for any reason, not just those listed in the policy in Section 5-II.E.

Once the youth locates a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA policy in Chapter 9.

Should a youth fail to use the voucher, the PHA may issue the voucher to another eligible youth if one has been identified [Notice PIH 2021-26].

Turnover [FYI FAQs]

For PHAs awarded FYI Tenant Protection Vouchers (TPVs) under Notice PIH 2019-20 where the recipient of the FYI TPV leaves the program, the PHA may request an FYI voucher under the requirements of Notice PIH 2021-26.

For PHAs awarded FYI vouchers under Notices PIH 2020-28 and PIH 2021-26, where the recipient of the FYI voucher leaves the program, the PHA must continue to use the FYI voucher for eligible youth upon turnover. Where there are more eligible youth than available FYI turnover vouchers, the PHA may request an FYI voucher under the requirements of Notice PIH 2021-26. If another eligible youth is not available, the PHA must notify HUD, and HUD will reduce the PHA's HCV assistance to account for the removal of the FYI assistance from the PHA's HCV baseline.

19-II.H. MAXIMUM ASSISTANCE PERIOD [Notice PIH 2021-26 and FYI FAQs; FR Notice 1/24/22]

Vouchers are limited by statute to a total of between 36 months and 60 months of housing assistance. At the end of the statutory time period, assistance must be terminated. However, any period of time for which no subsidy (HAP) is being paid on behalf of the youth does not count toward the limitation. It is not permissible to reissue another FYI TPV to the same youth upon expiration of their FYI assistance.

Participants do not “age out” of the program. A participant may continue with the program until they have received the period of assistance for which they are eligible. Age limits are only applied for entry into the program.

Extension of Assistance

FYI voucher holders who first leased or lease a unit after December 27, 2020, may be eligible for an extension of assistance up to 24 months beyond the 36-month time limit (for a total of 60 months of assistance).

While FYI voucher holders cannot be required to participate in the Family Self-Sufficiency (FSS) program as a condition of receipt of assistance, an eligible youth who participates in the FSS program and is in compliance with the applicable terms and conditions of the program is entitled to receive assistance for up to an additional 24 months. A FYI voucher holders must accept an FSS slot if it is offered to them prior to the 36-month mark in order to receive an extension of assistance (unless the youth meets one of the statutory exceptions described below).

Statutory Exceptions

FYI voucher holders will be entitled to receive an extension of assistance for up to 24 months beyond the 36-month time limit without participating in the PHA’s FSS program if they certify that they meet one of the exceptions below:

- The FYI voucher holder is a parent or other household member responsible for the care of a dependent child under the age of six or for the care of an incapacitated person.

PHA Policy

The PHA defines *incapacitated person* as **you're unable to care for yourself or your affairs**. The PHA will apply this exception in a manner that provides extensions of FYI assistance to the broadest population possible consistent with the statutory requirements.

The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

The child or incapacitated person is not required to reside in the household in order for the FYI voucher holder to certify they meet this exception. For example, a child in a joint custody arrangement under the age of six who resides in the household only part time may qualify the FYI voucher holder for this exception.

- The FYI voucher holder is a person who is regularly and actively participating in a drug addiction or alcohol treatment and rehabilitation program.

PHA Policy

The PHA will define *regular and active participation* in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with the statutory requirements.

The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

- The FYI voucher holder is a person who is incapable of complying with the requirement to participate in a FSS program as described above or engage in education, workforce development, or employment activities as described below, as applicable, due to a documented medical condition.

PHA Policy

The PHA will apply this requirement in a manner that provides extensions of FYI voucher holder assistance to the broadest population possible consistent with statutory requirements.

The FYI voucher holder will be required to self-certify that they meet this exception on a PHA-provided form. This certification is the only documentation that the FYI voucher holder must submit.

An FYI voucher holder that meets one of the above exceptions must still be offered an opportunity to enroll in the PHA's FSS program (if it is available to them) and receive any supportive services available to FYI voucher holders. An FYI voucher holder may choose to participate in an FSS program or engage in education, workforce development, or employment activities, even if they meet one of the above statutory exceptions.

Education, Workforce Development, or Employment Activities

If a PHA that carries out an FSS program is unable to offer a FYI voucher holder an FSS slot during their first 36 months of receiving FYI assistance, the FYI voucher holder is considered to have been “unable to enroll” in the program and may have their voucher extended by meeting the education, workforce development, or employment criteria described below:

- The FYI voucher holder was engaged in obtaining a recognized postsecondary credential or a secondary school diploma or its recognized equivalent.

PHA Policy

The PHA will use the definitions of *recognized postsecondary credential* and *secondary school diploma or its recognized equivalent* under the Workforce Innovation and Opportunity Act (WIOA). WIOA defines a *recognized postsecondary credential* as a credential consisting of an industry-recognized certificate or certification, a certificate of completion of an apprenticeship, a license recognized by the state involved or federal government, or an associate or baccalaureate degree (29 U.S.C. 3102). Examples of a recognized postsecondary credential include, but are not limited to, an associate’s degree, bachelor’s degree, occupational licensure, or occupational certification (see U.S. Department of Labor, Training and Employment Guidance Letter No. 10–16, Change 1). For the purpose of WIOA, the U.S. Department of Labor defines a *secondary school diploma or its recognized equivalent* as a secondary school diploma (or alternate diploma) that is recognized by a state and that is included for accountability purposes under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA). A secondary school equivalency certification signifies that a student has completed the requirement for a high school education. Examples of a secondary school diploma or its recognized equivalent include, but are not limited to, obtaining certification of attaining passing scores on a state-recognized high school equivalency test, earning a secondary school diploma or state-recognized equivalent, or obtaining certification of passing a state-recognized competency-based assessment.

- The FYI voucher holder was enrolled in an *institution of higher education*, as such term is defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)) or an institution that meets the definition of a *proprietary institution of higher education* or a *postsecondary vocational institution* under sections 102(b)(1) and (c)(1) of the Higher Education Act of 1965 (20 U.S.C. 1002(b)(1) and (c)(1)), respectively.

PHA Policy

The FYI voucher holder must be enrolled in education activities on at least a half-time basis, as defined by the institution which they attend. However, the PHA may make exceptions to this requirement if the FYI voucher holder is unable to enroll in a sufficient number of classes due to a lack of course offerings by the educational institution where they are enrolled.

- The FYI voucher holder was participating in a career pathway, as such term is defined in Section 3 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3102).
- The FYI voucher holder was employed.

PHA Policy

The PHA will consider the FYI voucher holder to be employed if they work a minimum of 20 hours per week. The PHA may make exceptions to this requirement if the FYI voucher holder's hours are reduced due to circumstances beyond their control or the FYI voucher holder must temporarily reduce their work hours due to a verified family emergency.

FSS Enrollment at 24 Months

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, HUD encourages the PHA to remind the FYI voucher holder at the 24-month reexamination of the education, workforce development, and employment requirements described above so that they have enough time to meet these requirements prior to the expiration of the 36-month time period for FYI assistance.

PHA Policy

If the FYI voucher holder has not been provided an opportunity to enroll in the FSS program during the first 24 months of FYI assistance, the PHA will remind the FYI voucher holder at their second regular reexam of the education, workforce development, and employment requirements described above.

FSS Enrollment Between 36 and 48 Months

If an FSS slot becomes available between the 36-month and 48-month mark:

- The PHA must offer the slot to an FYI voucher holder who had their voucher extended based on meeting the education, workforce development, or employment requirement listed above, or one of the statutory exceptions listed above (even if the FYI voucher holder previously declined an FSS slot because they met one of the statutory exceptions).
- The PHA must work with the FYI voucher holder to determine whether enrollment in FSS is feasible and in their best interest given any education, workforce development, or employment activities that the FYI voucher holder is engaged in and any statutory exceptions that apply to the FYI voucher holder, as well as the remaining time on their voucher.
- If the FYI voucher holder accepts the FSS slot, the PHA must work with them to establish Contract of Participation goals and an Individual Training and Services Plan (ITSP) that can be accomplished within the time period left on the voucher.

If the FYI voucher holder is offered an FSS slot prior to the 36-month mark, the FYI voucher holder:

- Will be required to enroll in the FSS program in order to receive an extension of assistance at the end of the 36-month time period (unless they meet one of the statutory exceptions described above).

- Will not be considered to have been “unable to enroll” in the FSS program, and as a result, will not be eligible to receive an extension of assistance based on meeting the education, workforce development, or employment requirements described above.

FSS Enrollment After 48 Months

The PHA may, but is not required, to offer an FYI voucher holder an FSS slot that becomes available between the 48-month mark and the 60-month mark, since the FYI voucher holder will have already received their second and final extension.

PHA Policy

If an FSS slot becomes available between the 48 and 60-month marks, the PHA will not offer the FSS slot to an FYI voucher holder.

Extensions of Assistance

At the 36-month and 48-month reexamination, the PHA must extend FYI assistance if the FYI voucher holder is participating in and in compliance with the FSS program as long as the FYI voucher holder is still eligible for the HCV program.

In any case, the FYI voucher holder cannot receive more than a total of 60 months of FYI assistance even if the FSS Contract of Participation time period extends beyond the voucher 60-month mark.

No FSS Program or Unable to Enroll in FSS

If a PHA does not carry out an FSS program or the FYI voucher holder has been unable to enroll in the program during the first 36 months of receiving FYI assistance, the FYI voucher holder is entitled to receive an extension of assistance for up to two successive 12-month periods beyond the 36-month time limit provided that the FYI voucher holder engaged in at least one of the education, workforce development, or employment activities described above for not less than nine months of the 12-month period preceding each extension. In order to meet the nine months out of the preceding 12 months requirement, the FYI voucher holder may have engaged in one of the education, workforce development, or employment activities described above or a combination of these activities.

Verification Prior to Annual Reexam

In order to provide an extension of assistance, the PHA must verify compliance with the above requirements at the end of the 36-month time period and the 48-month time periods. The PHA does not need to verify compliance with these requirements at the end of the 60-month time period since the maximum length of assistance is 60 months.

To verify compliance with the education, workforce development, or employment requirement or one of the statutory exceptions, the PHA must provide the FYI voucher holder written notification informing them that they may receive an extension of their FYI assistance and providing instructions on how the FYI voucher holder may demonstrate that they meet one of these conditions. This notification must be provided sufficiently in advance of the end of the 36-month or 48-month time periods, as applicable, to allow the FYI voucher holder to demonstrate that they meet the education, workforce development, or employment requirement, or one of the statutory exceptions, and for the PHA to conduct an annual reexamination prior to the expiration of the FYI assistance.

PHA Policy

The PHA will verify compliance with the education, workforce development, or employment requirement, or one of the statutory exceptions, at the end of the 36-month and 48-month time periods prior to the FYI voucher holder's scheduled annual reexamination. The PHA will not verify compliance at the end of the 60-month time period.

The PHA will provide each FYI voucher holder on the PHA's program with a written notification informing them that they may receive an extension of their FYI assistance if they meet conditions outlined in this chapter and providing them with instructions on how they may demonstrate compliance at least 60 days prior to their scheduled annual reexam date. When necessary, the PHA will provide this notification in a format accessible to FYI voucher holders with disabilities and in a translated format for FYI voucher holders with limited English proficiency in accordance with Chapter 2.

The PHA will use the following verification methods to verify an FYI voucher holder's eligibility for voucher extensions:

To verify compliance with the FSS requirement, the PHA will examine its records to confirm, or obtain confirmation from the PHA's FSS program staff, that the FYI participant is in compliance with FSS program requirements and has not been terminated from the FSS program.

To meet the education, workforce development, or employment requirement, the PHA will verify that the FYI voucher holder was engaged in at least one education, workforce development, or employment activity for at least nine months of the 12-month period immediately preceding the end of the 36-month or 48-month time period, as applicable.

Due to the timing of when the PHA verifies compliance and conducts the annual reexamination, the FYI voucher holder may have not yet met the nine-month requirement but may be able to demonstrate that they will meet the nine-month requirement as of the end of the 36-month or 48-month time period. In such cases, the FYI voucher holder will still be considered to have met the requirements.

In order for the FYI voucher holder to meet one of the statutory exceptions described above, the FYI voucher holder must submit a certification to the PHA that they meet one of these exceptions. This certification is the only documentation that the FYI voucher holder must submit in order to demonstrate that they meet one of the statutory exceptions.

An FYI voucher holder who received an extension of voucher assistance at the end of the 36-month time period based on meeting one of the conditions described in this chapter does not have to meet the same conditions when they reach the end of the 48-month time period. The FYI voucher holder may demonstrate that they meet a different condition in order to receive an extension of their assistance.

If the PHA determines that the FYI voucher holder meets one of the statutory conditions, the PHA would then conduct an annual reexamination. If the annual reexamination determines that the FYI voucher holder is still eligible for the HCV program, the PHA must provide the FYI voucher holder the extension of voucher assistance.

Termination of Assistance for Failure to Meet Conditions

Failure of the FYI voucher holder to meet one of the above conditions will only impact their ability to receive subsequent extensions of assistance. It will not serve as a basis for terminating the FYI assistance prior to the annual reexam.

If the FYI voucher holder does not meet any of the statutory conditions described in this chapter, the youth is subject to the statutory time limit of 36 months or the time limit of any extension that the youth has already received, and the FYI voucher must be terminated once they reach this time limit. The calculation of the time limit begins from the date the first HAP contract is signed (for tenant-based vouchers) or from the date the FYI voucher holder entered into the initial lease agreement (for project-based vouchers). The number of months is calculated based on the number of months that HAP subsidy is being paid on behalf of the FYI voucher holder, not the number of months that they are in the FYI program. Prior to termination, the PHA must offer the FYI voucher holder the opportunity to request an informal hearing, in accordance with Chapter 16.

19-II.I. TERMINATION OF ASSISTANCE [FYI FAQs]

Termination of a FYI voucher is handled in the same way as with any HCV; therefore, termination of a FYI voucher must be consistent with HCV regulations at 24 CFR Part 982, Subpart L and PHA policies in Chapter 12. Given the statutory time limit that requires FYI vouchers to sunset, a PHA must terminate the youth's assistance once the limit on assistance has expired.

A PHA cannot terminate a FYI youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FYI youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of FYI voucher holders to regular HCV assistance upon the expiration of the limit on assistance. However, the PHA may issue a regular HCV to FYI voucher holders if they were selected from the waiting list in accordance with PHA policies. The PHA may also adopt a waiting list preference for FYI voucher holders who are being terminated for this reason.

PHA Policy

The PHA will not provide a selection preference on the PHA's HCV waiting list for FYI voucher holders who are terminated due to the time limit on assistance.

19-II.J. PORTABILITY [FYI FAQs]

Portability for an FYI youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for an FYI youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

An FYI youth does not have to port to a jurisdiction that administers FYI vouchers.

If the receiving PHA absorbs the voucher, the PHA may absorb the youth into its regular HCV program if it has vouchers available to do so. If the receiving PHA absorbs the youth into its regular HCV program, that youth becomes a regular HCV participant with none of the limitations of an FYI voucher.

The initial and receiving PHA must work together to initiate termination of assistance upon expiration of the time limit on assistance.

19-II.K. PROJECT-BASING FYI VOUCHERS [FYI FAQs; FR Notice 1/24/22]

The PHA may project-base certain FYI vouchers without HUD approval in accordance with all applicable PBV regulations and PHA policies in Chapter 17. This includes FYI vouchers awarded under Notices PIH 2020-28 and PIH 2021-26. Assistance awarded under Notice PIH 2019-20 is prohibited from being project-based.

PHA Policy

The PHA will not project-base FYI vouchers. All FYI vouchers will be used to provide tenant-based assistance.

PART III: VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

19-III.A. OVERVIEW

Since 2008, HCV program funding has provided rental assistance under a supportive housing program for homeless veterans. The Veterans Affairs Supportive Housing (VASH) program combines HCV rental assistance with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA medical centers (VAMCs) and Community-Based Outpatient Clinics (CBOCs), or through a designated service provider (DSP) as approved by the VA Secretary. Eligible families are homeless veterans and their families that agree to participate in VA case management and are referred to the VAMC's partner PHA for HCV assistance. The VAMC or DSP's responsibilities include:

- Screening homeless veterans to determine whether they meet VASH program participation criteria;
- Referring homeless veterans to the PHA;
 - The term *homeless veteran* means a veteran who is homeless (as that term is defined in subsection (a) or (b) of Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302)). See 38 U.S.C. 2002.
- Providing appropriate treatment and supportive services to potential VASH participants, if needed, prior to PHA issuance of a voucher;
- Providing housing search assistance to VASH participants;
- Identifying the social service and medical needs of VASH participants, and providing or ensuring the provision of regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout the veterans' participation period; and
- Maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

VASH vouchers are awarded noncompetitively based on geographic need and PHA administrative performance. Eligible PHAs must be located within the jurisdiction of a VAMC and in an area of high need based on data compiled by HUD and the VA. When Congress funds a new allocation of VASH vouchers, HUD invites eligible PHAs to apply for a specified number of vouchers.

