Re: DEED Redevelopment Grant Application for DW Jones Redevelopment Project

DEED Redevelopment Grant Program and Application

DW Jones, Inc has requested that the Brainerd HRA apply for the Department of Employment and Economic Development (DEED) Redevelopment Grant program in support of their proposed redevelopment project at the corner of 8th Street and Laurel Street.

The grant program was established by the 1998 legislature to incentivize the redevelopment of old industrial, residential, or commercial properties; and to assist private sector development with the challenges and costs of these sites. The program is intended to assist new parties with site development.

According to legislative requirement, if sufficient eligible applications are received, at least 50% of the grant money (DEED is anticipating at least \$2 million per grant round will be available) will be awarded to projects outside of the seven-county metro area.

The deadline for the current application period is August 1st, 2023. Eligible grant applicants are statutory or home rule charger cities, EDA's, HRA's, counties and port authorities. Even though these are the applicants, the site can be either publicly owned or privately held, as is the situation in this case. There is a local match requirement for approval of this funding and if the HRA approves the TIF redevelopment district and project, the TIF would be sufficient to meet the local match requirement for the funds.

At the July 17th City Council meeting, the council approved, by resolution, municipal consent for the Brainerd HRA to apply to DEED for funding through this program. It is a requirement of the applicant to receive such consent prior to applying.

If approved, staff will work with DW Jones, Inc to prepare the grant application. The developer is requesting up to \$500,000 in support through this grant application.

The resolution language was provided by MN DEED and is attached, along with the application packet.

Action Requested; Approve Resolution No. 2020-05 for the commitment of local matching funds and authorizing contract signature for the Minnesota Department of Employment and Economic Development Redevelopment Grant Application by the Brainerd HRA.

INSTRUCTIONS

PURPOSE/BACKGROUND:

The Redevelopment Grant Program was established by the 1998 legislature to incentivize the redevelopment of old industrial, residential, or commercial properties; and assist private sector development with the challenges/costs these sites contain. Minnesota Statutes §§ 116J.571 – 116J.575 gives the Minnesota Department of Employment and Economic Development (DEED) authority to award grants to assist development authorities with eligible redevelopment costs as defined below.

The Redevelopment Grant Program is for currently or previously developed sites where significant barriers exist to redevelop the land into a different and/or more productive use. This program is not intended for parties that have operated on the site long-term, but rather to assist new parties with site redevelopment.

GRANT FUNDING AVAILABILITY:

Funding amounts have typically varied depending on legislative appropriation; however, DEED anticipates the availability of at least \$2 million per grant round. According to legislative requirement, if sufficient eligible applications are received, at least 50 percent of the grant money will be awarded to projects outside of the seven-county metropolitan area.

APPLICATION DEADLINES:

The Redevelopment Grant Program operates on a semi-annual grant cycle. Deadlines for submitting applications are **February 1** and **August 1 by 4:00 p.m.** each year. If these days fall on a weekend, the deadline will be the following business day. **Three complete sets of application documents are required for each project: 2 paper copies and 1 electronic copy on a flash drive.** An applicant may apply for more than one project, but a separate application must be completed and submitted for each site.

NOTE: Emailed applications will not be accepted. Please fill out the entire application. All applications must be complete upon submission to qualify for a grant. This includes the fully signed, required resolutions. Applications should be in a binder or bound with attachments clearly marked and tabbed.

ELIGIBLE GRANT APPLICANTS:

Eligible applicants for this program are statutory or home rule charter cities, economic development authorities, housing and redevelopment authorities, counties, or port authorities. While these are the eligible applicants, the site can be either privately or publicly owned.

GRANT ELIGIBLE SITES:

Only sites that have been previously developed, and the need to redevelop the land into a different and/or more productive use exists, qualify for a Redevelopment Grant. Sites which were never historically developed with buildings or infrastructure (i.e., cornfield) do not qualify. This program is not intended for parties that have operated on the site long-term, but rather to assist new parties with site redevelopment.

GRANT ELIGIBLE COSTS:

The Redevelopment Grant Program can pay up to 50 percent of the redevelopment costs for a qualifying site. "Redevelopment costs" or "costs" mean the costs of land acquisition, stabilizing unstable soils when infill is required, infrastructure improvements and ponding or other environmental infrastructure, demolition costs and costs necessary for adaptive re-use of buildings, including remedial activities. For purposes of this program adaptive reuse means interior environmental abatement and does not include building rehabilitation or construction. Costs incurred before the grant agreement is fully executed are not eligible for reimbursement.