Generally, the HUD-VASH program is administered in accordance with regular HCV program requirements. However, HUD is authorized to waive or specify alternative requirements to allow PHAs to effectively deliver and administer VASH assistance. Alternative requirements are established in the HUD-VASH Operating Requirements, which were originally published in the Federal Register on May 6, 2008, and updated September 27, 2021. Unless expressly waived by HUD, all regulatory requirements and HUD directives regarding the HCV program are applicable to VASH vouchers, including the use of all HUD-required contracts and other forms, and all civil rights and fair housing requirements. In addition, the PHA may request additional statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The VASH program is administered in accordance with applicable Fair Housing requirements since civil rights requirements cannot be waived under the program. These include applicable authorities under 24 CFR 5.105(a) and 24 CFR 982.53 including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Age Discrimination Act and all PHA policies as outlined in Chapter 2 of this document.

When HUD-VASH recipients include veterans with disabilities or family members with disabilities, reasonable accommodation requirements in Part II of Chapter 2 of this policy apply.

19-III.B. REFERRALS [FR Notice 9/27/21 and HUD-VASH Qs and As]

VAMC case managers will screen all families in accordance with VA screening criteria and refer eligible families to the PHA for determination of program eligibility and voucher issuance. The PHA has no role in determining or verifying the veteran's eligibility under VA screening criteria, including determining the veteran's homelessness status. The PHA must accept referrals from the partnering VAMC and must maintain written documentation of referrals in VASH tenant files. Upon turnover, VASH vouchers must be issued to eligible veteran families as identified by the VAMC.

PHA Policy

The PHA does not administer any Veterans Affairs Supportive Housing (VASH) program special purpose vouchers.

19-III.C. HCV PROGRAM ELIGIBILITY [FR Notice 9/27/21]

Eligible participants are homeless veterans and their families who agree to participate in case management from the VAMC.

- A *VASH Veteran* or *veteran family* refers to either a single veteran or a veteran with a household composed of two or more related persons. It also includes one or more eligible persons living with the veteran who are determined to be important to the veteran's care or well-being.
- A veteran for the purpose of VASH is a person whose length of service meets statutory requirements, and who served in the active military, naval, or air service, was discharged or released under conditions other than dishonorable, and is eligible for VA health care.

Under VASH, PHAs do not have authority to determine family eligibility in accordance with HCV program rules and PHA policies. The only reasons for denial of assistance by the PHA are failure to meet the income eligibility requirements and/or that a family member is subject to a lifetime registration requirement under a state sex offender registration program. Under portability, the receiving PHA must also comply with these VASH screening requirements.

Social Security Numbers

When verifying Social Security numbers (SSNs) for homeless veterans and their family members, an original document issued by a federal or state government agency, which contains the name and SSN of the individual along with other identifying information of the individual, is acceptable in accordance with Section 7-II.B. of this policy.

In the case of the homeless veteran, the PHA must accept the Certificate of Release or Discharge from Active Duty (DD-214) or the VA-verified Application for Health Benefits (10-10EZ) as verification of SSN and cannot require the veteran to provide a Social Security card. A VA-issued identification card may also be used to verify the SSN of a homeless veteran.

Proof of Age

The DD-214 or 10-10EZ must be accepted as proof of age in lieu of birth certificates or other PHA-required documentation as outlined in Section 7-II.C. of this policy. A VA-issued identification card may also be used to verify the age of a homeless veteran.

Photo Identification

A VA-issued identification card must be accepted in lieu of another type of government-issued photo identification. These cards also serve as verification of SSNs and date of birth.

Income Eligibility

The PHA must determine income eligibility for VASH families in accordance with 24 CFR 982.201 and policies in Section 3-II.A. If the family is over-income based on the most recently published income limits for the family size, the family will be ineligible for HCV assistance.

While income-targeting does not apply to VASH vouchers, the PHA may include the admission of extremely low-income VASH families in its income targeting numbers for the fiscal year in which these families are admitted.

PHA Policy

The PHA does not administer any Veterans Affairs Supportive Housing (VASH) program special purpose vouchers.

Screening

The PHA may not screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR 982.552 and 982.553 with one exception: the PHAs is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. Accordingly, with the exception of denial for registration as a lifetime sex offender under state law and PHA policies on how sex offender screenings will be conducted, PHA policy in Sections 3-III.B. through 3-III.E. do not apply to VASH. The prohibition against screening families for anything other than lifetime sex offender status applies to all family members, not just the veteran.

If a family member is subject to lifetime registration under a state sex offender registration program, the remaining family members may be served if the family agrees to remove the sex offender from its family composition. This is true unless the family member subject to lifetime registration under a state sex offender registration program is the homeless veteran, in which case the family would be denied admission to the program [New HCV GB, *HUD-VASH*, p. 6].

Denial of Assistance [Notice PIH 2008-37]

Once a veteran is referred by the VAMC, the PHA must either issue a voucher or deny assistance. If the PHA denies assistance, it must provide the family with prompt notice of the decision and a brief statement of the reason for denial in accordance with Section 3-III.F. Like in the standard HCV program, the family must be provided with the opportunity for an informal review in accordance with policies in Section 3-III.F. In addition, a copy of the denial notice must be sent to the VAMC case manager.

19-III.D. CHANGES IN FAMILY COMPOSITION

Adding Family Members [FR Notice 9/27/21]

When adding a family member after the family has been admitted to the program, PHA policies in Section 3-II.B. apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and will apply its regular screening criteria in doing so.

Remaining Family Members [HUD-VASH Qs and As]

If the homeless veteran dies while the family is being assisted, the voucher would remain with the remaining members of the tenant family. The PHA may use one of its own regular vouchers, if available, to continue assisting this family and free up a VASH voucher for another VASH-eligible family. If a regular voucher is not available, the family would continue utilizing the VASH voucher. Once the VASH voucher turns over, however, it must go to a homeless veteran family.

Family Break Up [HUD-VASH Qs and As]

In the case of divorce or separation, since the set-aside of VASH vouchers is for veterans, the voucher must remain with the veteran. This overrides the PHA's policies in Section 3-I.C. on how to determine who remains in the program if a family breaks up.

19-III.E. LEASING [FR Notice 9/27/21]

Waiting List

The PHA does not have the authority to maintain a waiting list or apply local preferences for HUD–VASH vouchers. Policies in Chapter 4 relating to applicant selection from the waiting list, local preferences, special admissions, cross-listing, and opening and closing the waiting list do not apply to VASH vouchers.

Exception Payment Standards

To assist VASH participants in finding affordable housing, especially in competitive markets, HUD allows PHAs to establish a HUD-VASH exception payment standard. PHAs may go up to but no higher than 120 percent of the published area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD through the regular waiver process outlined in Notice PIH 2018-16.

Voucher Issuance

Unlike the standard HCV program which requires an initial voucher term of at least 60 days, VASH vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

PHA Policy

The PHA does not administer any Veterans Affairs Supportive Housing (VASH) program special purpose vouchers.

The PHA must track issuance of HCVs for families referred by the VAMC or DSP in PIC as required in Notice PIH 2011-53.

Initial Lease Term

Unlike in the standard the HCV program, VASH voucher holders may enter into an initial lease that is for less than 12 months. Accordingly, PHA policy in Section 9-I.E., Term of Assisted Tenancy, does not apply.

Ineligible Housing [FR Notice 6/18/14]

Unlike in the standard HCV program, VASH families are permitted to live on the grounds of a VA facility in units developed to house homeless veterans. This applies to both tenant-based assistance and PBV. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, do not apply to VASH for this purpose only. Accordingly, PHA policy in 9-I.D., Ineligible Units, does not apply for this purpose only.

HQS Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that veterans may be interested in leasing in order to maintain a pool of eligible units. If a VASH family selects a unit that passed an HQS inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval (Form HUD-52517), the unit may be approved if it meets all other conditions under 24 CFR 982.305. However, the veteran must be free to select their unit and cannot be steered to these units.

PHA Policy

The PHA does not administer any Veterans Affairs Supportive Housing (VASH) program special purpose vouchers.

19-III.F. PORTABILITY [FR Notice 9/27/21 and Notice PIH 2011-53]

General Requirements

Portability policies under VASH depend on whether the family wants to move within or outside of the initial VA facility's catchment area (the area in which the VAMC or DSP operates). In all cases, the initial VA facility must be consulted prior to the move and provide written confirmation that case management will continue to be provided in the family's new location. VASH participant families may only reside in jurisdictions that are accessible to case management services, as determined by case managers at the partnering VAMC or DSP.

Under VASH, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied. As a result, PHA policies in Section 10-II.B. about nonresident applicants do not apply.

If the family no longer requires case management, there are no portability restrictions. Normal portability rules apply.

Portability within the Initial VAMC or DSP's Catchment Area

A VASH family can move within the VAMC's catchment area as long as case management can still be provided, as determined by the VA. If the initial PHA's partnering VAMC will still provide the case management services, the receiving PHA must process the move in accordance with portability procedures:

- If the receiving PHA has been awarded VASH vouchers, it can choose to either bill the initial PHA or absorb the family if it has a VASH voucher available to do so.
 - If the PHA absorbs the family, the VAMC or DSP providing the initial case management must agree to the absorption and the transfer of case management.
- If the receiving PHA does not administer a VASH program, it must always bill the initial PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area

If a family wants to move to another jurisdiction where it will not be possible for the initial PHA's partnering VAMC or DSP to provide case management services, the initial VAMC or DSP must first determine that the VASH family could be served by another VAMS or DSP that is participating in the VASH program, and the receiving PHA has an available VASH voucher.

In these cases, the family must be absorbed by the receiving PHA either as a new admission or as a portability move-in, as applicable. Upon absorption, the initial PHA's VASH voucher will be available to lease to a new VASH-eligible family, and the absorbed family will count toward the number of VASH slots awarded to the receiving PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area under VAWA

Veterans who request to port beyond the catchment area of the VAMC or DSP where they are receiving case management to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, and who reasonably believes they are threatened with imminent harm from further violence by remaining in the unit may port prior to receiving approval from the receiving VAMC or DSP. The initial PHA must follow its emergency transfer plan (see Exhibit 16-3). PHAs may require verbal self-certification or a written request from a participant seeing a move beyond the catchment area of the VAMC or DSP.

The verbal self-certification or written request must include either a statement expressing why the participant reasonably believes that there is a threat of imminent harm from further violence if they were to remain in the same unit or a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the participants request for the move.

The participant must still port to a PHA that has a VASH program. If the receiving PHA does not have a VASH voucher available to lease, they may bill the initial PHA until a VASH voucher is available, at which point the porting veteran must be absorbed into the receiving PHA's program.

19-III.G. TERMINATION OF ASSISTANCE [FR Notice 9/27/21]

With the exception of terminations for failure to receive case management, HUD has not established any alternative requirements for termination of assistance for VASH participants. However, prior to terminating VASH participants, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) as outlined in Section 12-II.D. of this policy and consider all relevant circumstances of the specific case. This includes granting reasonable accommodations for persons with disabilities, as well as considering the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination.

VASH participant families may not be terminated after admission for a circumstance or activities that occurred prior to admission and were known to the PHA but could not be considered at the time of admission due to VASH program requirements. The PHA may terminate the family's assistance only for program violations that occur after the family's admission to the program.

Cessation of Case Management

As a condition of receiving HCV rental assistance, a HUD-VASH-eligible family must receive case management services from the VAMC or DSP. A VASH participant family's assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or DSP.

However, a VAMC or DSP determination that the participant family no longer requires case management is not grounds for termination of voucher or PBV assistance. In such a case, at its option, the PHA may offer the family continued assistance through one of its regular vouchers. If the PHA has no voucher to offer, the family will retain its VASH voucher or PBV unit until such time as the PHA has an available voucher for the family.

VAWA [FR Notice 9/27/21]

When a veteran's family member is receiving protection under VAWA because the veteran is the perpetrator of domestic violence, dating violence, sexual assault, or stalking, the victim must continue to be assisted. Upon termination of the perpetrator's VASH assistance, the victim must be given a regular HCV if one is available, and the perpetrator's VASH voucher must be used to serve another eligible veteran family. If a regular HCV is not available, the perpetrator must be terminated from assistance and the victim will continue to use the VASH voucher.

19-III.H. PROJECT-BASING VASH VOUCHERS

General Requirements [Notice PIH 2017-21 and FR Notice 9/27/21]

PHAs are authorized to project-base their tenant-based VASH vouchers without additional HUD review or approval in accordance with Notice PIH 2017-21 and all PBV program requirements provided that the VAMC will continue to make supportive services available. In addition, since 2010, HUD has awarded VASH vouchers specifically for project-based assistance in the form of PBV HUD-VASH set-aside vouchers. While these vouchers are excluded from the PBV program cap as long as they remain under PBV HAP contract at the designated project, all other VASH vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A. Note that VASH supportive services only need to be provided to VASH families receiving PBV assistance in the project, not all families receiving PBV assistance in the project. If a VASH family does not require or no longer requires case management, the unit continues to count as an excepted PBV unit as long as the family resides in the unit.

If the PHA project-bases VASH vouchers, the PHA must consult with the partnering VAMC or DSP to ensure approval of the project or projects. PHAs may project-base VASH vouchers in projects alongside other PBV units and may execute a single HAP contract covering both the VASH PBVs and the other PBVs. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a HUD set-aside award.

If a VASH family is referred to the PHA and there is an available PBV unit that is not exclusively made available to VASH families, the PHA may offer to refer the family to the owner if allowable under the selection policy for that project, and the owner and PHA may amend the HAP contract to designate the PBV unit as a VASH PBV unit.

The PHA and owner may agree to amend a PBV HAP contract to redesignate a regular PBV unit as a unit specifically designated for VASH families so long as the PHA first consults with the VAMC or DSP. Additionally, the PHA and owner may agree to amend a PBV HAP contract to redesignate a unit specifically designated for VASH families as a regular PBV unit, so long as the unit is not funded through a VASH PBV set-aside award and is eligible for regular PBV (i.e., the unit is not on the grounds of a medical facility and the unit is eligible under the PHA's program and project caps).

Policies for VASH PBV units will generally follow PHA policies for the standard PBV program as listed in Chapter 17, with the exception of the policies listed below.

Failure to Participate in Case Management [FR Notice 9/27/21]

Upon notification by the VAMC or DSP of the family's failure to participate, without good cause, in case management, the PHA must provide the family a reasonable time period to vacate the unit. The PHA must terminate assistance to the family at the earlier of either the time the family vacates or the expiration of the reasonable time period given to vacate.

PHA Policy

The PHA does not administer any Veterans Affairs Supportive Housing (VASH) program special purpose vouchers.

If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the PHA must remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The PHA may add the removed unit to the HAP contract after the ineligible family vacates the property.

Moves [HUD-VASH Qs and As, FR Notice 9/27/21]

When a VASH PBV family is eligible to move from its PBV unit in accordance with Section 17-VIII.C. of this policy, but there is no other comparable tenant-based rental assistance, the following procedures must be implemented:

- If a VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the PHA may require a family who still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days;
- If a VASH tenant-based voucher is still not available after that period, the family must be allowed to move with its VASH voucher. Alternatively, the PHA may allow the family to move with its VASH voucher without having to meet this 180-day period. In either case, the PHA is required to replace the assistance in the PBV unit with one of its regular vouchers, unless the PHA and owner agree to temporarily remove the unit from the HAP contract; and
- If a VASH veteran is determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher if not VASH voucher is immediately available and cannot require the family to wait for a VASH voucher to become available.

PART IV: MAINSTREAM VOUCHER PROGRAM

19-IV.A. PROGRAM OVERVIEW [Notice PIH 2020-01]

Mainstream vouchers assist non-elderly persons with disabilities and their families in the form of either project-based or tenant-based voucher assistance.

Aside from separate funding appropriations and serving a specific population, Mainstream vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a Mainstream voucher differently from other applicants and participants. For example, the PHA cannot apply different payment standards, establish conditions for allowing portability, or apply different screening criteria to Mainstream families.

The Mainstream voucher program, (previously referred to as the Mainstream 5-Year program or the Section 811 voucher program) was originally authorized under the National Affordable Housing Act of 1990. Mainstream vouchers operated separately from the regular HCV program until the passage of the Frank Melville Supportive Housing Investment Act of 2010. Funding for Mainstream voucher renewals and administrative fees was first made available in 2012. In 2017 and 2019, incremental vouchers were made available for the first time since the Melville Act (in addition to renewals and administrative fees), and PHAs were invited to apply for a competitive award of Mainstream vouchers under the FY17 and FY19 NOFAs. In 2020, Notice PIH 2020-22 provided an opportunity for any PHA administering an HCV program to apply for Mainstream vouchers noncompetitively, while Notice PIH 2020-09 authorized an increase in Mainstream voucher units and budget authority for those PHAs already awarded Mainstream vouchers under the FY17 and FY19 NOFAs.

Funds for Mainstream vouchers may be recaptured and reallocated if the PHA does not comply with all program requirements or fails to maintain a utilization rate of 80 percent for the PHA's Mainstream vouchers.

19-IV.B. ELIGIBLE POPULATION [Notice PIH 2020-01 and Notice PIH 2020-22]

All Mainstream vouchers must be used to serve non-elderly persons with disabilities and their families, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old as of the effective date of the initial HAP contract. The eligible disabled household member does not need to be the head of household.

The definition of person with disabilities for purposes of Mainstream vouchers is the statutory definition under section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

Existing families receiving Mainstream vouchers, where the eligible family member is now age 62 or older, will not “age out” of the program as long as the family was eligible on the day it was first assisted under a HAP contract.

The PHA may not implement eligibility screening criteria for Mainstream vouchers that is different from that of the regular HCV program.

19-IV.C. PARTNERSHIP AND SUPPORTIVE SERVICES [Notice PIH 2020-01]

PHAs are encouraged but not required to establish formal and informal partnerships with a variety of organizations that assist persons with disabilities to help ensure eligible participants find and maintain stable housing.

PHA Policy

The PHA does not administer any Mainstream Voucher program special purpose vouchers.

19-IV.D. WAITING LIST ADMINISTRATION

General Waiting List Requirements [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

PHAs must not have a separate waiting list for Mainstream voucher assistance since the PHA is required by the regulations to maintain one waiting list for tenant-based assistance [24 CFR 982.204(f)]. All PHA policies on opening, closing, and updating the waiting list, as well as waiting list preferences in Chapter 4, apply to the Mainstream program.

When the PHA is awarded Mainstream vouchers, these vouchers must be used for new admissions to the PHA's program from the waiting list. The PHA must lease these vouchers by pulling the first Mainstream-eligible family from its tenant-based waiting list. PHAs are not permitted to reassign existing participants to the program in order to make regular tenant-based vouchers available. Further, the PHA may not skip over Mainstream-eligible families on the waiting list because the PHA is serving the required number of Mainstream families.

Upon turnover, vouchers must be provided to Mainstream-eligible families. If a Mainstream turnover voucher becomes available, the PHA must determine if the families at the top of the waiting list qualify under program requirements.

Admission Preferences [Notice PIH 2020-01; FY17 Mainstream NOFA; FY19 Mainstream NOFA]

If the PHA claimed points for a preference in a NOFA application for Mainstream vouchers, the PHA must adopt a preference for at least one of the targeted groups identified in the NOFA.

PHA Policy

The PHA does not administer any Mainstream Voucher program special purpose vouchers.

19-IV.E. PORTABILITY [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

Mainstream voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to Mainstream families.

The following special considerations for Mainstream vouchers apply under portability:

- If the receiving PHA has a Mainstream voucher available, the participant may remain a Mainstream participant.
 - If the receiving PHA chooses to bill the initial PHA, then the voucher will remain a Mainstream voucher.
 - If the receiving PHA chooses to absorb the voucher, the voucher will be considered a regular voucher, or a Mainstream voucher if the receiving PHA has a Mainstream voucher available, and the Mainstream voucher at the initial PHA will be freed up to lease to another Mainstream-eligible family.
- If the receiving PHA does not have a Mainstream voucher available, the participant may receive a regular voucher.

19-IV.F. PROJECT-BASING MAINSTREAM VOUCHERS [FY19 Mainstream Voucher NOFA Q&A]

The PHA may project-base Mainstream vouchers in accordance with all applicable PBV regulations and PHA policies in Chapter 17. PHAs are responsible for ensuring that, in addition to complying with project-based voucher program requirements, the project complies with all applicable federal nondiscrimination and civil rights statutes and requirements. This includes, but is not limited to, Section 504 of the Rehabilitation Act (Section 504), Titles II or III of the Americans with Disabilities (ADA), and the Fair Housing Act and their implementing regulations at 24 CFR Part 8; 28 CFR Parts 35 and 36; and 24 CFR Part 100. Mainstream vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

PART IV: NON-ELDERLY DISABLED (NED) VOUCHERS

19-V.A. PROGRAM OVERVIEW [Notice PIH 2013-19]

NED vouchers help non-elderly disabled families lease suitable, accessible, and affordable housing in the private market. Aside from separate funding appropriations and serving a specific population, NED vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a NED voucher differently from other applicants and participants.

Some NED vouchers are awarded to PHAs through competitive NOFAs. The NOFA for FY2009 Rental Assistance for NED made incremental funding available for two categories of NED families:

- **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market.
- **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. PHAs with NED Category 2 vouchers were required to partner with a state Medicaid or health agency or the state Money Follows the Person (MFP) Demonstration agency.

Since 1997, HCVs for NED families have been also awarded under various special purpose HCV programs: Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans (Designated Housing), Rental Assistance for Non-Elderly Persons with Disabilities Related to Certain Types of Section 8 Project-Based Developments (Certain Developments), One-Year Mainstream Housing Opportunities for Persons with Disabilities, and the Project Access Pilot Program (formerly Access Housing 2000).

- **Designated Housing** vouchers enable non-elderly disabled families, who would have been eligible for a public housing unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan, to receive rental assistance. These vouchers may also assist non-elderly disabled families living in a designated unit/project/building to move from that project if they so choose. The family does not have to be listed on the PHA's voucher waiting list. Instead, they may be admitted to the program as a special admission. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.

- **Certain Developments** vouchers enable non-elderly families having a person with disabilities, who do not currently receive housing assistance in certain developments where owners establish preferences for, or restrict occupancy to, elderly families, to obtain affordable housing. These non-elderly families with a disabled person do not need to be listed on the PHA's HCV waiting list in order to be offered and receive housing choice voucher rental assistance. It is sufficient that these families' names are on the waiting list for a covered development at the time their names are provided to the PHA by the owner. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.
- **One-Year Mainstream Housing Opportunities for Persons with Disabilities (One-Year Mainstream)** vouchers enable non-elderly disabled families on the PHA's waiting list to receive a voucher. After initial leasing, turnover vouchers must be issued to non-elderly disabled families from the PHA's voucher waiting list.

19-V.B. ELIGIBLE POPULATION

General Requirements [Notice PIH 2013-19]

Only eligible families whose head of household, spouse, or cohead is non-elderly (under age 62) and disabled may receive a NED voucher. Families with only a minor child with a disability are not eligible.

In cases where the qualifying household member now qualifies as elderly due to the passage of time since the family received the NED voucher, existing NED participant families do not "age out," as the family was eligible on the day it was first assisted under a housing assistance payments (HAP) contract.

The definition of person with disabilities for purposes of NED vouchers is the statutory definition under Section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

The PHA may not implement eligibility screening criteria for NED vouchers that is different from that of the regular HCV program.

NED Category 2 [Notice PIH 2013-19 and NED Category 2 FAQs]

In addition to being eligible for the PHA's regular HCV program and a non-elderly person with a disability, in order to receive a Category 2 voucher, the family's head, spouse, cohead, or sole member must be transitioning from a nursing home or other healthcare institution and provided services needed to live independently in the community.

Nursing homes or other healthcare institutions may include intermediate care facilities and specialized institutions that care for those with intellectual disabilities, developmentally disabled, or mentally ill, but do not include board and care facilities (e.g., adult homes, adult day care, adult congregate living).

The PHA cannot limit who can apply to just those persons referred or approved by a Money Follows the Person (MFP) Demonstration agency or state health agency. Other individuals could be placed on the waiting list if they can show, with confirmation by an independent agency or organization that routinely provides such services (this can be the MFP or partnering agency, but need not be), that the transitioning individual will be provided with all necessary services, including care or case management.

For each Category 2 family, there must be documentation (e.g., a copy of a referral letter from the partnering or referring agency) in the tenant file identifying the institution where the family lived at the time of voucher issuance.

19-V.C. WAITING LIST

General Requirements [Notice PIH 2013-19]

Families must be selected for NED vouchers from the PHA's waiting list in accordance with all applicable regulations and PHA policies in Chapter 4.

Regardless of the number of NED families the PHA is required to serve, the next family on the waiting list must be served. Further, the PHA may not skip over NED-eligible families on the waiting list because the PHA is serving the required number of NED families.

NED Category 2 Referrals [NED Category 2 FAQs]

For NED Category 2 families, the partnering agency may make referrals of eligible families to the PHA for placement on the waiting list. The PHA will then select these families from the waiting list for voucher issuance. Because language in the NOFA established that vouchers awarded under the NOFA must only serve non-elderly disabled families transitioning from institutions, the PHA does not need to establish a preference in order to serve these families ahead of other families on the PHA's waiting list.

PHAs must accept applications from people living outside their jurisdictions or from people being referred from other Medicaid or MFP service agencies in their state.

If the PHA's waiting list is closed, the PHA must reopen its waiting list to accept referrals from its partnering agency. When opening the waiting list, PHAs must advertise in accordance with 24 CFR 982.206 and PHA policies in Section 4-II.C. In addition, the PHA must ensure that individuals living in eligible institutions are aware when the PHA opens its waiting list by reaching out to social service agencies, nursing homes, intermediate care facilities and specialized institutions in the local service area.

Reissuance of Turnover Vouchers [Notice PIH 2013-19]

All NED turnover vouchers must be reissued to the next NED family on the PHA's waiting list with the following exception: A Category 2 voucher must be issued to another Category 2 family upon turnover if a Category 2 family is on the PHA's waiting list. If there are no Category 2 families on the PHA's waiting list, the PHA must contact its partnering agency as well as conduct outreach through appropriate social service agencies and qualifying institutions to identify potentially eligible individuals. Only after all means of outreach have been taken to reach Category 2 families can the PHA reissue the voucher to another Category 2 NED family on the PHA's waiting list. Any subsequent turnover of that voucher must again be used for a Category 2 family on the PHA's waiting list, and the PHA is under the same obligation to conduct outreach to Category 2 families if no such families are on the PHA's waiting list.

For PHAs that received both Category 1 and Category 2 vouchers, if at any time the PHA is serving fewer Category 2 families than the number of Category 2 HCVs awarded under the NOFA, when a Category 2 family applies to the waiting list and is found eligible, the PHA must issue the next NED voucher to that family. HUD monitors the initial leasing and reissuance of Category 2 HCVs. These vouchers may be recaptured and reassigned if not leased properly and in a timely manner.

All NED vouchers should be affirmatively marketed to a diverse population of NED-eligible families to attract protected classes least likely to apply. If at any time following the turnover of a NED HCV a PHA believes it is not practicable to assist NED families, the PHA must contact HUD.

19-V.D. LEASE UP [Notice PIH 2013-19]

Briefings

In addition to providing families with a disabled person a list of accessible units known to the PHA, HUD encourages, but does not require, PHAs to provide additional resources to NED families as part of the briefing.

PHA Policy

The PHA does not administer any NED vouchers program special purpose vouchers.

Voucher Term

While the PHA is not required to establish different policies for the initial term of the voucher for NED vouchers, HUD has encouraged PHAs with NED vouchers to be generous in establishing reasonable initial search terms and subsequent extensions for families with a disabled person.

PHA Policy

The PHA does not administer any NED vouchers program special purpose vouchers.

Special Housing Types [Notice PIH 2013-19 and NED Category 2 FAQs]

In general, a PHA is not required to permit families to use any of the special housing types and may limit the number of families using such housing. However, the PHA must permit the use of a special housing type if doing so provides a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities.

Such special housing types include single room occupancy housing, congregate housing, group homes, shared housing, cooperative housing, and manufactured homes when the family owns the home and leases the manufactured home space.

Persons with disabilities transitioning out of institutional settings may choose housing in the community that is in a group or shared environment or where some additional assistance for daily living is provided for them on site. Under HUD regulations, group homes and shared housing are considered special housing types and are not excluded as an eligible housing type in the HCV program. Assisted living facilities are also considered eligible housing under the normal HCV program rules, as long as the costs for meals and other supportive services are not included in the housing assistance payments (HAP) made by the PHA to the owner, and as long as the person does not need continual medical or nursing care.

19-V.E. PORTABILITY [NED Category 2 FAQs]

NED voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to NED families. However, the PHA may, but is not required to, allow applicant NED families to move under portability, even if the family did not have legal residency in the initial PHA's jurisdiction when they applied.

PHA Policy

The PHA does not administer any NED vouchers program special purpose vouchers.

THE FAMILY SELF-SUFFICIENCY PROGRAM AND THE FSS ACTION PLAN

INTRODUCTION

This chapter provides an overview of the family self-sufficiency (FSS) program and FSS action plan, including the purpose, organization, and required contents of the FSS action plan.

Part I: The Family Self-Sufficiency (FSS) Program and FSS Action Plan: This part provides an overview of the family self-sufficiency program and the purpose of the FSS action plan.

Part II: Requirements of the FSS Action Plan: This part covers action plan requirements, including development, revision, and contents of the action plan. It also contains information on family demographics, which is part of the required contents of the action plan.

PART I: THE FAMILY SELF-SUFFICIENCY (FSS) PROGRAM AND FSS ACTION PLAN

1-I.A. OVERVIEW OF THE FAMILY SELF-SUFFICIENCY PROGRAM

The origins of the FSS program are in two pilot projects implemented in 1986 and 1990, Project Self-Sufficiency and Operation Bootstrap, respectively. These projects were set up to test self-sufficiency programs for families with housing subsidies, and both demonstrated that families needed essential services to move toward economic self-sufficiency. These services include child care, transportation, medical care, and long-term education and training.

In the wake of the successful demonstration of these projects, family self-sufficiency became one of the initiatives under the Homeownership and Housing Opportunities for People Everywhere (HOPE) program enacted in 1990, and the FSS program was subsequently created under the National Affordable Housing Act the same year.

FSS built upon and refined both Project Self-Sufficiency and the Bootstrap program. It remained a voluntary program in 1991 and 1992 but became mandatory in 1993 for any new increments of funding issued to PHAs. The 1993 regulations were further modified by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). In 2018, expansive changes were made to the FSS program by the Economic Growth, Regulatory Relief, and Consumer Protection Act known as “the Economic Growth Act” or “the Act.”

The purpose of the FSS program is to coordinate housing assistance with public and private resources to enable assisted families to achieve economic self-sufficiency. The purpose and basic requirements of the FSS program are further elaborated upon in Chapter 2.

This family self-sufficiency program is administered by the **Brainerd Housing and Redevelopment Authority** for the jurisdiction of **City of Brainerd / County of Crow Wing County**.

1-I.C. THE FAMILY SELF-SUFFICIENCY ACTION PLAN

The family self-sufficiency (FSS) action plan is required by HUD. The purpose of the FSS action plan is to establish policies for conducting the family self-sufficiency program in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's Agency Plan. This FSS action plan is a supporting document to the PHA Agency Plan and is available for public review as required by 24 CFR Part 903.

This family self-sufficiency action plan is set forth to define the PHA's local policies for operation of the program in the context of federal laws and regulations. All issues related to FSS not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable laws. The policies in this FSS action plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the FSS program. If such changes conflict with this plan, HUD regulations will take precedence.

Administration of the FSS program and the functions and responsibilities of PHA staff shall comply with the PHA's personnel policy and HUD's family self-sufficiency regulations, as well as all Section 8 and public housing regulations, in addition to federal, state, and local fair housing laws and regulations.

PART II: REQUIREMENTS OF THE FSS ACTION PLAN

1-II.A. OVERVIEW

A PHA must have a HUD-approved action plan before implementing an FSS program, regardless of whether the FSS program is a mandatory or voluntary program. Further, this action plan must comply with the requirements specified for the plan in the regulations [24 CFR 984.201(a)].

The regulatory requirements dealing specifically with the FSS action plan itself largely involve the development, revision, and required contents of the action plan. This part covers those requirements.

1-II.B. HUD APPROACH TO POLICY DEVELOPMENT

In developing policy for the FSS action plan, PHAs need to be aware of the distinction HUD makes between mandatory and discretionary policies.

- *Mandatory policies* are those driven by legislation, regulations, current handbooks, notices, and legal opinions.
- *Discretionary policies* consist of those developed for areas in which the PHA has regulatory discretion, or regarding optional, nonbinding guidance including guidebooks, notices that have expired, and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory regulations and to make clear the optional policies the PHA has adopted. The PHA's FSS action plan is the foundation of those policies and procedures for the FSS program. HUD's directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully consider those decisions.

1-II.C. FSS ACTION PLAN DEVELOPMENT AND REVISION

Development of Action Plan [24 CFR 984.201(b) and (c)]

When developing an FSS action plan, a PHA must do so in consultation with the chief executive officer of the applicable unit of general local government and the program coordinating committee (PCC).

For all voluntary or mandatory FSS programs, the PHA must submit its action plan and obtain HUD approval of the plan before it can implement the FSS program. This includes a voluntary program established because the PHA chose to implement an FSS program that exceeds the minimum size for a mandatory program (see Section 2-II.A. for a discussion of mandatory versus voluntary FSS programs).

Single Action Plan [24 CFR 984.201(f)]

PHAs implementing a Section 8 FSS program may submit one action plan. In cases where the PHA decides to submit one plan for more than one program, the policies contained in the action plan would apply to both programs.