The redevelopment challenges/costs should be related to the site's current or previously developed use. Examples of eligible and ineligible costs include:

Eligible Costs

- Public acquisition*
- Demolition costs (as defined by Minn. Stat. § 116J.572)
- Interior environmental abatement (e.g., asbestos abatement, lead paint abatement)
- Public infrastructure improvements** (e.g., water, sanitary, and storm connections, public sidewalks, public street or sidewalk lighting, public roads, etc.)
- Environmental infrastructure (e.g., stormwater ponding or system, etc.)
- Geotechnical soil correction (must submit a geotechnical soil evaluation)

Ineligible Costs

- Construction costs
- Building rehabilitation costs (including interior demolition)
- Environmental remediation (i.e., soil, groundwater, and/or vapor contamination)
- Project/grant administration
- Costs of appraisals or other application costs
- Streetscaping/landscaping (including rain gardens)
- Soft costs (e.g., performance bonds, insurance, etc.)
- Contingencies

GRANT LOCAL MATCH REQUIREMENT:

It is required that the applicant pay for at least 50% of the eligible redevelopment costs as a local match to obtain a redevelopment grant. The match can come from any source available to the applicant. Eligible redevelopment costs incurred up to 12 months prior to the application due date may be included as local match

^{*}Although the statute recognizes acquisition as an eligible expense, DEED will only consider public acquisition, and these costs are only eligible as matching costs.

^{**}Although these costs are eligible, they should not be the sole costs of the grant request.

but cannot be reimbursed by DEED. See "Grant Eligible Costs" above. Prior costs should be identified in the Cost Analysis section of the application.

The applicant must complete and adopt the attached resolution authorizing this application and committing the local match from the applicant (see Section VII, Resolutions).

REQUIRED APPRAISALS OR ASSESSMENTS FOR GRANTS:

Current (as-is) and projected (pre-construction) assessed values as determined by the local assessor are required. In lieu of the assessed value, appraisals done by an independent appraiser using accepted appraisal methodology, may be submitted. Values cannot be determined in any other manner. For tax exempt properties without an assessed value, a current market value must be provided.

The value of the property after the proposed development is completed is also required. This estimate is generally based on similar development projects in the city or a tax capacity estimate from the local assessor.

GRANT AWARD CRITERIA:

DEED will award grants to projects that provide the highest return in public benefits for the public costs incurred and meet all the statutory requirements. To evaluate the applications for public benefits with respect to the costs incurred, the law specifies priorities that DEED must consider.

To fulfill this requirement of reviewing applications in an objective and fair manner, the following criteria have been assigned maximum point values to systematically award grants. All assigned scores will be relative to scores awarded to other applications during the same grant round. **An application must receive a minimum of 50 points to be eligible for funding.**

- 1. Need for redevelopment in conjunction with contamination remediation needs. Maximum = 15 points.
- 2. Redevelopment project meets current tax increment financing requirements for a redevelopment district and tax increments will contribute to the project. *Maximum = 25 points*.
- 3. Redevelopment potential within the municipality. *Maximum = 85 points*.
- 4. Proximity to public transit if located in the metropolitan area. *Maximum = 5 points*.
- 5. Multi-jurisdictional projects that consider the need for affordable housing, transportation, and environmental impact. *Maximum* = 15 points.

Note: application review is a closed process. DEED reviewers may request clarification, but unanswered questions will not receive a score. Additional materials and required attachments will not be accepted after the application deadline without prior request or approval.

DEED has Redevelopment Grant rounds every six months. It is expected that projects are ready to begin grant activities as soon as grant funds are available. If there are one or more grant rounds before grant activities are scheduled to begin, DEED strongly recommends applying in a future grant round that is closer to commencement of the project. Be advised that if awarded, the application will be incorporated into the grant contract. The schedule provided in the application should be as accurate and realistic as possible. Significant changes to the project and its schedule may result in grant termination.

V. PROJECT SCHEDULE

50. Provide a detailed schedule outlining the individual tasks necessary to complete the project. This includes redevelopment and development tasks and activities such as, but not limited to, site acquisition, local approvals (entitlements, TIF, etc.), financing commitments, abatement, demolition, development construction start and end date, and any other project activities.

IMPORTANT NOTE: Per Minn. Stat. § 116J.575, Subd.4, if this redevelopment project fails to substantially provide the public benefits (jobs and taxes) listed in this application within five years of the grant award date, the Commissioner may require that 100 percent of the grant amount be repaid to DEED.

DEED has redevelopment grant rounds every six months. It is expected that projects are ready to begin grant activities as soon as grant funds are available. If there are one or more grant rounds before grant activities are scheduled to begin, DEED strongly recommends applying in a future grant round that is closer to commencement of the project. Premature applications increase the likelihood that public benefits will not be achieved within five years thus requiring grant repayment.

If awarded, this schedule will be incorporated into the grant contract. Be as accurate and realistic as possible. Significant changes to this schedule may result in grant termination.

VII. RESOLUTIONS

- 53. Resolutions must be adopted prior to the application deadline and submitted with the application. The two required elements are:
 - A. A resolution from the governing body of the city where the project site is located, which approves the application.
 - B. A resolution from the applicant committing the local match and authorizing contract signatures.

 Note: Pursuant to Minn. Stat. § 412.201, Statutory Cities must authorize the Mayor and Clerk to execute all contracts.