PHA Policy

The PHA is implementing a Section 8 FSS program, which may include tenant-based and project-based Section 8, HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, Family Unification Program (FUP), and Foster Youth to Independence Initiative (FYI). The PHA will submit one action plan, the policies in which apply to both programs.

Revision to the FSS Action Plan [24 CFR 984.201(c)(2)]

Following HUD's initial approval of the action plan, no further approval of the action plan is required unless the PHA proposes to make policy changes to the action plan, increase the size of a voluntary program, or revise the FSS action plan as needed to comply with changes in HUD regulations. The PHA must submit any changes to the action plan to HUD for approval.

PHA Policy

The PHA will review and update the action plan at least once a year, and more often if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

1-II.D. CONTENTS OF THE PLAN [24CFR 984.201(d)]

HUD regulations state that there are several components that must be included in the FSS action plan. At a minimum, the action plan must cover the policies and procedures of the PHA for operation of a local FSS program as follows:

- Family demographics, including a description of the number, size, characteristics, and other demographics such as racial and ethnic data, in addition to the supportive service needs of the families expected to participate in the program. (Chapter 1)
- Estimate of participating families, which means the number of families which can reasonably be expected to receive supportive services under the FSS program. (Chapter 2)
- Eligible families from any other local self-sufficiency program who are expected to agree to executing an FSS contract of participation. (Chapter 2)
- A statement of the PHA's FSS family selection procedures, including a description of how the procedures ensure that families are selected without regard to race, color, religion, disability, sex, familial status, or national origin. (Chapter 4)
- A description of the incentives that the PHA intends to offer to families to encourage participation in the FSS program (an incentives plan), including the establishment of the escrow account. (Chapter 4)
- Outreach efforts, which include a description of the PHA's efforts to recruit eligible families, the actions the PHA will take to ensure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known. (Chapter 4)
- A description of the FSS activities and supportive services to be provided by both public and private resources to FSS families, and identification of these public and private resources. (Chapter 4)
- A description of the PHA's method for identifying family support needs, including how the PHA will identify the needs and deliver the services. (Chapter 4)
- A description of the PHA's policies regarding program termination or withholding of services based on a family's failure to comply with the FSS contract, and available grievance procedures. (Chapter 5)
- Assurances of noninterference with rights of non-participating families which state that a family's election to not participate in the FSS program will not affect the family's admission to the Section 8 or public housing program, nor will it affect their right to occupancy in accordance with its lease. (Chapter 4)
- A timetable for implementation of the FSS program, including the schedule for filling FSS slots with eligible FSS families. (Chapter 2)

- A certification that development of the services and activities under the FSS program has been coordinated with programs under Title I of the Workforce Innovation and Opportunity Act, other relevant employment, childcare, transportation, training, education, and financial empowerment programs in the area, and will continue to be coordinated to avoid duplication of services and activities.

Optional Additional Information [24 CFR 984.201(d)(13)].

- HUD encourages additional information in the action plan that would help to determine the soundness of the PHAs proposed FSS program.

PHA Policy

The PHA will submit additional optional information in this action plan that will help HUD determine the soundness of the proposed FSS program.

This information includes:

Policies related to the modification of goals in the ITSP. (Chapter 5)

Policies on the circumstances in which an extension of the contract of participation may be granted. (Chapter 5)

Policies on the interim disbursement of escrow, including any limitations on the use of the funds. (Chapter 6)

Policies regarding eligible uses of forfeited escrow funds by families in good standing. (Chapter 6)

Policies regarding the re-enrollment of previous FSS participants, including graduates and those who exited the program without graduating. (Chapter 4)

Policies on requirements for documentation for goal completion. (Chapter 4)

Policies on documentation of the household's designation of the "head of FSS family." (Chapter 4)

Policies for providing an FSS selection preference for porting families if the PHA elects to offer such a preference. (Chapter 7)

1-II.E. FAMILY DEMOGRAPHICS [24 CFR 984.201(d)(1)]

As part of the required contents of the FSS action plan, family demographics of the Section 8 and public housing program participants serve to provide a description of the number, size, characteristics, and other descriptive data (including racial and ethnic data of those participants). These data may later be used to help the housing authority and the program coordinating committee (PCC) to identify supportive service needs of the families expected to participate in the FSS program.

PURPOSE, SCOPE, AND APPLICABILITY OF THE FAMILY SELF-SUFFICIENCY PROGRAM

INTRODUCTION

This chapter contains information about the FSS program's purpose, size, and measurable objectives as well as information on program operation. This includes potential participant demographics, the program timetable, the number of families to be served, and the size of the PHA's voluntary FSS program. This chapter also contains definitions of the key terms in this FSS action plan.

Part I: The Purpose and Basic Requirements of the FSS program: This part includes a description of the purpose of the FSS program on a national level—its intent, goal, and major strategies.

Part II: The Scope of the FSS program: This part contains information about housing assistance programs eligible to participate in FSS, the size of the PHA's FSS program, an estimate of participating families, eligible families from other self-sufficiency programs, and eligibility for combined FSS programs.

Part III: Program Operation: This part specifies the requirements for FSS program operation, including voluntary FSS program implementation.

Part IV: The Definitions of Terms Used in the PHA's FSS program: This section contains both HUD and PHA definitions for terms used in this policy document.

PART I: PURPOSE AND BASIC REQUIREMENTS OF THE FSS PROGRAM

2-I.A. PURPOSE

The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources enabling families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency [984.101(a)(1)].

In addition to this broader national goal of the FSS program, the PHA also establishes a local goal consistent with the PHA's mission statement to serve as a guide for establishing policy and implementing the FSS program.

PHA Policy

The PHA's local goal in operating this FSS program is to match housing-assisted families with a broad range of highly collaborative existing community services to assist FSS families in achieving economic self-sufficiency. *Economic self-sufficiency* is defined as having the sustainable skills necessary to maintain employment paying a "living wage." This wage would pay for the family's basic needs without the use of government subsidies.

2-I.B. PROGRAM OBJECTIVES [24 CFR 984.102]

In order to reach the FSS national program goal, HUD has defined its FSS program objective as to reduce the dependency of low-income families on welfare assistance and on housing subsidies. Under the FSS program, low-income families are provided opportunities for education, job training, counseling, and other forms of social service assistance while living in assisted housing so that they may obtain the education, employment, business and social skills necessary to achieve self-sufficiency. As with the goals of the program, FSS program objectives are defined on the national level through FSS regulation, and on the local level by PHA policy.

PHA Policy

On the local level, the PHA will achieve the national program objective by offering low-income families a broad range of services through partnering with the program coordinating committee (PCC). These services will provide long-term education, job training, counseling, and other forms of social service assistance so that families may achieve economic self-sufficiency, as defined in Section 2-I.A. of this document.

2-I.C. BASIC REQUIREMENTS OF THE FSS PROGRAM [24 CFR 984.104]

An FSS program established under 24 CFR Part 984 must operate in conformity with the regulations and this FSS action plan (as required in 24 CFR 984.201, provide comprehensive supportive services as defined in 24 CFR 984.103, and operate in compliance with nondiscrimination and equal opportunity requirements.

PART II: SCOPE OF THE FSS PROGRAM

2-II.A. HOUSING-ASSISTED FAMILIES ELIGIBLE TO PARTICIPATE IN FSS

The Section 8 and public housing programs through which families are eligible to participate in the FSS program was expanded by the 2018 Economic Growth Act to allow participants in HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, and Family Unification Program (FUP), including the Foster Youth to Independence (FYI) Initiative.

2-II.B. PHAs REQUIRED TO OPERATE AN FSS PROGRAM

Each PHA that received funding for public housing units under the FY 1991 and FY 1992 FSS incentive award competitions must operate a public housing FSS program. Each PHA that received funding for Section 8 rental certificates or vouchers under the combined FY 1991/1992 FSS incentive award competition also must operate a Section 8 FSS program.

In addition, unless the PHA receives an exemption under 24 CFR 984.105, each PHA for which HUD reserved funding (budget authority) for additional rental certificates or vouchers in FY 1993 through October 20, 1998, must operate a Section 8 FSS program. Each PHA for which HUD reserved funding (budget authority) to acquire or construct additional public housing units in FY 1993 through October 20, 1998, must operate a public housing FSS program as well.

Every PHA that was required to administer an FSS program on May 24, 2018 (the enactment date of the Economic Growth, Regulatory Relief, and Consumer Protection Act) must continue to operate that FSS program for the total number of families determined by HUD on that date unless the PHA receives an exception as described in 24 CFR 984.105(d).

Mandatory Minimum Program Size (MMPS) [24 CFR 984.105]

PHAs that are required to operate an FSS program under 24 CFR 984.101 are subject to a minimum program size requirement.

PHA Minimum Program Size

As determined by HUD as of May 24, 2018, the PHA's FSS MMPS is 25.

Maintaining Mandatory Minimum Program Size

Although the discretion to do so ultimately rests with the PHA, mandatory minimum program size can decrease as FSS participants successfully complete the program. Per the regulation, for each family that completes the program by fulfilling its FSS contract of participation on or after May 24, 2018, the mandatory minimum program size for a PHA's FSS program is reduced by one slot. However, if an FSS slot is vacated by a family that has not completed its FSS contract of participation obligations, the slot must be filled by a replacement family which has been selected in accordance with the FSS family selection procedures [24 CFR 984.105(b)(2)].

PHA Policy

The PHA will reduce the FSS mandatory minimum program size by one for each family that graduates from the program by completing their obligations under the contract and increase the voluntary size by one for each reduction to maintain an overall FSS program size of 25.

Option to Operate Larger FSS Program

A PHA may choose to operate an FSS program of a larger size than the minimum required by HUD [24 CFR 984.105(a)(3)].

PHA Policy

The PHA will not operate an FSS program of a larger size than its mandatory minimum program size.

Exception to Program Operation [24 CFR 984.105(c)]

The requirement to establish and carry out an FSS program may be waived with approval from HUD. In order to waive the requirement, the PHA must provide a certification to HUD that the establishment and operation of an FSS program is not feasible because of a lack of accessible supportive services funding, a lack of the availability of programs under the Workforce Innovation and Opportunity Act, a lack of funding for reasonable administrative costs, a lack of cooperation by other units of state or local government, or a lack of interest in participating in the FSS program on the part of eligible families.

An exception will not be granted if HUD determines that local circumstances do not preclude the PHA from effectively operating an FSS program that is smaller than the minimum program size.

Reduction in Program Size

Rather than a full exception to program operation, a PHA may also be permitted to operate an FSS program that is smaller than the minimum program size. As with the full exception, HUD may grant the PHA such a partial exception if the PHA provides to HUD a certification that the operation of an FSS program of the minimum program size is not feasible because of a decrease in or lack of accessible supportive services [24 CFR 984.105(d)].

Expiration of Exception

The approval for a full or partial exception to the FSS minimum program size requirement expires five years from the date of HUD approval of the exception. If a PHA seeks to continue an exception after its expiration, the PHA must submit a new request and a new certification to HUD for consideration [24 CFR 984.105(e)].

2-II.C. COOPERATIVE AGREEMENTS [24 CFR 984.106]

A PHA may enter into a Cooperative Agreement with one or more multifamily-assisted housing owners to voluntarily make the PHA's FSS program available to the owner's housing tenants. The Cooperative Agreement must include all the requirements for such agreements found in 24 CFR 984.106 and 24 CFR 887.107.

PHA Policy

The PHA will not enter into a Cooperative Agreement with multifamily-assisted housing owners to voluntarily make its FSS program available to those owner's housing residents.

2-II.D. ESTIMATE OF PARTICIPATING FAMILIES [24 CFR 984.201(d)(2)]

The PHA must state the number of eligible FSS families who can reasonably be expected to receive supportive services under the FSS program based on available and anticipated federal, tribal, state, local, and private resources.

PHA Policy

Twenty-five eligible FSS families can reasonably be expected to receive supportive services under the FSS program, based on available and anticipated federal, tribal, state, local, and private resources.

2-II.E. ELIGIBLE FAMILIES FROM OTHER SELF-SUFFICIENCY PROGRAMS [24 CFR 984.201(d)(3)]

If applicable, the PHA must enter the number of families, by program type, who are participating in any other local housing self-sufficiency program who are expected to agree to execute an FSS contract of participation.

PHA Policy

The PHA operates the Foster Youth Initiative in which one family can be enrolled. Of those families, one family may agree to execute an FSS contract of participation. We will also be serving families within our Housing Choice Voucher Homeownership program. There is no limit cap on the homeownership program participants.

2-II.F. ELIGIBILITY OF A COMBINED PROGRAM [24 CFR 984.201(e)]

A PHA that wishes to operate a joint FSS program with other PHAs or owners of multifamily-assisted housing may combine its resources with one or more of these entities to deliver supportive services under a joint action plan that will provide for the establishment and operation of a combined FSS program that meets the requirements of this part.

PHA Policy

The PHA will not combine its resources with any other PHA to deliver support services, have a joint action plan, or establish or operate a combined FSS Program.

PART III: PROGRAM OPERATION

2-III.A. OVERVIEW

Federal regulations specify requirements for FSS program operation regarding deadlines for program start-up and when the PHA is expected to have attained full enrollment. A timetable illustrating when the PHA intends to meet these deadlines is included as part of the required contents of the action plan.

2-III.B. PROGRAM IMPLEMENTATION DEADLINE

The deadlines for program implementation differ depending on whether the FSS program is voluntary or mandatory.

Voluntary Program [24 CFR 984.301(a)]

There is no deadline for implementation of a voluntary program. However, a voluntary program may not be implemented before the requirements specified in 24 CFR 984.201 have been satisfied (see Sections 1-II.A.–1-II.D.).

2-III.C. TIMETABLE FOR PROGRAM IMPLEMENTATION [24 CFR 984.201(d)(13)]

A timetable for implementation of the FSS program is part of the required contents of the FSS action plan.

PHA Policy

For voluntary programs, the PHA will implement the FSS program within one year from the date of approval of either the FSS action plan by the HUD field office, or within the time identified in the applicable FSS funding contract with HUD.

For mandatory FSS programs, the PHA has the obligation to continue to fill their mandatory FSS slots effective May 24, 2018, as determined by the HUD field office.

The PHA has been implementing its FSS program activities that are listed below since January 2003 when we were no longer a mandatory program. Below are the dates of program implementation after the Action Plan has been approved:

PART IV: DEFINITIONS

2-IV.A. DEFINITIONS [24 CFR 984.103]

The terms *1937 Act*, *fair market rent*, *HUD*, *low-income family*, *public housing*, *public housing agency (PHA)*, *secretary*, and *Section 8*, as used in this document are defined in the 24 CFR Part 5.

The term *very low-income family* is defined in 24 CFR 813.102 and 24 CFR 913.102.

The terms used in this document have the following definitions as defined by 24 CFR 984.103 and this family self-sufficiency action plan.

Baseline annual earned income means the FSS family's total annual earned income from wages and business income (if any) as of the effective date of the FSS contract. When calculating baseline annual earned income, all applicable exclusions of income must be applied, *except for* any disregarded earned income or other adjustments associated with self-sufficiency incentives that may apply to the determination of annual income.

Baseline monthly rent means 1) the FSS family's total tenant payment (TTP), as of the effective date of the FSS contract, for families paying an income-based rent as of the effective date of the FSS contract; or 2) the amount of the flat or ceiling rent (which includes the applicable utility allowance), and including any hardship discounts, as of the effective date of the FSS contract. For families paying a flat or ceiling rent this is as of the effective date of the FSS contract.

PHA Policy

Benefits means a government benefit of money or monetary value given to an individual by a federal, state, or local government agency for purposes of financial assistance, including but not limited to, Medicaid, supplemental nutritional assistance program benefits and Social Security, Temporary Assistance for Needy Families, and unemployment compensation benefits.

PHA Policy

Benefits cliff means the sudden and often unexpected decrease in public benefits that can occur with a small increase in earnings. When income increases, families sometimes lose some or all economic supports.

PHA Policy

Certain interim goals means the family has met all its obligations under the CoP to date, including completion of the ITSP interim goals and tasks to date.

Certification means a written assertion based on supporting evidence, provided by the FSS family or the PHA or owner, which must be maintained by the PHA or owner in the case of the family's certification, or by HUD in the case of the PHA's or owner's certification. These must be made available for inspection by HUD, the PHA or owner, and the public, when appropriate. In addition, these will be considered accurate unless the Secretary or the PHA or owner, as applicable, determines otherwise after inspecting the evidence and providing due notice and opportunity for comment.

Chief executive officer (CEO) means the CEO of a unit of general local government who is the elected official or the legally designated official having primary responsibility for the conduct of that entity's governmental affairs.

Contract of participation (CoP) means a contract in a form approved by HUD, entered into between a participating FSS family and a PHA operating an FSS program that sets forth the terms and conditions governing participation in the FSS program. The contract of participation includes all individual training and services plans entered in between the PHA and all members of the family who will participate in the FSS program, and which plans are attached to the contract of participation as exhibits. For additional detail, see 24 CFR 984.303.

Current annual earned income means the FSS family's total annual earned income from wages and business income (if any) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract. When calculating current annual earned income, all applicable exclusions of income will apply, including any disregarded earned income and other adjustments associated with self-sufficiency incentives or other alternative rent structures that may be applicable to the determination of annual income.

Current monthly rent means either the FSS family's TTP as of the most recent reexamination of income, which occurs after the effective date of the FSS contract, for families paying an income-based rent as of the most recent reexamination of income; or the amount of the flat rent, including applicable utility allowance or ceiling rent. This amount must include any hardship discounts, as of the most recent reexamination of income, which occurs after the effective date of the FSS contract, for families paying a flat rent or ceiling rent as of the most recent reexamination of income.

Earned income means income or earnings included in annual income from wages, tips, salaries, other employee compensation, and self-employment. Earned income does not include any pension or annuity, transfer payments, any cash or in-kind benefits, or funds deposited in or accrued interest on the FSS escrow account established by a PHA on behalf of a participating family.

Effective date of contract of participation means the first day of the month following the month in which the FSS family and the PHA entered into the contract of participation.

Eligible families for the FSS program means current participants in Section 8, residents of public housing, or residents in multifamily-assisted housing if a Cooperative Agreement exists.

PHA Policy

Enhance the effectiveness of the FSS program means a demonstrable improvement in the quality of an FSS program in which the enrollment ratio, escrow balance average, and graduation rate is at or above the national average as measured in HUD's Composite Scores in FR Notice 11/15/18.

Enrollment means the date that the FSS family entered the contract of participation with the PHA.

Family self-sufficiency program or FSS program means the program established by a PHA within its jurisdiction to promote self-sufficiency among participating families, including the provision of supportive services to these families, as authorized by section 23 of the 1937 Act.

FSS escrow account means the FSS escrow account authorized by section 23 of the 1937 Act.

FSS escrow credit means the amount credited by the PHA to the participating family's FSS account.

FSS family means a family that receives Section 8 assistance or resides in public housing (section 9), that elects to participate in the FSS program, and whose designated adult member (head of FSS family) has signed the CoP.

FSS family in good standing means an FSS family that is in compliance with their FSS CoP, has either satisfied or are current on any debts owed the PHA or owner, and is in compliance with the regulations in 24 CFR Part 5 regarding participation in the relevant rental assistance program.

FSS-related service program means any program, publicly or privately sponsored, that offers the kinds of supportive services described in the definition of *supportive services*.

FSS slots refer to the total number of public housing units or the total number of rental vouchers that comprise the minimum size of a PHA's respective Section 8 and public housing FSS program.

FSS Program Coordinator means the person(s) who runs the FSS program. This may include (but is not limited to) performing outreach, recruitment, and retention of FSS participants; goal setting and case management/coaching of FSS participants; collaborating with the community and service partners; and tracking program performance.

FY means federal fiscal year (starting with October 1, and ending September 30, and designated by the calendar year in which it ends).

Head of FSS family means the designated adult family member of the FSS family who has signed the CoP. The head of FSS family may, but is not required to be, the head of the household for purposes of determining income eligibility and rent.

Individual Training and Services Plan (ITSP) means a written plan that is prepared by the PHA or owner in consultation with a participating FSS family member (the person with for and whom the ITSP is being developed), and which describes the final and interim goals for the participating FSS family member, the supportive services to be provided to the participating FSS family member, the activities to be completed by that family member, and the agreed upon completion dates for the goals, and activities. Each ITSP must be signed by the PHA or owner and the participating FSS family member and is attached to and incorporated as part of the CoP. An ITSP must be prepared for each adult family member who elects to participate in the FSS program, including the head of FSS family who has signed the CoP.

PHA Policy

Knowledgeable professional means a person who is knowledgeable about the situation, has training, education, certification, or licensure provided by recognized professional associations and institutions that legitimizes their professional opinion, is competent to render a professional opinion, and is not able to gain, monetarily or otherwise, from the PHA FSS program decision in the area to which they are certifying.

Multifamily-assisted housing, also known as project-based rental assistance (PBRA), means rental housing assisted by a Section 8 Housing Payments Program, pursuant to 24 CFR Parts 880, 881, 883, 884, and 886.

PHA Policy

Other costs related to achieving obligations in the contract of participation means any costs necessary to complete an interim goal, a final goal, or tasks related to such in the ITSP.

Owner means the owner of multifamily-assisted housing.

Participating family is defined as *FSS family* in this section.

Program coordinating committee (PCC) means the committee described in 24 CFR 984.202.

Public housing means housing assisted under the 1937 Act, excluding housing assisted under Section 8 of the 1937 Act.

Section 8 means assistance provided under Section 8 of the 1937 Act (42 U.S.C. 1437f). Specifically, multifamily-assisted housing, as defined in this section; tenant-based and project-based rental assistance under section 8(o) of the 1937 Act; the HCV homeownership option under section 8(y) of the 1937 Act; Family Unification Program (FUP) assistance under section 8(x) of the 1937 Act; and the Section 8 Moderate Rehabilitation (Mod Rehab) for low-income families and Moderate Rehabilitation Single Room Occupancy (Mod Rehab SRO) for homeless individuals under 24 CFR part 882.

Self-sufficiency means that an FSS family is no longer receiving Section 8, public housing assistance, or any federal, state, or local rent or homeownership subsidies or welfare assistance. Achievement of self-sufficiency, although an FSS program objective, is not a condition for receipt of the FSS account funds.

PHA Policy

Supports means, but is not limited to, transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator.

Supportive services mean those appropriate services that a PHA will coordinate on behalf of an FSS family under a CoP. These may include child care of a type that provides sufficient hours of operation and serves an appropriate range of ages; transportation necessary to enable a participating family to receive available services or to commute to their places of employment; remedial education; education for completion of secondary or post-secondary schooling; job training, preparation, and counseling; job development and placement; follow-up assistance after job placement and completion of the contract of participation; substance/alcohol abuse treatment and counseling; training in homemaking and parenting skills; and personal welfare services that include substance/alcohol abuse treatment and counseling, and health, dental, mental health and health insurance services; household management; money management; counseling regarding homeownership or opportunities available for affordable rental and homeownership in the private housing market (including information on an individual's rights under the Fair Housing Act) and financial empowerment that may include financial literacy, coaching, asset building, money management; and any other services and resources, including case management and reasonable accommodations for individuals with disabilities, that the PHA may determine to be appropriate in assisting FSS families to achieve economic independence and self-sufficiency.

Unit size or *size of unit* refers to the number of bedrooms in a dwelling unit.

Very low-income family is defined as set out in 24 CFR 813.102

Welfare assistance means (for purposes of the FSS program only) income assistance from federal or state welfare programs and includes only cash maintenance payments designed to meet a family's ongoing basic needs. Welfare assistance does not include nonrecurrent, short-term benefits that are designed to deal with a specific crisis situation or episode of need, or are not intended to meet recurrent or ongoing needs and will not extend beyond four months; work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training); supportive services such as child care and transportation provided to families who are employed; refundable earned income tax credits; contributions to, and distributions from, individual development accounts under TANF; services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement and other employment-related services that do not provide basic income support; transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Social Security Act, to an individual who is not otherwise receiving assistance; amounts solely directed to meeting housing expenses; amounts for health care; food stamps and emergency rental and utilities assistance; and SSI, SSDI, or social security.

Chapter 3

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices as they are relevant to the activities covered in this plan. The policies and practices are discussed in two parts:

Part I: Staffing, Fees and Costs, and On-Site Facilities: This part describes identifying appropriate staff and contractors to operate the FSS program and provide the necessary direct services to FSS families. In addition, it describes how administrative fees, costs, and supportive services will be funded, and defines the use of on-site facilities.

Part II: The Program Coordinating Committee: This part covers the establishment of a program coordinating committee (PCC), which is a regulatory requirement in all FSS programs other than multifamily housing assistance. It describes required and recommended PCC membership, in addition to the option for an alternative committee.

PART I: STAFFING, FEES AND COSTS, AND ON-SITE FACILITIES

3-I.A. OVERVIEW

Several functions of program administration are crucial to running an FSS program. A PHA may need to employ a program coordinator or decide to contract with another organization to administer the program. In addition to staffing issues, PHAs should understand how program funding and expenses work to keep the program running smoothly. Finally, PHAs need to sort out whether and how to make common areas or unoccupied units available to provide supportive services.

3-I.B. PROGRAM ADMINISTRATION STAFF AND CONTRACTORS [24 CFR 984.301(b)]

PHAs have the choice between hiring their own staff and contracting with an outside organization to administer their FSS program. If the PHA should choose to employ its own staff, the staffing levels should be appropriate, and may include one or more FSS coordinators. If the PHA chooses to contract with an outside organization, the organization's staffing levels must likewise be appropriate to establish and administer the FSS program, and whether the organization's responsibilities would include managing the FSS account in accordance with federal regulations.

PHA Policy

The PHA will employ appropriate staff, including one or more FSS coordinators or program coordinators to administer its FSS program.

3-I.C. FSS PROGRAM COORDINATOR RESPONSIBILITIES

Primary Role of the FSS Program Coordinator

The FSS Program Coordinator is responsible for building partnerships with service providers in the community, working with the Program Coordinating Committee (PCC) and local service providers to ensure that FSS program participants are linked to the supportive services they need to achieve self-sufficiency, preparing an Individual Training and Services Plan (ITSP) for the head of the FSS family and each adult member of the FSS family who elects to participate in the FSS program, making certain that the services included in the participants' CoP are provided on a regular, ongoing, and satisfactory basis, ensuring FSS participants are fulfilling their responsibilities under the CoPs, monitoring progress of participants, and establishing and properly maintaining FSS escrow accounts for eligible families. FSS coordinators may also provide outreach, recruitment, goal setting, case management and coaching for FSS participants, and tracking of FSS program performance.

FSS Program Coordinators funded under the FSS Coordinator Notice of Funding Opportunity (NOFO) may not perform the routine public housing or Section 8 program functions of housing eligibility, leasing, rent calculation, and portability that are funded through Section 8 administrative fees or public housing operating funds unless doing so would enhance the effectiveness of the program. If conducting these functions would enhance the effectiveness of the FSS program, the PHA must seek prior approval from HUD of those enhancements to the FSS program and certify that doing so will neither interfere with the FSS Coordinator's ability to fulfill their primary role nor be used to balance or fill in for gaps in traditional staffing.

Performance of routine Section 8 or public housing functions for non-FSS families does not enhance the effectiveness of the FSS program and is therefore an ineligible use of FSS funds [2021 FSS NOFO, p. 36].

PHA Policy

The PHA will request and provide the rationale to the HUD Field Office to require FSS Program Coordinator to perform the routine Section 8 or public housing program functions of housing eligibility, lease up, rent calculation and portability that are funded through Section 8 administrative fees or public housing operating funds.

3-I.D. ADMINISTRATIVE FEES AND COSTS

The Consolidated Appropriations Act of 2014 combined funding streams for the Section 8 and public housing FSS programs. FSS funding is now awarded through one NOFO. Use of this funding is no longer restricted to the applicable program and funding now may be used to serve both Section 8 and public housing FSS participants. Funding for FSS Coordinators salary, benefits, and training as well as limited administrative costs is awarded through a Grant Agreement and disbursed through HUD's Line of Credit Control System (LOCCS), rather than as an amendment to the PHA's Annual Contributions Contract (ACC). These funds are separate from other available funds that may be used.

Section 8 FSS Program

In the Section 8 programs, administrative fees are paid to PHAs for HUD-approved costs associated with the operation of an FSS program. These administrative fees are established by Congress and subject to appropriations [24 CFR 984.302(b)].

In addition, administrative fees for HUD-approved costs not specifically related to the operation of the FSS program may be used to cover these costs associated with the administration of FSS [see Notice PIH 93-24 E-7 and E-8].

See 24 CFR 982.152 and PIH 2022-18 for details on the eligible use of administrative fees.

Public Housing FSS Program

For public housing FSS programs, the performance funding system (PFS), provided under section 9(a) of the 1937 Act, provides for the reasonable and eligible administrative costs that the PHA incurs in carrying out the program only when funds have been appropriated. However, a PHA may use other resources for this purpose [24 CFR 984.302(a)].

In other words, the PHA may fund reasonable and eligible administrative costs in the FSS program from the Operating Fund. However, these expenses will only be reimbursed in the operating subsidy when a current appropriations act allows it. In addition, the PHA may fund reasonable and eligible administrative costs from the Capital Fund. Administrative staffing costs may also be funded through HUD or other grant or foundation sources. This includes FSS Coordinator grants when available.

PHA Policy

The PHA will make \$10,000 available to provide administrative costs under the FSS public housing program if the PHA administers such a program.

3-I.E. SUPPORTIVE SERVICES FEES AND COSTS

Section 8 FSS Supportive Services

In the Section 8 program, the PHA may fund reasonable and eligible FSS supportive service costs in the FSS program from unrestricted net position [see Notice PIH 93-24, E-3].

The PHA may seek additional funds from HUD through submitting grant applications or seek grants from other sources when available.

In addition to unrestricted net position and other grant sources, the FSS forfeited escrow account can fund FSS supportive services. See Section 6-I.E. for eligible supportive services costs.

Public Housing FSS Supportive Services

In public housing, the PHA may fund reasonable and eligible FSS supportive service costs in the FSS program from the Operating Fund. However, the costs of FSS supportive services are only reimbursed through the operating subsidy when appropriations allow it.

FSS public housing supportive services can also be funded through other HUD grants or related government and foundation grants, when available.

PHA Policy

The PHA will not make funds available from the Section 8 unrestricted net position or public housing operating fund to provide supportive services costs to the FSS program.

3-I.F. USE OF FORFEITED ESCROW ACCOUNTS FUNDS

In addition to Section 8 unrestricted net assets, public housing operating funds, and other grant sources, the FSS forfeited escrow account funds must be used for the benefit of FSS participants, which includes supports and other costs for FSS participants in good standing. HUD does not provide an exhaustive list of these supports. However, the supports include, but are not limited to, transportation, childcare, training, testing fees, employment preparation costs, and other costs related to achieving obligations outlined in the contract of participation as well as training for FSS Program Coordinators.

PHA Policy

The PHA will use forfeited escrow accounts for support and other costs for FSS participants in good standing when funds requested are needed to complete an interim goal or task in the ITSP and are not ongoing expenses or if the family can demonstrate that the need for one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, pager, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals in the ITSP.

The PHA will use forfeited escrow accounts for training provided to FSS Coordinators.

The PHA will define *supports* as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s)

The PHA will define *other costs related to achieving obligations in the CoP* as any costs necessary to complete an interim goal, a final goal, or tasks related to such in the ITSP as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s).

The PHA will define *necessary to complete* as meaning that no other resources are available in the community either because such a resource is non-existent or that resources are utilized above capacity and agencies cannot, for an indetermined period, provide such a resource.

The PHA will provide funds from the forfeited escrow account to FSS participants in good standing before requiring the participant to use an “interim” disbursement from their current escrow account so long as:

The funds requested are needed to complete an interim goal or task within the CoP and are not ongoing expenses; or

If the family has demonstrated that the need for one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, pager, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals.

The PHA will prioritize requests for funds from forfeited escrow accounts initially on a first come first served basis based on the date and time of the request. After that order is established, while still preserving the first come first served basis, the PHA will apply the following priorities:

Priority 1: Funds to meet a goal in the ITSP that is necessary to ensure the safety and wellbeing of victims of domestic violence, dating violence, sexual assault, and stalking as defined in the PHA's Section 8 Administrative Plan and public housing Admissions and Continued Occupancy Policy regarding VAWA.

Priority 2: Funds to meet a goal in the ITSP that is necessary to stabilize health, safety, and welfare of the FSS participant or family that if left unattended would jeopardize education, training, or employment.

Priority 3: Funds to meet a goal in the ITSP that is necessary to further education, training, and employment goals in the ITSP including childcare, transportation, and medical costs if the lack of any of these prevents completion of the education, training, and employment.

Priority 4: Funds to meet a goal in the ITSP that is necessary to further any other goal or tasks.

3-I.G. ON-SITE FACILITIES

Each PHA may, subject to the approval of HUD, make available and utilize common areas or unoccupied dwelling units in public housing projects to provide supportive services under an FSS program. This includes using such areas for participants in a Section 8 FSS program.

PHA Policy

The PHA will make Brainerd HRA office building available to provide supportive services under the Section 8 program.

PART II: PROGRAM COORDINATING COMMITTEE

3-II.A. OVERVIEW

As another integral part of FSS program administration, each participating PHA must establish a program coordinating committee (PCC) whose functions will be to assist the PHA in securing commitments of public and private resources for the operation of the FSS program within the PHA's jurisdiction, including assistance in developing the action plan and in implementing the program [24 CFR 984.202(a)].

The PCC must consist of specific members, which are dependent upon whether the PHA is operating Section 8, public housing, or multifamily assisted housing FSS programs. In addition to these required members, the PCC may also include additional members recommended by regulation.