Blank resolution templates are included on the following pages. The applicant may choose to reformat or combine them, but the adopted resolution must include all the following statements. **Resolutions that do not contain all statements will not be accepted.**

HOUSING AND REDEVELOPMENT AUTHORITY IN AND FOR THE CITY OF BRAINERD RESOLUTION NO. 2023-05

RESOLUTION OF COMMITMENT OF THE LOCAL MATCH AND AUTHORIZING CONTRACT SIGNATURE FOR MINNESOTA DEPARTMENT OF EMPLOYMENT AND ECONOMIC DEVELOPMENT REDEVELOPMENT GRANT APPLICATION BY BRAINERD HRA

BE IT RESOLVED that The Brainerd Housing and Redevelopment Authority (HRA) act as the legal sponsor for project(s) contained in the Redevelopment Grant Program application to be submitted on August 1st, 2023 and that the Executive Director is hereby authorized to apply to the Department of Employment and Economic Development for funding of this project on behalf of The Brainerd Housing and Redevelopment Authority.

BE IT FURTHER RESOLVED that The Brainerd Housing and Redevelopment Authority has the legal authority to apply for financial assistance, and the institutional, managerial, and financial capability to ensure adequate project administration.

BE IT FURTHER RESOLVED that the sources and amounts of the local match identified in the application are committed to the project identified.

BE IT FURTHER RESOLVED that if the project identified in the application fails to substantially provide the public benefits listed in the application within five years from the date of the grant award, The Brainerd Housing and Redevelopment Authority may be required to repay 100 percent of the awarded grant per Minn. Stat. § 116J.575, Subd. 4;

BE IT FURTHER RESOLVED that The Brainerd Housing and Redevelopment Authority has not violated any Federal, State, or local laws pertaining to fraud, bribery, graft, kickbacks, collusion, conflict of interest or other unlawful or corrupt practice.

BE IT FURTHER RESOLVED that upon approval of its application by the state, The Brainerd Housing and Redevelopment Authority may enter into an agreement with the State of Minnesota for the above-referenced project(s), and that The Brainerd Housing and Redevelopment Authority certifies that it will comply with all applicable laws and regulation as stated in all contract agreements.

NOW, THEREFORE BE IT FINALLY RESOLVED that the Executive Director is hereby authorized to execute such agreements as are necessary to implement the project on behalf of the applicant.

Adopted this day of July 2023	
	Rebekah Kent-Ehlebracht
	Chair, Brainerd HRA

To: Brainerd HRA Board Members From: Karen Young, Finance Director

Date: July 20, 2023

Re: July Financial Report

Please find attached the financial information for June 2023.

General Fund Tax Levy and TIF Increment

Reflected in the June General Fund Financial Statements is the deposit of \$59,495.62 in Property Tax Revenue (levy). The second deposit of \$27,521.88 was deposited in July for total first half levy deposits of \$87,017.50. The total levy amount for 2023 is \$155,981. The second half property tax settlement will be in December.

Also deposited in July was Downtown TIF District increment of \$24,390.15. Since the TIF bond debt was paid off for this project in 2022, the increment collected will pay down the interfund loan between the TIF District and the General Fund.

Preliminary General Fund Budget

For the August meeting next month, staff will present the preliminary General Fund budget to be approved by the Board and then submitted to the City.

CWC HRA Budget

The 2023 budget for CWC HRA will be presented to the CWC HRA Board at their July 25th special budget meeting. The CWC Budget Committee meeting is scheduled for presentation on August 10th.

Action Requested: Motion for approval of payments as presented.

Re: Rehab Programs Report

SE Brainerd SCDP Application

We received notice in DEED's SCDP Quarterly Newsletter that the SCDP Unit will be announcing 2023 grant awards once HUD approves the State's 2023 Annual Action Plan and releases the State of Minnesota's CDBG allocation to DEED.

MHFA

We received another request for a MHFA Rehabilitation Loan Program (RLP) loan for a disabled household in Morrison County. TCC helped the applicant submit a complete application packet to Kristin with their information and they would qualify. The board has previously approved administering loans in Morrison County but did limit it to the more northern part of the county, this loan is in the west side of Little Falls. We currently have two other active loans in Morrison County and have closed one.

Re: Executive Director Report

Relocation Possibilities

Department Head staff did a walk through of the building adjacent to our office to get an idea of what the space could be transformed into and to see if there was interest in pursuing an opportunity to purchase the building to relocate our offices. The current owners of the building were willing to share their architectural drawings of the building with us as well so we have taken that opportunity to start brainstorming ways to improve the layout of the building to see if it would ultimately fit our needs. We are going to have an engineering firm look at the building specs along with our rough ideas of a remodel to see if it is feasible before we bring a recommendation back to the board to see if we want to keep pursuing this option.

Software Upgrade

An internal working group has been looking at options for upgrading our housing and financial software due to the planned obsolescence of our current platforms. Our current housing software provider does have a new database that they are promoting but at this time it does not have everything that we are looking for as we ideally would have one system combining our financial operations, housing, and rehab into one database. The working group recently received pricing on a vendor that would be able to combine all our data into one database. We are currently reviewing the governmental pricing that we have access to through Sourcewell and will be deciding during our budget review for 2024 to decide if we will be able to move forward with implementation in the later half of 2024.