3-II.B. PROGRAM COORDINATING COMMITTEE MEMBERSHIP

Required PCC Membership [24 CFR 984.202(b)(1)]

The PCC required members consist of representatives of the PHA, including at least one FSS Program Coordinator, and one or more participants from each HUD rental assistance program (Section 8, public housing, or multifamily assisted housing) served by the PHA's FSS program.

PHA Policy

The PHA's representative to the program coordinating committee will be the FSS Coordinator.

Assistance in Identifying Potential PCC Members [24 CFR 984.202(b)(1)]

The PHA may seek assistance from area-wide, city-wide, or development-based resident councils, the resident management corporation, or the Resident Advisory Board, in identifying potential PCC members.

PHA Policy

The PHA will seek assistance in identifying potential members of the PCC from area-wide, city-wide, and development-based resident councils, the resident management corporation, or the Resident Advisory Board.

Recommended PCC Membership [24 CFR 984.202(b)(2)]

Membership on the PCC also may include representatives of the unit of general local government served by the PHA, local agencies (if any) responsible for carrying out employment training programs or programs funded under the Workforce Innovation and Investment Act, and other organizations, such as other state, local, or tribal welfare and employment agencies, public and private education or training institutions, child care providers, nonprofit service providers, private business, and any other public and private service providers with resources to assist the FSS program.

PHA Policy

The PHA's FSS program coordinating committee membership will include leadership from the following organizations:

Crow Wing County Community Services

Lutheran Social Services

Bridges of Hope

Tri-County Community Action Program

Salvation Army

Rural Minnesota CEP

Central Lakes College

Nystrom & Associates Mental Health Agency

Women's Center of Mid-Minnesota

Habitat for Humanity

CareerForce

Northern Pines Mental Health Center

3-II.C. ALTERNATIVE PCC COMMITTEE [24 CFR 984.202(c)]

It is also possible for the PHA, in consultation with the chief executive officer of the unit of general local government served by the PHA, to use an existing entity as the PCC, if the membership of the existing entity consists or will consist of the individuals required by regulation (See section 3-II.B. above).

PHA Policy

The PHA will utilize the HOPE Advisory Board Community Resource Committee an existing entity as its program coordinating committee.

Chapter 4

SELECTING AND SERVING FSS FAMILIES

INTRODUCTION

FSS regulations require that the PHA include in its action plan a statement indicating how it will select families for participation in the FSS program. This includes outreach, waiting list management, and other selection procedures. When followed, the PHA's selection procedures ensure that families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

Once selected for participation in the FSS program, families are to be provided various activities and supportive services so that they may obtain the education, employment, business, and social skills necessary to achieve self-sufficiency. A description of such activities and supportive services is also a requirement of the FSS action plan.

This chapter contains three parts:

Part I: Incentives, Outreach, and Assurance of Noninterference: This part describes the incentives the PHA will offer and the outreach efforts the PHA will use to encourage participation and recruit eligible families for the FSS program and contains the required assurance of noninterference with the rights of nonparticipating families.

Part II: Family Selection: This part covers whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so. In addition, this part describes the selection factors the PHA will use in screening families for participation in the FSS program.

Part III: Activities and Support Services: This part lists the activities and supportive services to be provided to families through both public and private resources, describes the method the PHA will use to identify family support needs, and covers the required certification of coordination.

PART I: INCENTIVES, OUTREACH, AND ASSURANCE OF NONINTERFERENCE

4-I.A. OVERVIEW

The FSS program offers incentives such as the FSS escrow account, case management, coaching, and other supportive services that not only encourage participation, but also help families achieve self-sufficiency. In addition to encouraging program participation through such incentives, PHAs also conduct outreach to recruit FSS participants from among eligible families. As part of this process, families need to know that their choice as to whether to participate in the FSS program will not affect their admission to the Section 8 or public housing programs, nor will it affect their right to occupancy. This part describes the PHA's policies regarding these issues, all of which are required aspects of the FSS action plan.

4-I.B. INCENTIVES FOR PARTICIPATION [24 984.201(d)(5)]

By regulation, the FSS action plan must include a PHA's incentives plan—a description of the incentives that the PHA intends to offer eligible families to encourage their participation in the

FSS program. The incentives plan provides for the establishment of the FSS escrow account and any other incentives designed by the PHA.

PHA Policy

The PHA will offer the following services, as needed to complete obligations in the contract, to its FSS participants as incentives to participate in FSS.

Incentive	Provided By	Description

Priority in educational programs	Brainerd HRA	FSS participants receive priority returning or enrolled in higher education
Priority in specific support services	Brainerd HRA	Will provide supportive services to any FSS applicant or participant expressing wishes to become more self-sufficient. FSS coordinator will complete trauma-based training to ensure needs are getting met by all applicants & participants.

4-I.C. OUTREACH EFFORTS [24 CFR 984.201(d)(6)(i)(ii)]

In addition to offering incentives for FSS participation, PHAs also conduct outreach to recruit more FSS participants from eligible families. The FSS action plan must include a description of these efforts to recruit FSS participants, including notification and outreach, the actions the PHA will take to assure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known.

PHA Policy

The PHA will notify eligible families about the FSS program using the following outreach locations, activities, methods. These points of contact and methods have been selected to ensure that both minority and nonminority groups are informed about the FSS program.

Location/Activity	Staff/Partner	Method	Language
Briefings/Orientations	PHA Staff Specialist	Flyer Presentation	PHA will provide information in packets and verbalize to applicants the program benefits. Process on how to apply and answer any additional questions. Will assist with the pre-application.

4-I.D. ASSURANCE OF NONINTERFERENCE WITH THE RIGHTS OF NONPARTICIPATING FAMILIES [24 CFR 984.201(d)(10)]

A family's housing assistance or admission into assisted housing should never depend on whether they choose to participate in the FSS program, and PHAs need to make this known as part of the recruitment process. For this reason, the PHA's action plan must include an assurance that a family's decision to not participate in the FSS program will not affect the family's admission to the Section 8 or public housing programs, nor will it affect the family's right to occupancy in accordance with the lease.

PHA Policy

Participation in the FSS program is strictly voluntary. Section 8 participants and public housing residents will be notified in all literature and media presentations related to the FSS program that should they decide not to participate in the FSS program, it will not affect their Section 8 or public housing. This material will also specify that the family will retain the right to occupancy according to their lease and family obligations contract.

PART II: FAMILY SELECTION

4-II.A. OVERVIEW

The FSS action plan is required to contain a statement indicating the procedures for selecting families for FSS program participation, including a description of how the PHA will do so without regard to race, color, religion, sex (including actual or perceived gender identity), familial status, or national origin. This part describes these procedures, considering whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so, in addition to defining the factors the PHA will use in screening families for program participation.

4-II.B. FSS SELECTION PREFERENCES

As part of the process for selecting families for participation in the FSS program, the PHA may choose whether to employ the use of preferences. If the PHA so chooses, it has the option of giving a selection preference for up to 50 percent of its FSS program slots to eligible families who have one or more family members currently enrolled in an FSS-related service program or who are on the waiting list for such a program. Such a preference may be further limited to participants in and applicants for one or more specific eligible FSS-related service programs.

Should the PHA choose to adopt such a preference, it would need to include the following information in its action plan:

- The percentage of FSS slots, not to exceed 50 percent of the total number of FSS slots for each of its FSS programs, for which it will give a selection preference
- The FSS related service programs to which it will give a selection preference to the programs' participants and applicants
- The method of outreach to and selection of families with one or more members participating in the identified programs [24 CFR 984.203(a)]

A PHA may wish to adopt additional selection preferences as well [Notice PIH 93-24].

PHA Policy

The PHA will not adopt the use of any other preferences when selecting families for participation in the FSS program.

The PHA may use either of the following to select among applicants on the FSS waiting list with the same preference status [24 CFR 984.203(b)]:

- Date and time of application to the FSS program; or
- A drawing or other random choice technique.

PHA Policy

The PHA will use the date the family expressed an interest in participating in the FSS program to fill the FSS slots.

4-II.C. SELECTION FACTORS

Many factors contribute to whether a PHA may choose to select a family for participation in the FSS program. These selection factors can help the PHA screen families for admission, and ultimately contribute to the PHA's decision to either allow or deny a family's admission into the FSS program.

Motivation Selection Factors [24 CFR 984.203(d)(1)]

A PHA may screen families for interest and motivation to participate in the FSS program provided that the factors utilized by the PHA are those which solely measure the family's interest and motivation to participate in the FSS program. For this reason, PHAs must only apply motivational screening factors that are permissible under the regulations.

Permissible Motivation Selection Factors

Permitted motivational factors include requiring attendance at FSS orientation sessions or pre-selection interviews or assigning certain tasks indicating the family's willingness to undertake the obligations that may be imposed by the FSS contract of participation. However, any tasks assigned should be readily accomplishable by the family based on the family members' educational level, abilities, or disabilities, if any. Reasonable accommodations must be made for individuals whose disability (mobility, manual, sensory, speech impairments, mental, or developmental disabilities) creates a barrier to accomplishing the tasks [24 CFR 984.203(d)(2)].

PHA Policy

The PHA will not screen families for interest and motivation to participate in the FSS program.

Prohibited Motivation Selection Factors

Prohibited motivational screening factors include the family's educational level, educational or standardized motivational test results, previous job history or job performance, credit rating, marital status, number of children, or other factors, such as sensory or manual skills, and any factors which may result in discriminatory practices or treatment toward individuals with disabilities or minority or nonminority groups [24 CFR 984.203(d)(3)].

Other Selection Factors

In addition to motivational screening, the PHA may also wish to screen families for the following additional factors.

PHA Debt Selection Factor

The PHA may deny FSS participation to a family if the family owes the PHA, or another PHA, money in connection with Section 8 or public housing assistance [Notice PIH 93-24, B-18].

PHA Policy

The PHA will deny FSS participation to a family if the family owes the PHA, or another PHA, money in connection with Section 8 or public housing assistance. Families that owe money to a PHA who have entered into a repayment agreement and are current on that repayment agreement will not be denied FSS participation.

Unavailable Support Services Selection Factor

If the PHA determines, after consulting with the family, that a missing service is essential to the family's needs, the PHA may skip that family (and other similar families) and offer the FSS slot to the next family for which there are available services [Notice PIH 93-24, B-8].

PHA Policy

The PHA may skip a family who is requesting supportive services that are not available. If a missing service or group is consistently needed by applicants, the PHA will may try to locate resources to deliver the missing services in order to reduce the number of families that may be getting skipped over.

Previous Participation Selection Factor

A PHA may refuse to select a family for participation in the FSS program a second time if that family previously participated unsuccessfully (i.e., the family participated, did not meet its FSS obligations, and was terminated from the FSS program) [Notice PIH 93-24, B-14].

PHA Policy

The PHA will not refuse to select a family for participation in the FSS program a second time if that family previously participated and did not complete.

The PHA will enroll a family for participation in the FSS program a second time if that family previously participated, completed the COP, and received a final distribution of their escrow account if their employment skills or wages are below the level needed to achieve economic self-sufficiency (a wage that pays for basic needs without the use of subsidies).

4-II.D. SELECTION OF HEAD OF HOUSEHOLD

Each eligible family that is selected to participate in an FSS program must enter a contract of participation with the PHA. There will be no more than one contract at any time for each family. There may be an ITSP for as many members of the family who wish to participate. The contract shall be signed by a representative of the PHA and the head of FSS family, as designated by the family. This head of FSS family does not have to be the same as the official head of household for rental assistance purposes [24 CFR 984.303(a)].

PHA Policy

The PHA will meet with the family and detail the obligations, rights, and privileges that pertain to the FSS head of household and require each adult family member to certify their agreement as to their designated head of the FSS family. These certifications will be a permanent part of the FSS family's record and will be updated with each change of head of household.

PART III: ACTIVITIES AND SUPPORT SERVICES

4-III.A. OVERVIEW

Once families are admitted to the FSS program, the PHA becomes responsible for making sure these families are adequately served. The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources, to enable families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency. As such, upon selection, families are matched with the appropriate activities and supportive services so that they may obtain the education, employment, and business and social skills necessary to achieve self-sufficiency. This is a vital element of the FSS program. The PHA must make a good faith effort to replace the obtained services from another agency.

4-III.B. METHOD OF IDENTIFYING FAMILY SUPPORT NEEDS [24 CFR 984.201(d)(8)]

Before a PHA can determine the services and activities it will provide to FSS families, it must identify the services and activities appropriate to each family. The action plan must contain a description of how the program will identify the needs of FSS families and deliver the services and activities according to these needs.

PHA Policy

Supportive Services needs are identified by completion of a needs assessment with the FSS Coordinator or case manager.

4-III.C. FSS ACTIVITIES AND SUPPORT SERVICES DESCRIPTION [24 CFR 984.201(d)(7)]

As part of the required contents of the action plan, PHAs must both describe the activities and supportive services to be provided by public and private resources to FSS families and identify the public and private resources that are expected to provide the supportive services.

Of course, this task assumes that the PHA has first identified the needed activities and supportive services.

PHA Policy

The PHA's FSS program, through its partners on the program coordinating committee, will provide the following activities and support services to FSS families:

4-III.D. CERTIFICATION OF COORDINATION [24 CFR 984.201(D)(12)]

The FSS action plan is required to contain a certification that the development of the activities and services under the FSS program has been coordinated with the JOBS program (now Welfare to Work under TANF), the programs under title I of the Workforce Innovation and Opportunity Act,, and any other relevant employment, child care, transportation, training, and education programs in the applicable area. The implementation of the FSS program’s activities and services must continue to be coordinated as such to avoid duplication of activities and services.

PHA Policy

The PHA certifies that its FSS program has developed its services and activities in coordination with programs under Title I of the Workforce Innovation and Opportunity Act, Workforce Investment Board and American Job Centers (also known as Workforce Centers or One Stop Career Centers), and any other relevant employment, childcare, transportation, training, and education programs in the applicable area. The implementation of these activities and services will continue to be coordinated in this manner to avoid duplication of activities and services.

Chapter 5

CONTRACT OF PARTICIPATION

INTRODUCTION

Each family that is selected to participate in an FSS program must enter into a contract of participation with the PHA. This contract, which is signed by the head of the FSS family, sets forth the principal terms and conditions governing participation in the FSS program, including the rights and responsibilities of the FSS family and of the PHA, the services to be provided to the head of the FSS family and each adult member of the family who elects to participate in the program, and the activities to be completed by them. The contract also incorporates the individual training and services plan [24 CFR 984.303].

This chapter contains two parts:

Part I: Overview and Family Obligations: This part provides an overview of the form and content of the contract of participation and describes what the contract requires of FSS families.

Part II: Contract Specifications: This part explains the specifications of the contract, including terms and conditions, contract modification, contract terminations, and grievance procedures.

PART I: OVERVIEW AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

The purpose of the FSS contract of participation is to set forth the principal terms and conditions governing participation in the FSS program, including the incorporation of the individual training and services plan (ITSP) as part of the contract's required contents. The ITSP is meant to establish goals the FSS family will meet along the family's way to completing the contract and becoming self-sufficient. In addition to the goals specified in the ITSP, the contract also lists the responsibilities of the family and the PHA. This part covers the ITSP as part of the required contents of the contract of participation, and the family's obligations under the contract.

5-I.B. CONTENTS OF THE CONTRACT OF PARTICIPATION

Individual Training and Services Plan

There will only ever be one FSS contract of participation (CoP) at any time for each FSS family. As part of the required contents of the FSS contract of participation (CoP), the individual training and services plan (ITSP) establishes specific interim and final goals by which the PHA and the family measure the family's progress toward fulfilling its obligations under the contract of participation and becoming self-sufficient. Interim and final goals will differ depending on the family's individual needs. Regulations require the establishment of a final goal that includes both employment for the head of the FSS family and independence from welfare assistance for all family members regardless of age.

Interim Goals [24 CFR 984.303(b)(2)]

PHAs must work with each participant to establish realistic and individualized goals and may not include additional mandatory goals or mandatory modifications of the two mandatory goals.

Individual Training and Service Plans for Other than FSS Head [24 CFR 984.103]

An individual training and services plan is required for the head of the FSS family and all adults choosing to participate. ITSPs must be prepared for each adult family member participating. ITSPs are prepared by the PHA, in consultation with the participating family member [Notice PIH 93-24, G-16.

5-I.C. FAMILY OBLIGATIONS

Compliance with Lease Terms [24 CFR 984.303(b)(3)]

One of the obligations of the FSS family according to the contract of participation is to comply with the terms and conditions of the Section 8 or public housing lease.

Inability to comply with the lease represents an inability to comply with the contract, therefore regulations regarding noncompliance with the FSS contract apply [see 24 CFR 984.303(b)(5)]. It is up to the PHA to determine the plan of action for FSS families found in noncompliance with the lease and how the PHA will precisely define the term *comply with the lease*. All considerations allowed for other assisted residents regarding violations of the lease, must also be allowed for FSS participants.

PHA Policy

The PHA will define *comply with the lease* to mean the FSS family has not been evicted for repeated or serious violations of the lease as defined in the Section 8 Administrative Plan and public housing Admissions and Continued Occupancy Policy; or if they have been evicted for repeated and serious violations of the lease, the family has pursued their right to grieve, and the family has prevailed in either the grievance hearing or the informal hearing process.

The PHA's FSS program will not terminate the FSS contract of participation for failure to comply with the terms of the lease.

Employment Obligation [24 CFR 984.303 (b)(4)]

Another obligation set forth by the contract of participation is for the head of the FSS family to *seek and maintain suitable employment* during the term of the contract and any extension. Although other members of the FSS family may seek and maintain suitable employment during the term of the contract, it is only a requirement for the head of the FSS family.

The obligation for the head of the FSS family to *seek employment* is defined in the regulatory language as meaning that the head of the FSS family has searched for jobs, applied for employment, attended job interviews, and has otherwise followed through on employment opportunities. However, this definition still leaves room for policy decisions on the part of the PHA because it does not define the level of activity involved in "seeking."

There is no regulatory definition of *maintain suitable employment*. For this reason, it is up to the PHA to define the term. However, there can be no minimum period of time that the head of the FSS family must work.

With the agreement of the FSS family member, the PHA makes a determination of what it means to maintain suitable employment based on the skills, education, and job training of the FSS head of household, receipt of other benefits of the family member, and the available job opportunities within the jurisdiction served by the PHA. This means that the PHA must consult with the family member and agreement must be reached as to what *maintain suitable employment* is for that family member [24 CFR 984.303 (b)(4), Notice PIH 93-24, G-3].

PHA Policy

For purposes of the PHA's FSS program, *seek employment* means the head of household has applied for employment, attended job interviews, and otherwise followed through on employment opportunities as outlined in the individual training and services plan of their contract of participation.

Maintain suitable employment is employment, on the last day of the contract, that is outlined in the individual training and service plan and is based on the skills, education, job training, and receipt of other benefits of the head of the FSS family. The PHA will require verification of this employment or enrollment.

5-I.D. CONSEQUENCES OF NONCOMPLIANCE WITH THE CONTRACT

Consequences apply for families who do not meet the terms and conditions of the contract. The regulations require that the contract of participation specify that if the FSS family fails to comply, without good cause, with the terms and conditions of the contract (including compliance with the Section 8 or public housing lease), the PHA may:

- Withhold supportive services
- Terminate the family's participation in the FSS program

PHAs are not permitted to terminate a family's housing assistance due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

PHA Policy

The contract of participation (CoP) will be terminated before the expiration of the contract term if the participant fails to meet, without "good cause," their obligations as outlined in the CoP. If the participant fails to meet its obligations outlined in the CoP, the FSS coordinator, or their designee, will first meet with the family to reassess the need for supportive services or a change in the individual training and services plan (ITSP).

If a reassessment of supportive services and a change in the ITSP is not successful in bringing the family in to compliance, the FSS coordinator will reassess the need for, and availability of, supportive services and refer the participant to a knowledgeable professional for a formal assessment of the challenges leading to the noncompliance.

The FSS Coordinator will use this formal assessment to identify and refer to resources that remove the challenge so the participant is able to meet their obligations outlined in the CoP.

Finally, if neither of these alternatives is successful, the FSS coordinator will terminate the CoP for failure to complete the tasks, interim goals, or final goals of the ITSP in a timely manner, and thus failure to complete the obligations outlined in the CoP.

The FSS coordinator will make an exception to the actions in terminating the CoP if the participant can, with the assistance of the FSS Coordinator, demonstrate “good cause” for the failure to meet its obligations as outlined in the CoP.

For purposes of the PHA FSS program, *good cause* includes circumstances beyond the control of the FSS family:

Family circumstances

Death in the family

Serious illness

Medical emergency

Mandatory court appearances

Involuntary loss of employment

Loss of head of household through death, incarceration, or removal from lease

Change in the ITSP improving progress toward economic self-sufficiency

Community circumstances

Significant reduction in workforce (over 20 percent reduction in employment field)

Significant interruption in service delivery (over 3 months interruption)

Provider noncompliance with regulation

Provider unable or unwilling to provide service

Provider offering inferior service

Active pursuit of a current or additional self-sufficiency goal

Resolution of a barrier to employment

Completion of a college degree or technical training

Completion of a work-related certification

Credit repair towards homeownership readiness

PART II: CONTRACT SPECIFICATIONS

5-II.A. OVERVIEW

In addition to making clear the family's obligations under the program, the contract of participation contains specific terms and conditions, including those governing contract modifications, terminations, and grievance procedures. This part describes those specifications and associated policy.

5-II.B. CONTRACT TERM [24 CFR 984.303(c)]

The CoP terminates no later than 5 years after first recertification of income after the execution date of the CoP. This five-year term requirement will be specified in the CoP.

Contract Extension [24 CFR 984.303(d)]

While the term set forth in the contract of participation is for five years, contract extensions are available. According to regulation, PHAs must for "good cause" extend the term of the contract for a period not to exceed two years for any FSS family that requests an extension of the contract in writing or verbally. The family's written or verbal (documented by the FSS Coordinator) request for an extension must include a description of the need for the extension. *Good cause* means circumstances beyond the control of the FSS family, as determined by the PHA, such as a serious illness or involuntary loss of employment (further defined by PHA policy in Section 5-I.D.). Extension of the contract of participation will entitle the FSS family to continue to have amounts credited to the family's FSS account.

5-II.C. MODIFICATION OF THE CONTRACT

The contract of participation (CoP) may be modified, as long as the PHA and the FSS family mutually agree to modify it. This includes modifications in writing with respect to the individual training and services plans (ITSPs), the contract term (See Section 5-II.B. above), and designation of the head of the family [24 CFR 984.303(f)]. The conditions under which the PHA will modify the contract are set forth in the policy below.

PHA Policy

In the PHA's FSS program, the CoP will be modified by mutual agreement between the PHA and the FSS head of household:

When modifications to the ITSP improve the participant's ability to complete their obligations in the CoP or progress toward economic self-sufficiency.

When the actual end date of the CoP is determined by the effective date of the FSS family's first reexamination changes the end date of the CoP.

When the designated head of the FSS family ceases to reside with other family members in the assisted unit, and the remaining family members, , designate another family member to be the FSS head of household and receive escrow funds.

When an FSS family moves to the jurisdiction of a receiving PHA that does not have an FSS program and the family may not continue participation in the FSS program, and modification of the FSS contract will allow the family to complete the contract and receive an escrow disbursement or terminate the contract with escrow disbursement.

5-II.D. COMPLETION OF THE CONTRACT

By regulation, the contract of participation is considered to be completed when the head of household is employed and the FSS family has fulfilled all of its obligations under the contract of participation, including all family members' ITSPs, on or before the expiration of the contract term, including any extension thereof.

Policies on verifying completion of the contract of participation can be found in Section 6-I.C. of this action plan.

5-II.E. TRANSITIONAL SUPPORTIVE SERVICE ASSISTANCE

Even after a family has completed the contract of participation, a PHA may continue to offer appropriate FSS supportive services to a former completed FSS family. If the family still resides in Section 8 or public housing, these supportive services would be offered for becoming self-sufficient. If the family no longer resides in Section 8 or public housing, these supportive services would be offered for becoming self-sufficient or remaining self-sufficient. Transitional services for families who no longer reside in Section 8 or public housing, may only be offered using sources that are not HUD funds or HUD restricted funds [24 CFR 984.303(j)].

PHA Policy

The PHA will not continue to offer supportive services to a former FSS family who has completed its contract of participation, and whose head of family is employed.

5-II.F. TERMINATION OF THE CONTRACT

Termination of the Contract with Escrow Distribution [24 CFR 984.303(k)]

The contract of participation will be terminated with escrow distribution before the expiration of the contract term, during any extension of the contract, or at end of the term of the contract if all obligations under such have not been met, when:

- Services that the PHA and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency are unavailable, as described in Section 5-II.H. of this Action Plan. This type of termination is also referred to as "nullification" in the FSS regulations at 24 CFR 984.
- The head of the FSS family becomes permanently disabled and unable to work during the period of the contract, unless the PHA and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family; or

An FSS family in good standing moves outside the jurisdiction of the PHA (in accordance with portability requirements at 24 CFR 982.353) for good cause and continuation of the CoP after the move or completion of the CoP prior to the move is not possible. PHAs must be consistent in

their determinations of whether a family has good cause for a termination with FSS escrow disbursement.

Termination of the Contract without Escrow Distribution [24 CFR 984.303(h)]

The contract of participation may be terminated before the expiration of the contract term and any extension of the contract by the following:

- Mutual consent of the parties
- Failure of the FSS family to meet its obligations under the contract of participation without good cause, including in a Section 8 FSS program the failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA
- The family's withdrawal from the FSS program
- Such other act as is deemed inconsistent with the purpose of the FSS program
- Operation of law

PHA Policy

The CoP will be terminated before the expiration of the contract term, and any extension thereof, for any of the following reasons

Mutual consent of the parties.

Family's withdrawal from the FSS program.

Failure of the FSS family to meet its obligations under the contract of participation without good cause. *Good cause* for the purposes of the FSS program is also defined in Section 5-I.D. of this Action Plan.

Such other act as is deemed inconsistent with the purpose of the FSS program.

Operation of law.

If the FSS family faces termination due to failing to meet, without good cause, its obligations under the CoP, the PHA will follow the relevant policy specified in Section 5-I.D. of this action plan.

Note: If the family is unable to meet the requirements of the contract of participation because essential services are not available, the contract is *nullified*, not terminated.

In addition, the contract of participation is automatically terminated if the family's Section 8 assistance is terminated in accordance with HUD requirements [24 CFR 984.303(h)].

5-II.G. OPTION TO WITHHOLD SUPPORTIVE SERVICE [24 CFR 984.303(b)(5)(i)]

As touched upon in Section 5-I.D. of this action plan, the PHA has the option to withhold supportive services or the FSS family's participation in the FSS program if the PHA determines that the FSS family has failed to comply without good cause with the requirements of the contract of participation.

PHAs are not permitted to terminate Section 8 assistance to a family due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

5-II.H. PHA OBLIGATION TO MAKE GOOD FAITH EFFORT TO REPLACE UNAVAILABLE SUPPORT SERVICES [24 CFR 984.303(e)]

PHAs must make an extensive good faith effort to replace services that community agencies either cannot or will not provide. If all of the steps below are exhausted without the provision of an integral service, the contract of participation can be ended ahead of time as a result. This, however, should only occur as a last resort. The PHAs good faith effort must be demonstrated by taking the following steps:

- If a social service agency fails to deliver the supportive services pledged under an FSS family member's individual training and services plan (ITSP), the PHA must make a good faith effort to obtain these services from another agency.
- If the PHA is unable to obtain the services from another agency, the PHA must reassess the family member's needs and determine whether other available services would achieve the same purpose.
- If other available services would not achieve the same purpose, the PHA shall determine whether the unavailable services are integral to the FSS family's advancement or progress toward self-sufficiency.
- If the unavailable services are not integral to the FSS family's advancement toward self-sufficiency, the PHA must revise the ITSP, delete these services, and modify the contract of participation to remove any obligation on the part of the FSS family to accept the unavailable services.
- If the unavailable services *are* determined to be integral to the FSS family's advancement toward self-sufficiency (which may be the case if the affected family member is the head of the FSS family), the PHA shall terminate the contract of participation and follow the requirements in Section 5-II.F. of this Action Plan.

Termination of the contract of participation based on unavailability of supportive services shall never be grounds for termination of Section 8 or public housing assistance.

5-II.I. GRIEVANCE PROCEDURES

When adverse action is taken by the PHA against a family, the PHA is required to provide a grievance hearing in the public housing program, or an informal hearing in the Section 8 program [24 CFR 966 subpart B, 24 CFR 982.554].

According to regulatory requirements, the FSS action plan must contain the grievance and hearing procedures available for FSS families against whom the PHA has taken adverse action with regards to FSS [24 CFR 984.201(d)(9)].

PHA Policy

The grievance and informal hearing procedures for the FSS program will be the same as the grievance and hearing procedures adopted for the Section 8 and public housing programs in the PHA's admissions and continued occupancy policy and administrative plan, respectively (See Chapter 12, pages 1-12 of administrative plan).

Adverse actions taken within the FSS program include:

- Denial of admission into the FSS program
- Denial of request for supportive services
- Denial of request to change the ITSP
- Denial of request to change the head of household
- Denial of request for interim disbursement of the escrow account
- Denial of request to complete the CoP
- Denial of a request for extension to the FSS CoP
- Denial of request for either interim or final distribution of escrow account
- Withholding of support services
- Termination of the FSS CoP
- Denial of request for termination with escrow
- Denial of transitional services

Chapter 6

ESCROW ACCOUNT

INTRODUCTION

The establishment of an escrow account is offered as a support and financial incentive to families for participation in the FSS program. Generally, under this incentive, the amount of an increase in family rent resulting from an increase in earned income is escrowed. That is, usually a family's rent or share of the rent goes up when the family experiences an increase in earned income. In the FSS program, this is still the case, and the part of the rent representing the increase is deposited into an account as an escrow credit. The funds from this escrow account then become available to FSS families upon successful completion of their contracts of participation and may become available earlier at the housing authority's option.

This chapter explains how the FSS escrow account works, including calculating the amount of the escrow credit, disbursing the funds, and the proper way for the PHA to manage and report on the account.

This chapter contains two parts:

Part I: The Escrow Account: This part provides an overview of how the escrow account works, including calculating the escrow credit and disbursing the funds upon completion of the contract of participation.

Part II: Escrow Fund Accounting and Reporting: This part describes the requirements for managing the escrow account, including both accounting and reporting requirements.

PART I: THE ESCROW ACCOUNT

6-I.A. OVERVIEW

As an integral incentive to the FSS program, it is especially important to have clear-cut policy spelling out how the escrow account works. This includes policy regarding the calculation of the FSS credit amount, the disbursement of FSS account funds, the use of account funds for homeownership, and forfeiture of the FSS escrow account.

6-I.B. CALCULATING THE FSS CREDIT AMOUNT

Determination of Baseline Annual Earned Income and Baseline Monthly Rent

When determining the family's baseline annual earned income and the baseline monthly rent amounts for purposes of computing the FSS escrow credit, the PHA must use the amounts on the family's most recent income reexamination in effect.

For purposes of determining the FSS credit, baseline monthly rent for families paying an income-based rent is the family's Total Tenant Payment (TTP) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract.

For families in public housing who are paying either flat or ceiling rent, family rent is the amount of the flat rent (including the applicable utility allowance) or ceiling rent (including any hardship

discounts) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract [24 CFR 984.103(b)].

Determination of the Escrow Credit

To calculate the FSS credit, the PHA must accurately determine the family's baseline earned income and baseline monthly rent and compare those figures with the family's current earned income and current monthly rent. The FSS credit is the lesser of 30 percent of one-twelfth or 2.5 percent of the amount by which the family's current annual earned income exceeds the family's baseline annual earned income; or the increase in the family's monthly rent. The increase in the family's monthly rent is the lower of either the amount by which the family's current monthly rent exceeds the family's baseline monthly rent, or for Section 8 families, the difference between the baseline monthly rent and the current gross rent (*i.e.*, rent to owner plus any utility allowance) or the payment standard, whichever is lower [24 CFR 984.305(b)(2)].

Determination of Escrow Credit for Families Who Are Not Low Income

FSS families who are not low-income families are not entitled to any FSS credit [24 CFR 984.305(b)(2)].

Increases in FSS Family Income [24 CFR 984.304]

As described in the FSS credit calculations above, any increases in family earned income resulting in increases in family rent are deposited in the escrow account. For this reason, and because of the nature of the FSS account, any increase in the earned income of an FSS family during its participation in an FSS program may not be considered as income or an asset for purposes of eligibility of the FSS family for other benefits, or amount of benefits payable to the FSS family, under any other program administered by HUD.

Cessation of FSS Credit [24 CFR 984.305(b)(4)]

The PHA will not make any additional credits to the FSS family's FSS account when the family has completed the contract of participation, when the contract of participation is terminated, when the family is not low-income, or during the time a Section 8 family is in the process of moving to a new unit.

6-I.C. DISBURSEMENT OF FSS ACCOUNT FUNDS

Disbursement Before Completion of Contract

The PHA may at its sole option disburse FSS account funds before completion of the contract if the family needs a portion of the funds for purposes consistent with the contract of participation and the PHA determines that the FSS family has fulfilled certain interim goals established in the contract of participation. These interim disbursements could include using the funds to assist the family in meeting expenses related to completion of higher education (e.g., college, graduate school) or job training, or to meet start-up expenses involved in creation of a small business [24 CFR 984.305(c)(2)(ii)].

PHA Policy

The PHA will disburse a portion of the FSS escrow account funds before completion of the CoP for completion of higher education (*i.e.*, GED fees, college costs and graduate

school costs), job training, or to meet start-up expenses involved in the creation of small business.

The PHA will disburse up to 50% of the portion of the FSS escrow account funds before Completion of the CoP when the family has met 50% of their obligations under the CoP to date, including all its ITSP interim goals and tasks to date, and request funds are needed to complete an interim goal or tasks within the CoP and are not ongoing expenses.

Disbursement at Completion of Contract [24 CFR 984.305(c)(1) and 24 984.305(c)(2)(i)]

When the contract has been completed, at or before the expiration date, according to regulation, the amount in the FSS account in excess of any amount the FSS family owes to the PHA under the public housing lease will be paid to the head of the FSS family. To receive the disbursement, the head of the FSS family must submit a certification (as defined in 24 CFR 984.103) to the PHA at the time of contract completion that, to the best of his or her knowledge and belief, no member of the FSS family is a recipient of welfare assistance.

Disbursement at Contract Termination [24 CFR 984.305(c)(3)]

The PHA must disburse to the family its FSS escrow account funds in excess of any amount owed to the PHA under the public housing lease when the contract has been terminated in certain circumstances. These circumstances include services are not available to the family that the PHA and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency, when the head of the FSS family becomes permanently disabled and unable to work during the period of the contract (unless the PHA and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family), or when an FSS family moves outside the jurisdiction of the PHA and continuation of the CoP after the move is not possible according to the regulations. In circumstances where a family is not able to continue in FSS after the move, it is also possible for the PHA and the family to determine if the contract can be modified to make completion and receipt of the escrow monies, possible. PHAs must be consistent in their determinations of whether a family has good cause for a termination with FSS escrow disbursement.

Verification of Family Certification at Disbursement

The PHA must verify that the family has met the requirements of either interim, final, or termination of contract with escrow. Interim disbursement may only occur after the family has completed certain interim goals and funds are needed to complete other interim goals. Final disbursement can only occur after the family has completed the contract of participation and all members are welfare-free as defined by regulation. Disbursement at contract termination only occurs if the family circumstances involve an integral missing service, the disability of the FSS head of household, or an FSS family porting out of the jurisdiction of the PHA and HUD regulations do not allow continuation of the FSS contract. In each of these circumstances, it follows that the PHA may require verification for the completion of interim goals or the contract of participation.

At interim disbursement and before final disbursement of the FSS account funds to the family, the PHA may verify that the FSS family is no longer a recipient of welfare assistance by

requesting copies of any documents which may indicate whether the family is receiving any welfare assistance, and by contacting welfare agencies [24 CFR 984.305(c)(4)].

HUD provides verification guidance in Notice PIH 2018-18. This guidance is mandatory for the Section 8 and public housing programs. The PHA's Administrative Plan or ACOP must contain verification policies following the hierarchy in this notice. The policies contained in the PHA's ACOP and Administrative Plan cover verification policies related to the FSS program in general. However, determining the need for interim disbursements may require more clarification as to what constitutes an acceptable third-party source.

PHA Policy

The PHA will require verification that the FSS family has completed certain interim goals, has completed the contract of participation, has met the requirements for termination with disbursement of escrow and that the FSS family is no longer a recipient of welfare assistance, as relevant, before making interim and final disbursements.

The PHA will follow HUD's verification hierarchy set forth in Notice PIH 2018-18 to make these verifications, including the guidance therein regarding documentation. However, the PHA will use a *knowledgeable professional* as a third-party source to verify the need for interim disbursements.

Succession to FSS Account [24 CFR 984.305(d)]

FSS account funds should be disbursed to the head of the FSS family. However, if the head of the FSS family no longer resides with the other family members in Section 8 or public housing, the remaining members of the FSS family, after consultation with the PHA, have the right to designate another family member to receive the funds.

6-I.D. USE OF FSS ACCOUNT FUNDS FOR HOMEOWNERSHIP

According to regulation, a Section 8 or public housing FSS family may use their the final distribution of FSS account funds for the purchase of a home, including the purchase of a home under one of HUD's homeownership programs, or other federal, state, or local homeownership programs, unless the use is prohibited by the statute or regulations governing the particular homeownership program [24 CFR 984.305(e)].

Homeownership is just one option for use of the FSS account funds. PHAs may not restrict the use of escrow funds at contract completion [Notice PIH 93-24, C-13].

6-I.E. USE OF FORFEITURE OF FSS ACCOUNT FUNDS

Amounts in the FSS account will be forfeited when the contract of participation is terminated without escrow disbursement, or when the contract of participation is completed by the family (see Section 5-II.D. of this action plan) but the FSS family is receiving welfare assistance at the time of expiration of the term of the contract of participation, including any contract extension [24 CFR 984.305(f)(1)].

Use of forfeited escrow accounts is described in detail in Section 3-I.F. of this FSS Action Plan.

Treatment of Forfeited FSS Account Funds

FSS escrow account funds forfeited by the FSS family must be used by the PHA for the benefit of the FSS participants. These funds may only be used for support for FSS participants in good

standing. These supports include transportation, childcare, training, testing fees, employment preparation costs, and other costs related to achieving obligations outlined in the CoP; or training for FSS Program Coordinator(s). Forfeited FSS escrow accounts may not be used for salary and fringe benefits of FSS Program Coordinators, general administrative costs of the FSS program, for housing assistance payments (HAP) expenses or public housing operating funds. Accounting Brief 26 describes the accounting requirements in the treatment of forfeited escrow accounts.

PART II: ESCROW FUND ACCOUNTING AND REPORTING

6-II.A. OVERVIEW

Regulations set forth specific requirements involving the accounting and reporting for the FSS escrow account. This part describes those requirements and the PHA policy necessary for managing the account from the PHA perspective.

6-II.B. ACCOUNTING FOR FSS ACCOUNT FUNDS

When establishing FSS escrow accounts, the PHA must deposit the FSS account funds of all families participating in the PHA's FSS program into a single depository account for each (Section 8 or public housing) program. These funds are determined at each reexamination after the effective date of the contract and must be deposited each month to each family's subsidiary line item in the PHA's escrow account. In addition, the funds held in this account must be invested in one or more of the HUD-approved investments [24 CFR 984.305].

Crediting the Escrow Account [24 CFR 984.305(a)(2)(i)]

The total of the combined FSS account funds will be supported in the PHA accounting records by a subsidiary ledger showing the balance applicable to each FSS family. During the term of the contract of participation, the PHA must credit the amount of the FSS credit (see Section 6-I.B.) to each family's FSS account every month.

Proration of Investment Income [24 CFR 984.305(a)(2)(ii)]

Because the FSS account funds are to be invested, the investment income for those funds in the FSS account will also need to be credited to each family's account subsidiary line item. By regulation, these funds are to be prorated and credited to each family's FSS account based on the balance in each family's FSS account at the end of the period for which the investment income is credited.

PHA Policy

Each month the full amount of the investment income for funds in the Section 8 FSS account will be prorated and credited to each family's subsidiary line item after this line item has been reduced by the amount of unpaid rent and other amounts due under the Public Housing and Section 8 program.

Reduction of Amounts Due by FSS Family [24 CFR 984.305(a)(2)(iii)]

At Completion for Monies Owed to the PHA by the Family

If the FSS family has not paid the family contribution towards rent, or other amounts, if any, due under the public housing or Section 8 lease, the balance in the family's FSS account shall be

reduced by that amount (as reported by the owner to the PHA in the Section 8 FSS program) at the time of final disbursement of FSS escrow funds.

Before Completion for Underreported Income

At Baseline When the Family Joins FSS for Underreported Income

If the FSS family has underreported income after the baseline annual income is set, the amount credited to the FSS account will be based on the income amounts originally reported by the FSS family.

After Baseline When Family is in FSS for Underreported Income

If the FSS family is found to have under-reported income in the reexamination used to set the baseline, the escrow for the entire period of the CoP will be recalculated using the correct income to set the baseline and then calculate subsequent escrow amounts.

6-II.C. REPORTING ON THE FSS ACCOUNT

Each PHA must make a report, at least once annually, to each FSS family on the status of the family's FSS account.

At a minimum, the report must include [24 CFR 984.305(a)(3)]:

- The balance at the beginning of the reporting period
- The amount of the family's rent payment that was credited to the FSS account, during the reporting period
- Any deductions made from the account for amounts due the PHA before interest is distributed
- The amount of interest earned on the account during the year
- The total in the account at the end of the reporting period

PHA Policy

The PHA will provide FSS participants an annual statement on the status of their FSS escrow account.

Chapter 7

PORTABILITY IN SECTION 8 FSS PROGRAMS

INTRODUCTION

PHAs operating Section 8 FSS programs must be familiar with the rules and regulations regarding portability under the Section 8 program. As with the case of portability in the Section 8 program in general, the FSS family may move outside the initial PHA jurisdiction under portability procedures after the first 12 months of the FSS contract of participation [24 CFR 984.306].

In the event that an FSS family chooses to exercise portability, certain special requirements regarding the FSS program would apply. This chapter describes the obligations of the initial PHA, the receiving PHA, and the FSS family under portability, in addition to any special stipulations regarding portability in the FSS context.

This chapter contains two parts:

Part I: Portability in the FSS Program: This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

Part II: The Effects of Portability on FSS Regulations and Policy: This part describes the specific ways in which portability affects different aspects of the FSS program, including the escrow account, program termination, loss of the FSS account, and termination of Section 8 program assistance.

PART I: PORTABILITY IN THE FSS PROGRAM

7-I.A. OVERVIEW

Portability is a statutory feature of the Section 8 program—it is included in the law. As such, PHAs operating a Section 8 FSS program need to understand the effects that portability will have on Section 8 FSS families and program operation. This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

7-I.B. DEFINITIONS

For the purposes of portability with regards to the FSS program, the following definitions will be used [24 CFR 982.4, 24 CFR 984.306].

- *Initial PHA* means both:
 1. A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and
 2. A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.

- *Receiving PHA* means a PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA either absorbs the family into its program, including issuing a voucher and providing rental assistance to the family, or bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher.
- *Relocating FSS Family* refers to an FSS family that moves from the jurisdiction of a PHA at least 12 months after signing its contract of participation.

7-I.C. RESIDENCY REQUIREMENTS

Families participating in a Section 8 FSS program are required to lease an assisted unit within the jurisdiction of the PHA that selected the family for the FSS program for a minimum period of 12 months after the effective date of the contract of participation. However, the initial PHA may approve a family's request to move outside its jurisdiction under portability during this period if the move is in accordance with the regulations at 24 CFR 982.353 [24 CFR 984.306(a)(1)].

PHA Policy

The PHA will approve a family's request to move outside its jurisdiction under portability during the first 12 months after the effective date of the contract of participation if the move is in accordance with the regulations for such moves at 24 CFR 982.353.

After the first 12 months of the FSS contract of participation, the FSS family may move outside the initial PHA jurisdiction under portability procedures regardless of PHA approval [24 CFR 984.306(a)(2)].

7-I.D. PORTABILITY REQUIREMENTS FOR FSS PARTICIPANTS

Receiving PHA Administers an FSS Program [24 CFR 984.306(b)]

Whether the receiving PHA bills the initial PHA or absorbs the FSS family into its Section 8 program, the receiving PHA must enroll an FSS family in good standing in its FSS program. However, if the receiving PHA is already serving the number of FSS families identified in its FSS Action Plan and determines that it does not have the resources to manage the FSS contract or the receiving PHA, the initial PHA may agree to the FSS family's continued participation in the initial PHA's FSS program. Prior to the PHAs agreeing to the continued participation, the initial PHA must determine that the relocating FSS family has demonstrated that, notwithstanding the move, it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

PHA Policy

The PHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

Where continued FSS participation is not possible, the initial PHA **must** clearly discuss the options that may be available to the family. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority

that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA will clearly discuss the options that are available to the family where continued FSS participation is not possible. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

Receiving PHA Does Not Administer an FSS Program [24 CFR 984.306(c)]

If the receiving PHA does not administer an FSS program and the receiving PHA is absorbing the voucher, the FSS family may not continue participation in the FSS program. The initial PHA must clearly discuss the options that may be available to the family. These may include, but are not limited to, modification of the FSS contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA will, as stated above, clearly discuss the options that may be available to the family where continued FSS participation is not possible. Depending on the family's contract specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

If the receiving PHA does not administer an FSS program and the receiving PHA is administering the voucher, the FSS family may continue participation in the FSS program. The initial PHA must clearly discuss the options that may be available to the family. These may include, but are not limited to, modification of the FSS contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

PHA Policy

The PHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

A chart summarizing portability impact on an FSS family follows.

PORTABILITY FSS IMPACT ON FSS FAMILY

Family FSS Status		PHA FSS Status	Port Scenario	FSS Impact	PHA or HUD Decides
1.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Billed	Family may continue participation in initial PHA's FSS program or Family may enroll in receiving PHA's FSS program	Determined by the initial PHA. Determined by the receiving PHA.
2.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Absorbed	Family may enroll in receiving PHA's FSS program or Family may continue participation at initial PHA's FSS program.	Determined by the receiving PHA. Determined by the receiving PHA. *Agreement from the receiving PHA is needed because they would be responsible for most of the FSS tasks under this scenario.
3.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Billed	Family may continue participation in initial PHA's FSS program	First, determined by the initial PHA. Then, receiving PHA must agree. *The receiving PHA would be responsible for submitting the FSS information for the family into IMS/PIC. Receiving PHA's determination must be based on an undue financial or administrative hardship such as the cost of adding an FSS module to their existing systems. If continued participation is agreed to by the PHAs, the initial PHA must provide the receiving PHA with timely and complete FSS addendum information and the receiving PHA is responsible for timely and accurate submission of the FSS information into IMS/PIC.
4.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Absorbed	Family may not continue participation in initial PHA's FSS program	Determined by HUD. The receiving PHA would be responsible for managing escrow and the receiving PHA does not administer an FSS program.

Single Contract of Participation

If the FSS family enrolls in the receiving PHA's FSS program, the receiving PHA will enter a new contract with the FSS family for the term remaining on the contract with the initial PHA. The initial PHA will end its contract with the family.

If the FSS family remains in the FSS program of the initial PHA, pursuant to this section, the contract executed by the initial PHA will remain as the contract in place.

Termination of FSS contract and Forfeiture of Escrow Account [984.306(e)]

If an FSS family relocates to another jurisdiction and is unable to fulfill its obligations under the contract, including any modifications, the PHA, which is a party to the contract, **must terminate the FSS family from the FSS program**. The family's FSS escrow account will be forfeited.

Termination of FSS program participation and forfeiture of FSS escrow must be used only as a last resort after the PHA determines, in consultation with the family, that the family would be unable to fulfill its obligations under the contract after the move, that locating another receiving housing authority with a FSS program is not possible, that the current contract cannot be modified to allow for completion prior to porting, and that the current contract cannot be terminated with FSS escrow disbursement. When termination is the only option, the PHA must clearly notify the family that the move will result in the loss of escrow funds. The PHA must follow its policy for clearly notifying the FSS family of the forfeiture.

7-I.E. NEW FSS ENROLLMENT INTO RECEIVING PHA'S FSS PROGRAM

Administering and Billing of the Voucher

If a non-FSS family ports and the receiving PHA bills the initial PHA, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program if and only if the initial PHA manages an FSS program and agrees to such enrollment. If the receiving PHA bills the initial PHA, but the initial PHA does not manage an FSS program, the family may not enroll in the receiving PHA's FSS program.

PHA Policy

The PHA, as the receiving PHA, will enroll a non-FSS family who is porting when the initial PHA manages an FSS program, the initial PHA is being billed for the housing assistance payments, and the initial PHA agrees to the family enrolling in the receiving PHA's FSS program.

Absorption of the Voucher

If the receiving PHA absorbs the family into its Section 8 program, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program.

PART II: REPORTING

7-II.A. OVERVIEW

Each PHA that carries out an FSS program shall submit to HUD, in the form prescribed by HUD, a report regarding its FSS program.

7-II.B. CONTENTS OF THE FSS REPORT [24 CFR 984.401]

The report submitted to HUD must include a description of the activities carried out in the FSS program; a description of the effectiveness of the program in assisting families to achieve economic independence and self-sufficiency, including the number of families enrolled and graduated and the number of established escrow accounts and positive escrow balances; a description of the effectiveness of the program in coordinating resources of communities to assist families to achieve economic independence and self-sufficiency; and any recommendations by the PHA or the appropriate local Program Coordinating Committee for legislative or administrative action that would improve the FSS program and ensure the effectiveness of the program.

7-II.C. FAMILY SELF-SUFFICIENCY GRANT PROGRAM REVIEW PHA SELF-ASSESSMENT

HUD provides a detailed checklist for PHAs to conduct their own self-assessment of their FSS program. The form is administered by the local field office and allows each PHA to gather concrete and comprehensive data covering aspects of the program from FSS Action Plans and Composite Scores through FSS program size, participants, and graduations to reductions in FSS grants and current Memoranda of Agreement with community partners. The detailed example of the FSS Self-Assessment is available at HUD's FSS Resource page, which can be located by searching "HUD FSS" on any browser.
